Whale Watching Sustainable Tourism And Ecological Management:

Whale-watching James Higham,Lars Bejder,Rob Williams,2014-03-27 A critical insight into the diverse socio cultural political economic and ecological contexts of the global whale watching industry *Whale-watching* James E. S. Higham,Lars Bejder,Rob Williams,2014 Within little more than a generation whale watching has been subject to global industrial development It has been portrayed by destinations and business operators and advocated by environmental groups as a sustainable activity and an alternative to whaling However in recent years the sustainability of these activities has increasingly been questioned as research shows that repeated disturbance by boat traffic can severely disrupt critical behaviours of cetaceans in the wild Bringing together contributions by international experts this volume addresses complex issues associated with commercial whale watching sustainable development and conservation of the global marine environment It highlights widely expressed concerns for the failure of policy planning and management and pinpoints both long standing and emerging barriers to sustainable practice Featuring numerous case studies the book provides critical insights into the diverse socio cultural political economic and ecological contexts of this global industry highlighting the challenges and opportunities that arise along the pathways to sustainability *Whale-watching Impacts: Science, Human Dimensions and Management* Aldo S. Pacheco,Maritza Sepulveda,Peter Corkeron,2022-02-02 [Arctic Tourism Experiences](#) Young-Sook Lee,David Weaver,Nina K Prebensen,2017-03-10 An exploration of Arctic tourism focusing on tourist experiences and industry provision of those experiences this is the first compilation to concentrate on the fundamental essence of the Arctic as being a geographical periphery but also an experiential core that offers peak tourism experiences Part 1 investigates the depth and dimensions of tourist experiences in the Arctic Chapters examine the essence of diverse peak experiences and delve into the factors that give rise to these experiences Part 2 considers the links between these core experiences and the tourism industry that seeks to sustain itself by facilitating such satisfying outcomes

Whale-watching James Higham,Lars Bejder,Rob Williams,2014-03-27 Within little more than a generation whale watching has been subject to global industrial development It has been portrayed by destinations and business operators and advocated by environmental groups as a sustainable activity and an alternative to whaling However in recent years the sustainability of these activities has increasingly been questioned as research shows that repeated disturbance by boat traffic can severely disrupt critical behaviours of cetaceans in the wild Bringing together contributions by international experts this volume addresses complex issues associated with commercial whale watching sustainable development and conservation of the global marine environment It highlights widely expressed concerns for the failure of policy planning and management and pinpoints both long standing and emerging barriers to sustainable practice Featuring numerous case studies the book provides critical insights into the diverse socio cultural political economic and ecological contexts of this global industry highlighting the challenges and opportunities that arise along the pathways to sustainability **Animals and Tourism**

Kevin Markwell, 2015-05-01 This book critically examines the many ways in which tourism and animals intersect whether as tourist attractions wildlife conservation tools as travel companions or as meat to be eaten It aims to make a meaningful contribution to the growing body of knowledge concerning the relationships between animals tourists and the tourism industry The chapters are organised into three themes ethics and welfare conflict contradiction and contestation and shifting relationships Theoretically informed and empirically rich the chapters examine topics such as whale watching animal performances the objectification and commodification of animals and stakeholder conflict among a range of others It is hoped that the book will help to highlight key research questions and stimulate other researchers and students to reflect critically on the place of animals within tourism spaces experiences practices and structures **Green Guide to Whale Watching**

Ralf Buckley, Jan Warnken, Kate Lawrance, Janine Rainbow, 2002-05-01 Easy to use best practice environmental management guide for scuba diving tour operators and tourists This publication is also available for free download at www.crctourism.com.au **Wildlife Tourism, Environmental Learning and Ethical Encounters** Ismar Borges de Lima, Ronda J.
