people would live together in one room Although life was a constant struggle against famine disease and violence the people enjoyed a closeness that was moer than the result of overcrowding Their lives were lived entirely within the mean streets of their little corner of London They were born and raised within the rookeries earned their meagre living there enjoyed life as best they could dressed in the latest fashion got married had children died and were buried there The lack of cooking facilities led to them inventing the takeaway and there was absolutely no sanitation In the poorest district of all St Giles only a single water pump serviced the entire population It was a closed world although the population explosion of nineteenth century London led to millions of new arrivals in the already congested rookery districts The areas were lawless to a degree that dwarfs contemporary concerns about crime Though life as cheap in the rookeries they produced some of the best soldiers and sailors in the British armed forces
