

Why do we read literature?

Literature represents a language or a people: culture and tradition. But, literature is more important than just a historical or cultural artifact. Literature introduces us to new worlds of experience. We learn about books and literature; we enjoy the comedies and the tragedies of poems, stories, and plays; and we may even grow and evolve through our literary journey with books.

Why Do We Read Literature:

Introduction to Literature Asst. Prof. Dr. Nares Surasith, Introduction to Literature Presenting The History of English The Historical and Literary Backgrounds of Literature Prepare you for Further Studies in literature The writer composed in fact summarized this book when he was a PhD student English Literature for teaching at Buddhist University Bangkok at that time The content consists of many important items that the beginner of literature learning should know such as background of literature types of literature drama novel poem etc including some well known poets Moreover in this book the periods of literature were classified and explained accordingly I believe that this book will summarize the important issues on literature that the literary learners have to know when studying literature especially English literature Sincerely 10 30 65 *Angel Walks Through the Stage and Other Essays* Jon Fosse, 2015-09-25 Winner of the Nobel Prize in Literature for 2023 Jon Fosse said farewell to theory early in his career choosing poetry fiction and drama as his mediums of choice Here however in a selection from his two books of essays we see just how incisive a critic and memoirist he can be Not only including a generous portion of Fosse's writing on literature and theater including the irresistible Thomas Bernhard and His Grandfather this collection also includes such personal essays such as My Dear New Norwegian Old Houses and He Who Didn't Want to Become a Teacher Literacy and Learning Brett Elizabeth Blake, Robert W. Blake, 2002-11-15 A state of the art compendium of resource materials and current practice that answers two basic questions What is literacy and How do individuals become literate Not long ago literacy simply meant knowing how to read and write Today the study of literacy is a complex field encompassing many different areas from computer literacy to geographic literacy and including several degrees of competence such as functional pragmatic and cultured In addition there are six kinds of readers the submissive the active the semiotic the subjective the psychoanalytic and the interpretive community reader and at least two distinct ways of reading aesthetic reading and rational reading In this comprehensive accessible volume two literacy experts not only help readers understand the latest theories and the heated controversies in this exciting field they also show readers how this vast new knowledge is being applied in successful literacy programs **Why Do I Need Research and Theory?** Jennifer Anderson-Meger, 2016-01-29 This book is based on the idea that social work as a profession can do better with advancing our mission if practitioners are knowledgeable skilled critical thinkers that use research to inform practice This is a user friendly student directed book form to help students understand the connection between knowledge social work research and social work practice This short text will support students in their research course by offering insights as to why research is important how to help students understand how research affects their own future social work practice how their beliefs impact successful learning and practical tips for being successful in research **Teaching Literacy for Love and Wisdom** Jeffrey D. Wilhelm, Bruce Novak, 2015-04-17 This book lays out a new vision for the teaching of English building on themes central to Wilhelm's influential You Gotta BE The Book With portraits of teachers and students as well as practical

strategies and advice they provide a roadmap to educational transformation far beyond the field of English from publisher description Let's Work with English Hazel Simmons-McDonald, 2000 Appendices to Book 1 provide a useful reminder of grammar terms literary terms general language terms and punctuation **A Genealogy of Violence and Religion** James Bernard Murphy, 2018-04-11 Why are religious rituals symbols and rhetoric so full of images of blood sacrifice and death Why does religious fervor so often lead to Holy War Crusade and Jihad No wonder many people assume that religion tends to give rise to violence But what if it were the other way around What if violence actually gave rise to religion So argued the French literary theorist and anthropologist Rene Girard 1923 2015 Described as the Darwin of the human sciences he was elected to the French Academy in 2005 for his seminal theories of sacred violence Girard argued that religious practices function to sublimate regulate and discharge human violence in controlled rituals Where does violence come from According to Girard from the social nature of human desire itself We desire things only because others desire them so desire is inherently rivalrous leading to violent conflict But if a scapegoat can be found then this war of all against all turns into a war of all against one Social order claimed Girard stems from the unity of a lynch mob Religious rituals then serve to commemorate the primordial murder of the scapegoat What are we to make of Girard's provocative claims about human desire violence scapegoat killings and religion Political philosopher James Bernard Murphy presents here a series of sharp and witty dialogues in which Girard attempts to defend his ideas against attacks by rival theorists among them Sigmund Freud William James Simone Weil Elias Canetti and Joseph de Maistre Whatever we might think of his answers Girard asks challenging unsettling questions In these illuminating and lively exchanges Girard squares off with the titans of social theory
