Atlantic convoys His answer is bizarre and fantastic Could it really be that the enemy are in touch with supernatural powers Can these powers only be overcome by those who have the knowledge and courage to join battle with them on the Astral Plane The Haunting of Toby Jugg is a stirring psychological thriller adapted into the movie The Haunted Airman starring Robert Pattinson Toby Jugg a fighter pilot shot down in combat is now confined to his bed with little hope of walking again He is also the heir to a considerable fortune a fortune that is being administered by a board of trustees until he comes of age But night after night out there in the moonlight Something is trying to get in at the bedroom window A huge malevolent Something Something not of this world Is Toby hallucinating Or is Something real and evil striving to reach him As one reviewer says this is a masterclass in how to write suspense
