Why I Am Not a Calvinist Jerry L. Walls, Joseph R. Dongell, 2004-03-26 Paying particular attention to the issue of God's sovereignty Jerry L Walls and Joseph R Dongell critique biblical and theological weaknesses of Calvinist thought *Why I Am Not an Arminian* Robert A. Peterson, Michael D. Williams, 2010-08-03 Exploring biblical theological and historical perspectives Robert A Peterson and Michael D Williams critique problematic aspects of Arminian thought particularly Arminian views on human nature and God's sovereignty **Why I Am Not a Calvinist** Peter S. American Theological Inquiry, Volume Four, Issue One Gannon Murphy, 2011-02-04 American Theological Inquiry ATI reaches thousands of Christian scholars clergy and other interested parties primarily in the U S and U K The journal was formed in 2007 by Gannon Murphy PhD Theology Univ Wales Lampeter Presbyterian Reformed and Stephen Patrick PhD Philosophy Univ Illinois Eastern Orthodox to open up space for Christian scholars who affirm the Ecumenical Creeds to contribute research throughout the broader Christian scholarly community in America and the West The purpose of ATI is to provide an inter tradition forum for scholars who affirm the historic Ecumenical Creeds of Christendom to constructively communicate contemporary theologies developments ideas commentaries and insights pertaining to theology culture and history toward reforming and elevating Western Christianity ATI seeks a critical function as much or more so as a quasi ecumenical one The purpose is not to erase or weaken the distinctives of the various ecclesial traditions but to widen the dialogue and increase inter tradition understanding while mutually affirming Christ's power to transform culture and the importance of strengthening Western Christianity with special reference to Her historic creedal roots Theologians would be theologians and the theologically attentive will want to check out American Theological Inquiry Richard John Neuhaus 1936 2009 First Things **Grace for All** Clark H. Pinnock, John D. Wagner, 2015-03-31 Did Christ atone for the sins of humanity on the cross Does God desire all people to be saved and direct his grace toward all people for that purpose There are some Christians following a deterministic paradigm who believe this is not true They believe God has predestined some people for heaven and many or even most for hell The rising tide of Calvinism and its TULIP theology needs to be respectfully answered Grace for All The Arminian Dynamics of Salvation features a distinguished international panel of scholars to examine this controversy These writers address issues such as election free will grace and assurance They make compelling scriptural arguments for the universality of God's grace contending that Christ atoned for the sins of all people and that God sincerely offers forgiveness for all through Christ This book strives to uncover the biblical position on salvation We hope the reader will enjoy this stimulating series of articles on the Arminian perspective and that it will spur further writing and discussion Grace for All The Arminian Dynamics of Salvation is an updated and revised version of Grace Unlimited a 1975 collection of scholarly articles assembled by the late Clark H Pinnock of McMaster Divinity College The Contributors David J A Clines Jack Cottrell Vernon Grounds William G MacDonald I Howard Marshall Roger Olson Grant Osborne Robert Picirilli Clark Pinnock J

Matthew Pinson Vic Reasoner Glen Shellrude James D Strauss John D Wagner Steve Witzki Why I Became an Atheist John W. Loftus, 2012-10-10 For about two decades John W Loftus was a devout evangelical Christian an ordained minister of the Church of Christ and an ardent apologist for Christianity With three degrees in philosophy theology and philosophy of religion he was adept at using rational argumentation to defend the faith But over the years doubts about the credibility of key Christian tenets began to creep into his thinking By the late 1990s he experienced a full blown crisis of faith In this honest appraisal of his journey from believer to atheist the author carefully explains the experiences and the reasoning process that led him to reject religious belief The original edition of this book was published in 2006 and reissued in 2008 Since that time Loftus has received a good deal of critical feedback from Christians and skeptics alike In this revised and expanded edition the author addresses criticisms of the original adds new argumentation and references and refines his presentation For every issue he succinctly summarizes the various points of view and provides references for further reading In conclusion he describes the implications of life without belief in God some liberating some sobering This frank critique of Christian belief from a former insider will interest freethinkers as well as anyone with doubts about the claims of religion

The Joy of Calvinism Greg Forster, 2012-02-29 The Bible s command to rejoice continually seems impossible and frankly unreasonable Yet despite the apparent difficulty in fulfilling this commandment Gregory Forster argues that Calvinism holds the key namely that real Calvinism is all about joy Forster passionately holds to this belief and systematically demonstrates it by addressing popular misconceptions of what Calvinism is and is not Dismantling negative expressions of Calvinist theology Forster positively reiterates its fundamental tenets showing how God s love is the driving force behind every facet of Calvin s doctrine of salvation Written accessibly **The Joy of Calvinism** is an important addition to the conversation surrounding Calvinism and its advocates Skeptics and those who have had negative perceptions of Calvinism as well as Calvinists themselves will find this a helpful resource for clearing up the controversies and grasping the winsomeness of the doctrines of grace **Tackling Tulip** Grant Ralston, Edward Ralston, 2019-07-24 Tackling TULIP will help Christians understand the errors of Calvinism and why this theological system should be rejected and refuted This book includes a helpful investigation into the key passages that Calvinists use to defend their beliefs Romans 9 Ephesians 1 and John 6 are examined in light of the Calvinistic interpretation and are not seen to teach what Calvinists assert The theological errors that Calvinism presents are also exposed Questions like Do we have free will and Did Christ die for everyone are answered in the affirmative by both church history and biblical revelation Finally the practical problems of Calvinism are explained A belief in Calvinism eliminates the possibility for Christians to have assurance of salvation and tends to diminish the importance of holy living Tackling TULIP will equip the body of Christ to defend against the erroneous theology of Calvinism **Does God Love Everyone?** Jerry L. Walls, 2016-07-29 Does God truly love all persons Most Christians think the obvious answer to this question is Yes of course he does Indeed many Christians would agree that the very heart of the gospel is that God so loved

the whole world that he gave his Son to make salvation available for every single person This book shows that one of the most popular and resurgent theological movements in the contemporary evangelical church namely Calvinism cannot coherently and consistently affirm this vital claim about the love of God While some Calvinists forthrightly deny that God loves everyone more commonly Calvinists attempt to affirm the love of God for all persons in terms that are compatible with their doctrines that Christ died only for the elect those persons God has unconditionally chosen to save This book shows that the Calvinist attempts to affirm God s love for all persons are fraught with severe philosophical and theological difficulties Calvinism then should be rejected in favor of a theology that can forthrightly and consistently affirm the love of God for all persons Nothing less is at stake than the very heart of the gospel
