Walking in the Dust of Rabbi Jesus Lois Tverberg, 2012-03-06 In this ebook download of *Walking in the Dust of Rabbi Jesus* Lois Tverberg challenges readers to follow their Rabbi more closely by reexamining his words in the light of their Jewish context Doing so will provide a richer deeper understanding of his ministry compelling us to live differently to become more Christ like We ll begin to understand why his first Jewish disciples abandoned everything to follow him to live out his commands Our modern society with its individualism and materialism is very different than the tight knit family oriented setting Jesus lived and taught in What wisdom can we glean from his Eastern biblical attitude toward life How can knowing Jesus within this context shed light on his teachings for us today In *Walking in the Dust of Rabbi Jesus* we ll journey back in time to eavesdrop on the conversations that arose among the rabbis of Jesus day and consider how hearing Rabbi Jesus with the ears of a first century disciple can bring new meaning to our faith And we ll listen to Jewish thinkers through the ages discovering how ideas that germinated in Jesus time have borne fruit Doing so will yield fresh practical insights for following our Rabbi s teachings from a Jewish point of view *Follow My Footprints* Sylvia Barack Fishman, 1992 This anthology focuses on women in Jewish fiction and presents a vivid panorama of Jewish life in the United States over the past one hundred years **Footprints in Parchment** SANDRA SWEENEY SILVER, 2013-05-15 *Footprints in Parchment* Rome Versus Christianity 30 313 AD masterfully tackles the question How did a group of Christians with no homeland and no standing army defeat the juggernaut of ancient Rome Using hundreds of first hand accounts of events Silver guides the reader through the rise and the reach of Imperial Rome to its eventual ruin and rescue by the infant Christian Church Over a three hundred year period Rome killed tens of thousands of Christians in an attempt to eradicate this new religion that it correctly intuited would bring Rome to its knees Tertullian had said in the early 200s The blood of the martyrs is the seed of the church Why did Rome kill all those people just because they believed in a Jewish carpenter from an obscure part of her Empire and why did so many Christians willingly die The martyrs died for the religious freedom to publicly say the words Christianus sum I am a Christian They won that right Rome Versus Christianity leads the reader down the road of Romes decline and Christianitys rise There are many fascinating sights along the way **God Loves Us** Robert Ridings, 2015-08-21 *God Loves Us* consists of thirteen lessons that reveal Gods love for you Each weekly lesson has seven daily challenges for the week These challenges are aimed in helping you walk each day with the Lord knowing how he reveals his perfect love for you Knowing his love brings a lasting peace and joy that only comes from God through the Spirit At the end of each day there are five questions to answer enabling you to reflect on the day The goal of the thirteen weekly lessons with seven daily challenges per week is to renew the mind where walking and communing with Lord will become natural The more we commune with praise and thank God the more natural it becomes because God created us to walk with him As you complete these weekly lessons and daily challenges it is my prayer that you will trust the Lord more and live life to the fullest with
