Trails Of Hope And Terror Testimonies On Immigration:

Trails of Hope and Terror Miguel A. De La Torre, 2009 A conversation on the challenges of immigration that includes the voices of recent immigrants the documented and undocumented A combination of analysis story and artistic expression opens up the complexities of immigration for undergraduates and for all Christians De la Torre's goal is to initiate a civil conversation that can replace the politics of fear that now dominates discussions of immigration Dear White Christians Jennifer Harvey, 2020-07-14 If reconciliation is the takeaway point for the civil rights story we usually tell then the takeaway point for the more complex more truthful civil rights story contained in Dear White Christians is reparations from the preface to the second edition With the troubling and painful events of the last several years from the killing of numerous unarmed Black men and women at the hands of police to the rallying of white supremacists in Charlottesville it is clearer than ever that the reconciliation paradigm long favored by white Christians has failed to heal the deep racial wounds in the church and American society In this provocative book originally published in 2014 Jennifer Harvey argues for a radical shift away from the well meaning but feeble longing for reconciliation toward a robustly biblical call for reparations Now in its second edition with a new preface addressing the explosive changes in American culture and politics since 2014 as well as an appendix that explores what a reparations paradigm can actually look like Dear White Christians calls justice committed Christians to do the gospel inspired work of opposing racist social structures around them Harvey's message is historically and scripturally rooted making it ideal for facilitating the difficult but important discussions about race that are so desperately needed in churches and faith centered classrooms across the country Art As Witness Helen T. Boursier, 2021-06-03 Art As Witness is an invitation for professors researchers clergy educators students and activists to creatively integrate the arts in theology and religious studies for a practical theology of arts based research that prioritizes public witness This methodology challenges the traditional written word as being the privileged norm arguing that this emerging research genre is an excellent viable and necessary option for research that supports promotes and publicizes liberating theology for the marginalized victimized and oppressed It includes a detailed case study of Art Inside Karnes the all volunteer arts based ministry of presence the author facilitated inside a for profit immigrant family detention center that became the Power of Hope traveling art exhibit for education advocacy and public witness This primer covers practical ethical legal and political matters includes pedagogical examples for how to use arts based research for student assessment in theology and religious studies and provides an overview of arts options including literary genres visual arts fabric arts theater filmmaking and new media with digital content Art as Witness features 40 illustrations several case studies and multiple contributing theologian artists who engage the arts in themes that include immigration HIV AIDS biblical studies political protest gender equity gun law reform racial justice and more Across Borders Joerg Rieger, 2013-06-20 While work in theology and religious studies by scholars in Latin America and by Latino a scholars in the United States has made substantial contributions to the current
