What Maisie Knew Book:

What Maisie Knew Henry James, 2021-09-13 **What Maisie Knew** Henry James **What Maisie Knew** is a novel by Henry James first published as a serial in *The Chap Book* and revised and abridged in the *New Review* in 1897 and then as a book later that year. It tells the story of the sensitive daughter of divorced irresponsible and narcissistic parents. The book follows the title character from earliest childhood to precocious maturity. At first Maisie didn't know much; she was only six years old when her mother and father divorced. Her embittered parents shared custody using the child as a pawn in their struggles. Neglected and exploited, Maisie shuttled back and forth between their homes. The things she saw and overheard as her elders remarried and conducted adulterous affairs hastened her growth from early childhood to a precocious maturity. Rather than offering a gloomy tale of innocence corrupted, **What Maisie Knew** abounds in dark humor and savage wit. Henry James takes particular aim at the mores of the English upper classes in his tale of a sensitive little girl and her spirited reaction to irresponsible self-absorbed adults. Written in an era when divorce was far less common than it is today, this 1897 novel is strikingly modern in its subject and narrative voice.

What Maisie Knew Illustrated Henry James, 2021-01-04 **What Maisie Knew** is a novel by Henry James first published as a serial in *The Chap Book* and revised and abridged in the *New Review* in 1897 and then as a book later that year. It tells the story of the sensitive daughter of divorced irresponsible and narcissistic parents. The book follows the title character from earliest childhood to precocious maturity. When Beale and Ida Farange are divorced, the court decrees that their only child, the very young Maisie, will shuttle back and forth between them, spending six months of the year with each. The parents are immoral and frivolous, and they use Maisie to intensify their hatred of each other. Beale Farange marries Miss Overmore, Maisie's pretty governess, while Ida marries the likeable but weak Sir Claude. Maisie gets a new governess, the frumpy, somewhat ridiculous but devoted Mrs. Wix.

What Maisie Knew Henry James, 2018-01-17 **What Maisie Knew** is a novel by Henry James first published as a serial in *The Chap Book* and revised and abridged in the *New Review* in 1897 and then as a book later that year. It tells the story of the sensitive daughter of divorced irresponsible parents. The book follows the title character from earliest childhood to precocious maturity.

called Maisie and the toll that her parents divorce and remarriages take on her. Her parents are shown to care very little about her as a person and simply use her as a weapon to hurt each other. Through Maisie's limited perceptions and understandings, Henry James paints a portrait of the ways that lies and infidelity can destroy relationships and tarnish the innocence of the children of those involved. *What Maisie Knew* is one of James's best-known works alongside classics including *The Ambassadors* and *The Portrait of a Lady*. He was particularly well-known for the acute psychological insight of his writing, which was far ahead of its time. Find out everything you need to know about *What Maisie Knew* in a fraction of the time. This in-depth and informative reading guide brings you: A complete plot summary, Character studies, Key themes and symbols, Questions for further reflection. Why choose BrightSummaries.com? [What Maisie Knew; A novel](#) Henry James, 2025-08-31. Reproduction of the original. The Antigonos publishing house specialises in the publication of reprints of historical books. We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage.

[What Maisie Knew](#) Henry James, 1898. After her parents' bitter divorce, young Maisie Farange finds herself shuttled between her selfish mother and vain father, who value her only as a means for provoking each other. And when both take lovers and remarry, Maisie, solitary, observant, and wise beyond her years, is drawn into an increasingly entangled adult world of intrigue and sexual betrayal until she is finally compelled to choose her own future.

[What Maisie Knew](#) Henry James, 2006-12-01. The narrative delves into the character of the protagonist and explains the deepest fears, miseries, and joys experienced by children. James has portrayed a morally decaying society and its effects on family life. The book is a sharp indictment on the morally corrupt and frivolous and conveys a deep message for leading responsible and reasonable lives.

What Maisie Knew Henry James, 2008-08-14. *What Maisie Knew* (1897) represents one of James's finest reflections on the rites of passage from wonder to knowledge and the question of their finality. The child of violently divorced parents, Maisie Farange opens her eyes on a distinctly modern world. Mothers and fathers keep changing their partners and names while she herself becomes the pretext for all sorts of adult sexual intrigue. In this classic tale of the death of childhood, there is a savage comedy that owes much to Dickens. But for his portrayal of the child's capacity for intelligent wonder, James summons all the subtlety he devotes elsewhere to his most celebrated adult protagonists. Neglected and exploited by everyone around her, Maisie inspires James to dwell with extraordinary acuteness on the things that may pass between adult and child. In addition to a new introduction, this edition of the novel offers particularly detailed notes, bibliography, and a list of variant readings.

ABOUT THE SERIES For over 100 years, Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other

valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more **The Chap-Book** ,1898 **What Maisie Knew (Unabridged)** Henry James,2015-03-31 This carefully crafted ebook What Maisie Knew Unabridged is formatted for your eReader with a functional and detailed table of contents What Maisie Knew is a novel by Henry James It tells the story of the sensitive daughter of divorced irresponsible parents The book is also a masterly technical achievement by James as it follows the title character from earliest childhood to precocious maturity When Beale and Ida Farange are divorced the court decrees that their only child the very young Maisie will shuttle back and forth between them spending six months of the year with each The parents are immoral and frivolous and they use Maisie to intensify their hatred of each other Beale Farange marries Miss Overmore Maisie s pretty governess while Ida marries the likeable but weak Sir Claude Maisie gets a new governess the frumpy somewhat ridiculous but devoted Mrs Wix Henry James 1843 1916 was an American British writer who spent most of his writing career in Britain He is regarded as one of the key figures of 19th century literary realism *Critical Companion to Henry James* Eric L. Haralson,Kendall Johnson,2009 Examines the life and writings of Henry James including detailed synopses of his works explanations of literary terms biographies of friends and family and social and historical influences

Versions of Pygmalion Joseph Hillis Miller,1990 The literary school called deconstruction has long been dogged by the charge that it is unprincipled its doors closed to the larger world of moral and social concern J Hillis Miller one of America s leading teacher critics sets the record straight by looking into a series of fictions that allow him to show that ethics has always been at the heart of deconstructive literary criticism Miller proves his point not by assertion but by doing deconstruction is here in the hands of a master teacher Miller s controlling image is Ovid s Pygmalion who made a statue that came alive and whose descendants the incestuous Myrrha the bloodied Adonis then had to bear the effects of what he did All storytellers can be seen as Pygmaliions creating characters personification who must then act choose and evaluate what Miller calls the ethics of narration If storytellers must be held accountable for what they create then so must critics or teachers who have their own stories to tell when they write or discuss stories If the choices are heavy they are also Miller wryly points out happily unpredictable The teacher s first ethical act is the choice of what to teach and Miller chooses his texts boldly As an active reader the kind demanded by deconstruction Miller refashions each story another ethical act an intervention that may have social political and historical consequences He then looks beyond text and critical theory to ask whether writing literature reading it teaching it or writing about it makes anything happen in the real world of material history

Unveiling the Energy of Verbal Art: An Emotional Sojourn through **What Maisie Knew Book**

In a global inundated with screens and the cacophony of quick connection, the profound energy and emotional resonance of verbal art often diminish in to obscurity, eclipsed by the continuous assault of sound and distractions.
