For the successful completion of an international business transaction depending on its terms, both parties need access to funds. This text deals with financing mechanisms mainly in the international sale of goods and in overseas construction projects. Concerning financing international sale of goods, it discusses export working capital financing, documentary credit, negotiation of bills of exchange, export factoring, and international forfaiting. Concerning financing an overseas construction project, this book discusses supplier and buyer credit, project finance, syndicated loans, and independent guarantees or standby letters of credit. The book also covers export credit insurance or export credit guarantee, which is very useful for the facilitation of financing in the international sale of goods and in overseas construction projects. **Honduras Investment and Business Guide Volume 1 Strategic and Practical Information** IBP, Inc., 2015-09-11 Honduras Investment and Business Guide Volume 1 Strategic and Practical Information *A Basic Guide to Exporting* Jason Katzman, 2011-03-09 Here is practical advice for anyone who wants to build their business by selling overseas.
