Exploring the

Paranormal R. Alan Streett, 2024-10-31 A personal exploration of questions surrounding psychic healing, astral projection and more. After an injury threatened his chances of signing a professional baseball contract, R. Alan Streett sought help from Olga Worrall, a world famous psychic healer. This encounter set in motion his lifelong search for the origin and nature of psychic phenomena. Were they natural or supernatural? From God or from the devil? Were they mentalists' tricks or feats of the subconscious mind? Streett invites us to join him in real time as he explores the fascinating world of the paranormal, offering insights into healing, magic, trance, channeling, yogic meditation, alternative medicine, astral projection, and the brain's ability to produce spiritual and mystical experiences. Ultimately, Streett enables readers to draw some time-tested and cutting-edge conclusions. *Exploring the Paranormal* is a helpful guide for all who wish to understand the varied forms of spirituality that are so popular today.

The Facts on Spirit Guides John Ankerberg, John Weldon, 2011-04-20 How to avoid the seduction of the spirit world, demonic powers. Thousands of people are communicating with the spirit world in a search for spiritual guidance in their lives. The spirit guides they're contacting claim to speak with absolute certainty about the nature of God and the purpose of life. What is the true story behind these spirit beings? Are they good spirits as declared, or are they the demons spoken of in the Bible? This book reveals the demonic powers behind these spirit guides and provides much needed help for recognizing this perilous deception.

Queer Hauntings Ken Summers, 2009 *Queer Hauntings: True Tales of Gay and Lesbian Ghosts* is a collection of eerie locales worldwide with a queer bent, combining historical fact and unearthly encounters from across the United States as well as around the globe. From haunted bars in New Orleans to a haunted theater in London, this guide encompasses the other side of the supernatural. The stories range from the serious, from brutal murders in rural Georgia, to the light-hearted, including the male spirit who enjoys unzipping men's trousers at a British pub. Ghosts of legendary celebrities intermingle with ordinary individuals. Along with these queer spirits are many businesses, either gay-owned or catering to a gay/lesbian clientele, experiencing hauntings. Clubs and bars hide more than shy young lovers in their darkened corners. Countless bed and breakfasts have otherworldly guests staying the night. Behind the shadows and doors of societal homophobia, hidden pink phantoms and lavender apparitions in cities and towns spread across the globe.

Promethean Love Timothy Madigan, 2008-12-18 The myth of Prometheus has inspired countless generations of humanists throughout the ages. Prometheus, who stole fire from the gods and gave it to humans to help them survive, remains a symbol for those who reject theistic orthodoxies and who fearlessly challenge accepted beliefs. Artists such as Byron, Goethe, Beethoven, and Wagner have been influenced by this story. Most importantly, Prometheus is a symbol for selfless love. In this collection of essays, the Promethean myth and its relationship to the philosophy of love is explored from its origins in Ancient Greece to its similarities and contrasts with the figure of Christ. Special emphasis is given

to the work and writings of Paul Kurtz the foremost contemporary defender of humanism as a worldview who has made the figure of Prometheus a special part of his own philosophy *The A to Z of New Age Movements* Michael York,2009-06-17

The decline of institutionalized religion in the increasingly secularized West has been offset by the contemporary spiritual development understood in the form of emerging New Age movements This reference presents the potpourri of spiritual and psycho physical therapeutic practices associated with this affirmation of the individual s spiritual freedom the expectation of a future golden age the emphasis on self development and the holistic pluralism that sets the dominant pulse for innovative spirituality in the twenty first century The A to Z of New Age Movements furnishes profiles and explanations of New Age spokespeople and leaders of a range of human potential and self help practices of countercultural spiritual developments and of different groups and organizations that identify as New Age The dictionary consists of over 240 individual entries along with an introduction that describes the historical foundations of the New Age orientation and its relation with contemporary Western paganism It also presents the sociological dimension of New Age expression as well as the kinds of criticism with which the New Age identity must contend There is both a New Age Chronology and a bibliography also included **Suicide** Jon Klimo,Pamela Rae Heath,2006-06-12 This provocative study explores what happens to those who commit suicide Drawing on communications from the spirits of more than 100 successful suicides it offers an intriguing look at what the dead themselves say about suicide its repercussions and their experiences in the afterlife Bringing together the channeled messages of three types of suicide traditional suicide assisted suicide and the suicide mass murder adopted by terrorists the book covers a wide range of topics including why people commit suicide what it is like to cross over adjustment problems what suicides would say to those left behind and what they would tell others thinking of taking their own lives Additionally the book conveys powerful messages from suicide bombers warning potential terrorists of the serious karmic consequences that await them For anyone contemplating suicide or euthanasia the book offers profound sometimes unsettling insight into the ramifications of these acts *Handbook to the Afterlife* Pamela Rae Heath,Jon Klimo,2011-07-05 Two seasoned experts with decades of experience working with channeled material describe the various stages of life after death Just as life itself has different stages of growth and development so does the afterlife In this useful handbook authors Pamela Rae and Jon Klimo demonstrate how dying and rebirth are much like life continuous processes Beginning with the moment of death itself progressing through different transitional stages and ending with the return of spirits to the physical plane they define the purposes and pitfalls of each stage They look at the kinds of adjustment problems that occur in each phase and how spirits can be helped to move forward Questions of pain and emotional state at the time of death karma and reincarnation are sensitively addressed The book includes practical techniques for opening communication with those who have passed on to the other side While of interest to anyone seeking a general overview of the subject Handbook to the Afterlife is particularly useful for those dealing with spirits who have not moved on such as ghosts *Knowing the Facts about Channeling and*

Crystal Work John Ankerberg, John Weldon, 2012-08-30 When men and women willingly give over their minds and bodies to spirit entities and these spirits enter and control them using them to heal or to give teachings and other information this is called channeling Crystal work uses crystals to invoke the spirits The spirits claim they can assist people toward true individual social and spiritual enlightenment Channeled spirits claim to be wise and loving entities but are they What is their real purpose The authors examine the potential problems and dangers that can occur through channeling along with a biblical evaluation of the practice

Supernatural America Lawrence R. Samuel, 2011-08-03 This book is much more than an authoritative and compelling look at the cultural history of the supernatural over the last century in America it also explains why we want to believe The supernatural psychic phenomena telepathy clairvoyance or ESP communicating with the dead and the sighting and tracking of ghosts has played an integral role in American culture across the last century In fact attention and interest in the supernatural has increased despite our society's reliance upon and enthusiasm for science and technology Even some top scholars officials from the military and police and public figures in places as high as the Oval Office have believed in at least some aspects of the supernatural *Supernatural America A Cultural History* is the first book to examine the cultural history of the supernatural in the United States documenting how the expansion of science and technology coincided with a rise in supernatural paranormal beliefs From the flourishing of spiritism in the 1920s to the early 21st century when the paranormal is bigger than ever this entertaining and educational book explains the irresistible allure of the supernatural in America

The Spirit Book Raymond Buckland, 2005-09-01 Never say die Can the living communicate with the dead Many believe that spirits are constantly about us and that it is possible through a variety of means to speak to them and to have them speak to us *The Spirit Book The Encyclopedia of Clairvoyance Channeling and Spirit Communication* looks at these methods of communication their history and the personalities involved throughout the past three hundred years of this eternal quest The fascinating history of Spiritualism is coaxed into the material realm as the object of this perceptive and sweeping overview by that legendary author of the occult and supernatural Raymond Buckland Drawing on decades of research writing and transcendence he describes sundry methods of channeling events associated with Spiritualism including séances and exorcism organizations focused on clairvoyance and a colorful host of mortals famous and infamous who delved into Spiritualism Nostradamus Helena Blavatsky and Edgar Cayce receive their due as well as Joan of Arc William Blake Susan B Anthony Winston Churchill Arthur Conan Doyle Mahatma Gandhi Harry Houdini and Mae West look up and see her sometime *The Spirit Book* explores Qabalah Sibyls Fairies Poltergeists phenomena such as intuition and karma objects useful in the attempt to cross the divide including tarot cards flower reading and runes and related practices such as Shamanism transfiguration meditation and mesmerism This comprehensive reference also reports on investigations of contemporary manifestations including electronic voice phenomena and spirit appearances on TV screens plus channeling fraud psychic research and possession Containing more than 500 entries and 100 illustrations this fun fact filled tome is

richly illustrated Its helpful bibliography and extensive index add to its usefulness *The Coming Darkness* John Ankerberg, John Weldon, 2011-05-06 Millions of people are risking everything to seek the occult world its alluring power But this intriguing contact with supernatural power is not what it seems to be Researchers John Ankerberg John Weldon convincingly document with eyewitness accounts occult practices are not spiritual or godly Rather they are a deceptive trap backed by demonic power Participants are courting disaster for themselves their families by exposure to spiritual entities who seek their destruction Who are these spirits And what do they want from us An in depth perspective on occult activity its dangers This book also points to the one source of true deliverance **Channeling** Jon Klimo, 1998-04-17 In this study of channeling earlier called spirit communication or mediumship Klimo who teaches at Rosebridge Graduate School in the San Francisco Bay Area writes with clarity about the communication of information to or through a physically embodied human being from a source on some other level or dimension of reality other than the physical as we know it He profiles recent channels and their sources goes back to preliterate societies and the advent of monotheism and identifies as channels such figures as Moses Solomon Muhammad Merlin Nostradamus Swedenborg and Edgar Cayce He discusses the sorts of people who are channels kinds of information channeled sources of information channeled and varieties of channeling like clairvoyance and automatic writing According to Klimo few people tap into their abilities to perform channeling and for those who think they can he serves as guide Historical Dictionary of New Age Movements Michael York, 2004 The Historical Dictionary of New Age Movements examines various New Age concepts spokespeople and leaders a range of human potential and self help practices countercultural spiritual developments and different groups and organizations that identify themselves as New Age without judging or categorizing them More than 240 entries make this dictionary a valuable resource for students practitioners and serious academics BOOK JACKET **Michael Speaks: The Legacy of Sarah Chambers (Volume 1)** Center for Michael Teachings, Inc., 2012-12-06 We are here with you today With those few words in August 1973 Sarah Chambers her husband Richard and their good friends Alice and Dick started a journey that took them far beyond anything they could possibly imagine They explored the unseen realm of the spiritual world with their teacher Michael Along with good friend Eugene Trout they created a new spiritual teaching based in love that helps people become more of who they truly are The group kept transcripts of their meetings and those transcripts were copied and passed around to their friends and coworkers then copied and passed to many others over the years Volume 1 contains those transcripts digitized formatted for easier reading and edited to remove most real names Why am I here someone asked one night Michael answered To hear the words you didn't hear 2 000 years ago Maybe this time you will listen *Chicorel Index to Parapsychology and Occult Books* Marietta Chicorel, 1978 My First Encounter with an Angel Sidney Schwartz, 1999-11 My First Encounter with an Angel is the first book of the Revelations of Ancient Wisdom AWAN Speaks series that will illuminate truths about how spirituality mediumship and prophecy have been hidden for centuries by Biblical translators and

religious rulers AWAN the Angel Without A Name contacted the author Sidney Schwartz through the person of Carl Hewitt a well known trance medium Who or what AWAN is does not ultimately matter when you read and examine the incredible information that this entity is attempting to teach During their first encounter AWAN revealed to the author information about deliberate changes and alterations made in the Bible throughout the centuries based on the need of Church Fathers to suppress the psychic spiritual development of the masses The author however remained theologically adamant and argued with this angel It was then that AWAN challenged the author to disprove his teachings Using his skills as a librarian the author researched extensively studying over 160 versions of the Bible only to discover that AWAN was teaching the truth Upon reading this book you will begin to see that the Bible is saturated with metaphysical or mediumistic phenomena of every kind **Catalog of Copyright Entries.
