Whos Your Father Returning To The Love Of The Biblical God:

Who's Your Father? Robert Bernecker, 2013-07-08 How Big Is Your God Kirkus calls Who's Your Father a bright examination of modern Christianity adding that Bernecker's points are well researched and well articulated giving the reader a thought provoking look at the modern definition of God This eye opening new book challenges readers to reevaluate their perceptions of God and it thoughtfully exposes many misconceptions that are commonly found in the church of our day Readers are led into a deeper understanding of the real God of the Bible and shown the path to a new and immensely satisfying relationship with their loving Father This compelling work is a thought provoking and inspirational examination of how today's church views God As the church struggles to truly experience the unchanging love of our heavenly Father and to rest confidently in God's perfect purpose for each of our lives the cause of this crucial deficiency is usually overlooked Who's Your Father explains how our concept of God has grown increasingly flawed and it reveals how we have been taught to view our sovereign Father as a benevolent gentleman who won't interfere with human free will By fostering this view we've unknowingly created a weak unreliable and frustrated God who we falsely believe will only occasionally choose to use his divine power to actively work in our lives in a powerful and effective manner Writing from the down to earth perspective of a well versed layperson Bernecker skillfully shows how we rob ourselves of incredible blessings when we miss the vital connection between the unlimited sovereignty and the unbounded love of the true God of the Bible An illuminating look at the true nature of God and his dealings with mankind this extraordinarily insightful book will change readers lives across the globe
