Why We Belong Evangelical Unity And Denominational Diversity:

Why We Belong Anthony L. Chute, Christopher W. Morgan, Robert A. Peterson, 2013-06-30 Denominations The mention of the word is often enough to spark strong reactions regardless of whether one is for or against them This hopeful new volume made up of contributions from prominent evangelical leaders argues for the importance of denominations highlighting their significant strengths while acknowledging potential weaknesses Contributors from a variety of backgrounds Anglican Presbyterian Baptist Pentecostal Lutheran and Methodist share their own personal stories related to why they identify with a particular tradition and yet still maintain a robust sense of evangelical unity across denominational lines Far from merely highlighting differences this book celebrates the unity that believers enjoy in the gospel for the purpose of fostering productive dialogue and increased understanding within the fragmented landscape of modern evangelicalism **Worship, Tradition, and Engagement** David S. Dockery, James Earl Massey, Robert Smith, 2018-04-20 Worship Tradition and Engagement is designed to honor the life scholarship and influence of Timothy George the founding dean of Beeson Divinity School Timothy George is one of the premier evangelical scholars and leading statesmen of this generation This volume reflects on the many themes of Dean George s life and ministry including theology church history gospel church worship tradition and engagement The book edited by David S Dockery James Earl Massey and Robert Smith Jr includes essays by some of the most notable scholars and leaders of our day including Kevin Vanhoozer Robert P George Albert Mohler Graham Cole Gerald Bray Elizabeth Newman Richard Mouw Thomas Guarino Will Willimon and several others Each author makes a distinctive and significant contribution to this important project bringing depth and breadth to this thematic volume designed to honor scholar and Christian leader Timothy George *Handbook of Denominations in the United States, 14th edition* Roger E. Olson, Frank S. Mead, Samuel S. Hill, Dr. Craig D. Atwood, 2018-05-15 The Handbook of Denominations in the United States has long been the gold standard for reference works about religious bodies in America The purpose of this Handbook is to provide accurate and objective information about the most significant Christian traditions and denominations in the United States today It contains descriptions of over 200 distinct Christian denominations as well as overviews of the several major Christian traditions to which they belong based on shared historical and theological roots and commitments The information for each denomination has been provided by the religious organizations themselves and focuses on the denominations doctrines statistics and histories The 14th edition is completely updated with current statistics new denominations and recent trends The book has been made more useful and manageable by moving very small groups into broader articles while giving more detail and description to the large and influential denominations Retrieval for the Sake of Renewal Christopher R. Hanna, 2022-11-18 To borrow imagery from C S Lewis s The Lion the Witch and the Wardrobe Timothy George s perspective as a historical theologian is the wardrobe that we can walk through to get to Narnia an exciting new place where we discover the wonderful works of Augustine Aquinas Calvin Luther Wesley and many others

George is one of the most respected church historians theologians and Christian educators of our time But how did this Baptist preacher from Tennessee become a premier church historian and follow in the footsteps of great historians like the Harvard scholar George Huntston Williams who was a Unitarian the Duke scholar David Steinmetz who was a Methodist and the Yale scholar Jaroslav Pelikan who was a Lutheran and later Eastern Orthodox This book will uncover how each of these influences contributed to George s eye opening heart warming and kingdom advancing approach to the study of church history

Local and Universal C. Ryan Fields,2024-02-06 How might we reclaim the universality of the church without losing its local situatedness In this SCDS volume C Ryan Fields juxtaposes the Free Church tradition with its Episcopal counterpart arguing that the Free Church tradition can helpfully inform our understanding of the one body of Christ while remaining true to its local roots
