Sex, Death, and Minuets David Yearsley,2019-07-11 Insightful commentary on the Bach family s musical life and the culture in which the Bachs lived Important and fascinating Highly recommended Choice At one time a star in her own right as a singer Anna Magdalena 1701 60 would go on to become through her marriage to the older Johann

Sebastian Bach history's most famous musical wife and mother The two musical notebooks belonging to her continue to live on beloved by millions of pianists young and old Yet the pedagogical utility of this music long associated with the sound of children practicing and mothers listening has encouraged a rosy and one-sided view of Anna Magdalena as a model of German feminine domesticity Sex Death and Minuets offers the first in-depth study of these notebooks reanimating Anna Magdalena as a historical subject at once pious and bawdy spirited and tragic In these pages we follow Magdalena from young and flamboyant performer to bereft and impoverished widow David Yearsley explores the notebooks' entries against the backdrop of the social practices and concerns that women shared in eighteenth-century Lutheran Germany What emerges is a humane portrait of a musician who embraced the sensuality of song and the uplift of the keyboard a sometimes ribald wife and oft-bereaved mother who used her cherished musical notebooks for piety and play humor and devotion for living and for dying Fascinating Laurence Dreyfus University of Oxford Yearsley's account will doubtless stand as the definitive account of the Bachs and her notebooks for years to come Bettina Varwig University of Cambridge A warm insightful and compelling portrait Matthew Dirst University of Houston

A Killing in Costumes Zac Bissonnette, 2022-08-09 Stardom fades fast when you're on the line for murder in this debut cozy mystery perfect for fans of Richard Osman and Jenn McKinlay Jay Allan and Cindy Cooper were soap opera stars in the late 90s a wholesome young husband and wife duo who combined musical talent with humor and charisma When the truth about their sexual orientations came to light their marriage and TV careers ended but decades later they have remained friends Together they open Palm Springs' chicest movie memorabilia store Hooray for Hollywood but no customers and dwindling finances spell trouble A Hail Mary arrives in the form of Yana Tosh a ninety-year-old diva of the silver screen who has amassed a valuable collection of costumes and props and is looking to sell But first Jay and Cindy have to beat their competition a vice president from a mega auction house with ten times their resources And when he winds up dead they become prime suspects in the murder With their freedom and livelihoods on the line Jay and Cindy desperately need to clear their names There are plenty of other potential suspects but they'll have to solve it soon before they're forced to trade in their vintage costume collection for two orange jumpsuits

Mac OS X Leopard Mike Lee, Scott Meyers, 2008-05-14 Good computer books make assumptions about the reader what they do and don't know when they pick up the book and what they want to know when they put it down For each reader this could be very different therefore a book that suits one person may not be the best for another Mac OS X Leopard Beyond the Manual makes some assumptions too ones that tend to differ from other Mac OS X books First of all we assume that you have used a computer in that past that you know how to use a mouse and you know the proper place to stick a DVD to get it to play in your computer We won't be showing you these things We will however demonstrate to our Mac converts how to right-click on a trackpad with only one button Second we assume you know what you want to do with your computer We won't waste your time showing you specifically step-by-step how to order a pizza from Pizza Galaxy in

Milwaukee Wisconsin with Safari though when you're done with this book we think you'll be able to do this just fine if such a place exists anyway Finally we assume that you are a reasonably intelligent person who realizes the value of such phrases as Give a man a fish you have fed him for today Teach a man to fish and you have fed him for a lifetime and can imagine how that might apply to a computer book If this sounds like you then we think you'll find this book rewarding Inside you will find everything you need to get up to speed with Mac OS X Leopard including Using the standard included Leopard applications including Mail Safari Preview and more Taking advantage of the Darwin subsystem in Leopard Learning all the ins and outs of the Finder and Leopards improved interface Administering your computer for yourself and for others Working with other computers and operating systems from your Mac Configuring the network to take full advantage of the powerful networking capabilities in Leopard Working with add on devices via USB Firewire and Bluetooth Effectively implementing data backup recovery and security Getting started with OS X development in Leopard

A Killing In The City John Holt, 2012-08-29 To make a killing in the City is a phrase often used within the financial world to indicate making a large profit on investments or through dealings on the stock market the bigger the profit the bigger the killing However Tom Kendall a private detective on holiday in London has a different kind of killing in mind when he hears about the death of one of his fellow passengers who travelled with him on the plane from Miami It was suicide apparently a simple overdose of prescribed tablets Kendall immediately offers his help to Scotland Yard He is shocked when he is told his services will not be required They can manage perfectly well without him thank you
