

What Does It Mean to Be Safe?

A thoughtful discussion
for readers of all ages
about drawing healthy
boundaries and
making safe choices

"This book should be required
reading. Not only is this message
great for kids, but it's also a powerful
reminder of how caring adults can
help children feel safer."

Kevin L. Delker,2023-04-19 About the Book Dave has been working feverishly on a cure for what many believe is a curse

straight from Satan himself the werewolf With the help of his assistant Ashley Dave uses his years of scientific expertise to begin to understand not just how the next generation of werewolves came into being but how everything they thought they knew about werewolves how they can be killed who and what can be infected doesn't appear to apply to this new breed To make matters more dire it appears that these werewolves are killing and eating humans to survive Will Dave and Ashley find a cure for this new generation of werewolves before it is too late About the Author Kevin L Delker resides in Wyoming where he works as a truck driver He enjoys fishing hunting and spending time with his kids His idea for Werewolves The Next Generation was born out of his interest in wolves cougars and cryptids like Bigfoot Informal Fallacies Douglas N. Walton,1987-01-01 The basic question of this monograph is how should we go about judging arguments to be reasonable or unreasonable Our concern will be with argument in a broad sense with realistic arguments in natural language The basic object will be to engage in a normative study of determining what factors standards or procedures should be adopted or appealed to in evaluating an argument as good not so good open to criticism fallacious and so forth Hence our primary concern will be with the problems of how to criticize an argument and when a criticism is reasonably justified
