Unafraid Trusting God In An Unsafe World:

Unafraid Susie Davis, 2015-04-21 Though I don't know where your fears started or how deep they sit in your soul I do know this Fear is a heavy burden One of the heaviest you can carry It's exhausting and overwhelming And it's not from God Susie Davis *Unafraid* In 1978 Susie Davis watched as a thirteen year old classmate entered her classroom and killed her teacher As a witness to one of the earliest school shootings in our nation Susie faced years of paralyzing fear and an intense distrust of God But God relentlessly pursued her and over time broke Susie's fear addiction In *Unafraid* Susie offers her hard won insights about how we can trust God in the midst of our fears about violence disease and personal tragedy With you she asks How do we live unafraid How do we remain aware of world events without giving in to fear How do we make everyday choices to stop letting What if control us As Susie shows us it is possible to break fear's grasp on our lives We can be aware of the terrible without forgetting the beautiful We can look up with joy and realize the remarkable truth Jesus wants to take our fear and give us in its place true peace Walk this liberating journey with her and learn what it means to live unafraid

We've Never Been This Way Before R.T. Kendall,2020-10-06 From Best Selling Author R T Kendall What if I told you the new normal is that nothing will be normal again As recent events have unfolded not only America but the entire world has been brought to the precipice of the most challenging moments of our lifetimes But while these times seem unprecedented and uncharted to us they are not to God Much like He said to Joshua and the children of Israel standing on the edge of the Promised Land God now says to us You have never been this way before Josh 3 4 God s word is tender challenging and scary God knows where we ve been and where we are going As we cope with extraordinary new outbreaks of disease racism and cultural upheaval we have been forced to recognize that we are not prepared for this Nobody is Yet there is hope In this timely message trusted theologian R T Kendall helps you navigate the way forward by exploring how God led His people in the past Along the way he answers questions such as Where is God in all this What do Christians have to offer the rest of the world during these times Did the devil cause these things Did God cause them If God allowed these things to happen then why Just like today s Christians the people of great faith listed in Hebrews 11 had to grapple with things that had not been encountered before They needed unprecedented faith to accomplish God s purpose in unprecedented times Join R T Kendall on this journey to understand what God is saying to His people in this critical hour the ways He has already equipped you to face these uncertainties and how to know His plan for your future This book will help you understand what God is saying to us during this time of uncertainty and change Women, Religion, and Emotions in Modern Germany and Beyond

Beyond Lisa Fetheringill Zwicker,Martina Cucchiara,2025 Analyzes the role of emotions in the religious lives of women from across Germany and Europe from the nineteenth century to the 1970s Scholarship on women and religion has focused primarily on the intersection between women s religious engagement and their emancipation This volume goes beyond that to examine the vital role religion has played in the private and public lives of German and European women Because emotions are central to the expression of religiosity it draws on approaches from the history of emotions to examine how women understood felt and practiced religion in their search for meaning Spanning from the nineteenth century to the 1970s

the volume's essays show how religion helped women make sense of their lives. It also illuminates the degree to which women used religion and its attendant emotional scripts to shape modern society and how religious discourses in turn shaped women's emotions and comportment in the public sphere. The volume builds on recent research that shows that religion, especially the religiosity of women, remained a pressing public concern in modern Europe. From anxieties over the religiosity of Bavarian servants to restrictive norms imposed on Jewish widows from the interfaith commitments of kindergarten teachers to the autobiographical narratives of aspiring Protestant deaconesses from the suffering of stigmatics in Germany and Belgium to Irish women's public narratives of their religiosity, this book reveals how women's faith and attendant religious emotions have been central to their public and private lives.
