Why Has America Stopped Inventing:

Why Has America Stopped Inventing? Darin Gibby, 2011-09-01 A thoughtful look at our history of innovation the problems with the patent system and the prospects for America's future America loves innovation and the can do spirit that made this country what it is a world leader in self government industry and technology and pop culture Everything about America has at one point or another been an experiment and a leap of faith And one such experiment upon which all others depend for success is the US Patent System Why Has America Stopped Inventing takes a close look at why this experiment appears to be failing and why America has all but stopped inventing Our belief that we are the most innovative people on earth is mistaken Statistics show that today we invent less than half of what our counterparts did a hundred and fifty years ago Where are the groundbreaking inventions comparable to those from the Industrial Revolution Why have we been using the same mode of transportation for over a century Why are we giving trillions to hostile foreign nations for imported oil when we have the talent to solve the nation's energy crisis We don't have these desperately needed technologies because regular Americans have given up on inventing This book explains why comparing the experiences of America's most successful nineteenth century inventors with those of today and sharing fascinating historical anecdotes Jefferson refusing to waste any more weekends examining patent applications Whitney being robbed of his fortune while the South's wealth exploded the patent models that kept British soldiers from burning Washington's last standing federal building the formation of Lincoln's cabinet and Selden crippling the entire US auto industry It also tells the story of the Wright brothers airplane monopoly the Colt revolver's role in the Mexican American War the Sewing Machine wars the last six months of Daniel Webster's life and the fraudulently created Bell Empire

Why America Has Stopped Inventing Darin Gibby, 2011-08-01 Why Has America Stopped Inventing takes a close look at why America's 200 year experiment with patents appears to be failing and why America has all but stopped inventing It explains why our over legislated patent system has snuffed out any incentive to invent desperately needed technologies such as new forms of clean energy Why Has America Stopped Inventing shows how this happened by comparing the experiences of America's most successful 19th century inventors with those of today *Wake Up, America!* Louis Bell, 1906 **Tapeswitch Corporation of America V.
