Training Guide For Deaconesses:

Women Deacons and Deaconesses Charles W. Deweese, 2005 Divided opinion on the topic of this book has caused controversy in Baptist history and life Most Baptist individuals and churches have strongly opposed women deacons Some Baptist associations have even disfellowshipped churches that have approved women deacons And women in general have been suppressed by many recent actions of the Southern Baptist Convention thereby affecting women deacons However thousands of Baptist churches include women in their deacon bodies and find that they make invaluable contributions The book presents arguments on both sides of the topic but lands squarely in support of women deacons **Deaconess**

Beyond Walls Thomas Ferguson, 2025-09-24 The story of theological education is central to the story of the Episcopal Church and a key element to the history and development of Christianity in the United States This book charts the history of Bexley Seabury Seminary and its predecessor bodies Bexley Hall and Seabury Western Theological Seminary This history reflects the significant changes that have impacted the Episcopal Church in part examining how theological education and formation has been complicit in structures of systemic racism marginalization and oppression Yet this is also story of innovation and development in response to sweeping changes that have impacted North American Christianity Beyond Walls tells the history of Bexley Seabury Seminary on the occasion of its bicentennial yet in doing so holds up a mirror that reflects
