Cartwright,2010-11 A hell of a story about drugs corruption and violence told by a virtuoso Playboy magazine Dirty Dealing a true story chronicles the rise and fall of the house of Chagra The Chagra brothers of El Paso were pioneers in smuggling drugs across the Mexican border and were infamous for their fabulous wealth But in the end Lee Chagra was gunned down a federal judge was assassinated Jimmy and Joe Chagra were imprisoned and Charles Harrelson actor Woody Harrelson s father was convicted for the judge s murder When Federal Judge John Maximum Wood was shot outside his home in San Antonio Texas in 1979 the first assassination of a federal judge in more than a hundred years his death sent waves of shock across the country The FBI labeled it the crime of the century Former President Nixon expressed outrage calling for quick arrest and punishment But the crime s solution would be anything but fast Dragging on for years and costing 11 4 million the investigation turned out to be the largest in recent FBI history surpassing even that of President John F Kennedy s assassination Gary Cartwright senior editor of Texas Monthly and author of several nonfiction bestsellers details the full

history of the events leading up to this crime and the trials that followed in *Dirty Dealing* This reprint from Cinco Puntos Press includes a new afterword by the author Complete with shady maneuverings on the part of the federal government and an outcome that Kirkus Reviews has called straight from Oz *Dirty Dealing* is one of the richest and most fascinating of all true crime stories From the Author Gary Cartwright I don't claim much of a literary background The town where I grew up Arlington Texas had a tiny library above the fire station The first writer who truly impressed me and caused me to wonder if there was something out there for me was Hemingway For a long time I tried to emulate his clean crisp style and feeling for life and death I was going pretty well with Hemingway when I got sidetracked by Durrell's *Alexandria Quartet* at which time I lapsed into my Purple Period Nelson Algren's *Walk on the Wildside* I think I read some Conrad about the same time got me out of the stench of lyrical overripe nonsense and back in the dust where I belonged Somewhere in there I read Robert Stone's *A Hall of Mirrors* and later *Dog Soldiers* and began to understand that a writer's true function was storytelling Like a lot of writers my age my head was turned by reading J D Salinger though I didn't understand him I came to prefer William Goldman who wrote more to my level and with a skill I could appreciate and borrow from I know it's popular in literary circles to dismiss Goldman as a hack gone Hollywood but I wish I had his gift as a storyteller In recent years I have fallen in love with such mystery writers as Raymond Chandler Dashiell Hammett and John LeCarr There is something cynical and laconic in the way these writers weave a story as though to say life really has no resolution it's just one damn thing after another but worthwhile if it's done right Two books that influenced my own works were David Storey's *This Sporting Life* which I read shortly before beginning my football novel *The Hundred Yard War* and Truman Capote's *In Cold Blood* which was the inspiration for my two latest books *Blood Will Tell* and *Dirty Dealing* I am fascinated by this genre and have come to recognize that life imitating art is every bit as literate as art imitating life In a way I can't quite explain *Dirty Dealing* was influenced too by John Reed's *Insurgent Mexico* Reed got across a feeling for how the isolation of desert wastelands gives both a meaning and a meaninglessness to life and how codes within cultures are more permanent than laws within nations

Chances of Success: Episodes and Observations

in the Life of a Busy Man Erastus Wiman,2005-12-01 It is true that but for him who borrows and risks and labors the world would hardly move forward It is equally true that if there were no borrowers there would be no profit to the lenders Being so essential to each other both are essential to the world s progress But the world would be happier if he who borrowed did so more carefully realized his danger more acutely and risked less for his own sake as well as for the sake of him who lends from The Elements of SuccessThe diverse career of Canadian American businessman and journalist ERASTUS WIMAN 1834 1904 encompassed a stint as a reporter for the newspaper the Toronto Globe the presidency Canada s Great Northwestern telegraph company and later of the Staten Island Rapid Transit railroad and a successful campaign to eliminate imprisonment for debtors in New York State In 1893 he shared the fruits of his long wide experience in this collection of essays on business society and living a successful life In a charmingly rambling style Wiman steps forward as an advocate for such assorted issues as a close commercial union between Canada and the United States and the arrival of women into the white collar workplace He discusses everything from the dramatic influence of electricity on industry and the power of the housing market to transform an economy to the business lessons to be learned from Buffalo Bill to man s place as a parasite of the cow An extraordinary work by a uniquely influential and knowledgeable character this is full of surprising and delightful insight
