Why We Build Power And Desire In Architecture:

Why We Build Rowan Moore, 2014-09-02 We are living in one of the most dramatic periods in modern architectural history a time when cityscapes are being redrawn on a yearly basis architects are testing the very idea of what a building is and whole cities are invented overnight In this bold and wide ranging new work Rowan Moore former director of the Architecture Foundation now a leading architecture critic explores the reasons behind these changes in our built environment and how they change the way we live in the world Provocative and personal iconoclastic and transforming **Why We Build** is that rarest of things a book about architecture that is also on every page a book about people those chosen few who design buildings and the rest of us who use them every day

Introducing Architectural Theory Korydon Smith, Miguel Guitart, 2024-01-22 Building on the success of the first edition an engaging and reader friendly work on complex ideas **Introducing Architectural Theory** Expanding the Disciplinary Debate broadens the range of themes voices and geographies represented to provide a more comprehensive and contemporary theory book This book presents major discourses in architectural theory and design in a debate like format integrating a series of edited texts across architectural history with context and newly written commentaries by the authors This new edition has been fully revised updated and expanded to include long standing debates such as simplicity vs complexity or the relationship between form and function as well as newer discussions on innovation globalization and social equity Authors Smith and Guitart provide a comprehensive means and conceptual framework for readers to compare multiple points of view The chapter structure discussion questions and additional resources allow teachers to facilitate in class discussions and writing assignments This book remains the most accessible architectural theory textbook written for beginning architecture students and those outside the discipline Its reflective and critical approach will equally engage the minds of upper level students and experts

Makers of Modern Architecture, Volume III Martin Filler, 2018-09-25 An invaluable guide to lives and work of Frank Gehry Antoni Gaudí Frank Lloyd Wright Louis Kahn Maya Lin and other important figures of 20th and 21st century architecture Martin Filler's contribution to both architecture criticism and general readers understanding is invaluable according to Publishers Weekly This latest installment in his acclaimed **Makers of Modern Architecture** series again demonstrates his unparalleled skill in explaining the revolutionary changes that have reshaped the built environment over the past century and a half These studies of more than two dozen master builders women and men celebrated and obscure idealists and opportunists range from the environmental pioneer Frederick Law Olmsted and the mystical eccentric Antoni Gaudí to the present day visionaries Frank Gehry and Maya Lin Filler's broad knowledge embraces everything from the glittering Viennese luxury of Josef Hoffmann to the heavy duty construction of the New Brutalists from the low cost postwar suburbs of the Levitt Brothers to today's super tall condo towers on Manhattan's Billionaire's Row Sometimes the interplay of social and political forces leads to dark results as with Hitler's favorite architect Albert Speer and interior designer Gerdy Troost More often though heroic figures including

Frank Lloyd Wright Louis Kahn and Lina Bo Bardi offer uplifting inspiration for the future of the one art form we all live with and in every day

House Lessons Erica Bauermeister, 2020-03-24 A Real Simple Best Book of the Year A deeply moving story of an epic home renovation in the Pacific Northwest from New York Times bestselling author of The Scent Keeper In this mesmerizing memoir in essays Erica Bauermeister renovates a trash filled house in eccentric Port Townsend Washington and in the process takes readers on a journey to discover the ways our spaces subliminally affect us A personal accessible and literary exploration of the psychology of architecture as well as a loving tribute to the connections we forge with the homes we care for and live in this book is designed for anyone who's ever fallen head over heels for a house It is also a story of a marriage of family and of the kind of roots that settle deep into your heart Discover what happens when a house has its own lessons to teach in this moving and insightful memoir that ultimately shows us how to make our own homes and lives better for anyone who has wondered where home is and how to find it fix it love it and leave it for later as well Laurie Frankel New York Times bestselling author of This Is How It Always Is

What Architecture Means Denise Costanzo, 2015-07-24 What Architecture Means introduces you to architecture and allows you to explore the connections between design ideas and values across time space and culture It equips you to play an active and informed role in architecture either as a professional or as a consumer client and citizen By analyzing famous and everyday buildings while presenting and questioning the positions of important architects and theorists this book will help you to evaluate and decide what qualities ideas and values you believe are important in architecture You'll learn How various definitions of architecture establish different relationships with all buildings and even non buildings How buildings express and accommodate ideas of the sacred the family and the community What an architect is and what priorities they bring to design and construction How an architect's expertise relates to that of the engineer and why these are distinct disciplines About values like beauty originality structural expression and cultural memory and their purpose in architectural design About the interests and ethical values that architects and architecture serves and promotes Topics include sacred spaces the house the city architects and engineers aesthetics and design originality and method technology and form memory and identity and power and politics

House and Home Thomas Barrie, 2017-03-16 House and home are words routinely used to describe where and how one lives This book challenges predominant definitions and argues that domesticity fundamentally satisfies the human need to create and inhabit a defined place in the world Consequently house and home have performed numerous cultural and ontological roles and have been assiduously represented in scripture literature art and philosophy This book presents how the search for home in an unpredictable world led people to create myths about the origins of architecture houses for their gods and house tombs for eternal life Turning to more recent topics it discusses how writers often used simple huts as a means to address the essentials of existence modernist architects envisioned the capacity of house and home to improve society and the suburban house was positioned as a superior setting for culture and family Throughout the book house and home are critically

examined to illustrate the perennial role and capacity of architecture to articulate the human condition position it more meaningfully in the world and assist in our collective homecoming The Disneyland Book of Lists Chris Strodder, 2015-03-23 The Disneyland Book of Lists offers a new way to explore six decades of Disneyland history Hundreds of fascinating lists cover the past and present and feature everything from the park's famous attractions shops restaurants parades and live shows to the creative artists designers characters and performers who have made Disneyland the world's most beloved theme park Inside the pages of this fun and fact filled book you will find 13 of Walt Disney's Disneyland Favorites 32 Signs and Structures Reminding of Disneyland's Past A Dozen Scary Moments on Disneyland Attractions 47 Disneyland Parades 18 Secrets in the Haunted Mansion 30 Jokes from the Jungle Cruise 25 Special Events You May Not Have Heard Of 15 Urban Legends 123 Celebrity Guests 26 Attractions and Exhibits with the Longest Names 11 Movies Based on Disneyland Attractions A Dozen World Records Set at Disneyland In addition to lists created by author Chris Strodder The Disneyland Encyclopedia the book will include lists from celebrities Disneyland experts and historians Disneyland Imagineers and designers and other current and former Disneyland employees People have been making lists since Biblical times think Seven Wonders of the Ancient World compiled 2 100 years ago and to this day various top tens hit parades and bucket lists chronicle every aspect of our lives But until now no book has used lists to categorize all the diverse elements in Disneyland Fun fascinating factual and sixty years in the making The Disneyland Book of Lists is the only Disneyland book of its kind

Florence Nightingale at Home Paul Crawford, Anna Greenwood, Richard Bates, Jonathan Memel, 2020-11-13 Winner of the 2021 2022 People's Book Prize Best Achievement Award Homes can be both comforting and troubling places This timely book proposes a new understanding of Florence Nightingale's experiences of domestic life and how ideas of home influenced her writings and pioneering work From her childhood homes in Derbyshire and Hampshire she visited the poor sick in their cottages As a young woman feeling imprisoned at home she broke free to become a woman of action bringing home comforts to the soldiers in the Crimean War and advising the British population on the home front how to create healthier contagion free homes Later she created Nightingale Homes for nursing trainees and acted as mother in chief to her extended family of nurses These efforts inspired by her Christian faith and training in human care from religious houses led to major changes in professional nursing and public health as Nightingale strove for homely compassionate care in Britain and around the world Shedid most of this work from her bed after contracting the debilitating illness brucellosis in the Crimea turning her various private homes into offices and households of faith In the year of the bicentenary of her birth she remains as relevant as ever achieving an astonishing cultural afterlife *Humbling Faith* Peter Admirand, 2019-03-22 This is a book hoping to embolden doubt and sharpen unanswerable questions all in the context of loving the self and one another Ridiculously it believes the world can be healed through such a hope It is especially addressed to those allergic to the word faith and others who feel confident and proud in the faith they profess or system of thought they live by *Humbling Faith* helps us see how our beliefs or

non beliefs our belongings and identities often remain flawed myopic self absorbed unredeemed The hope is that such awareness of our brokenness can fuel greater ethical partnerships and dialogue promoting peace from our recognized need for one another Humbling Faith is not only a resource towards humbling other faiths but most importantly your own The American Architect and Building News ,1878 **The British Architect** ,1912 *The Seven Lamps of Architecture* John Ruskin,1865 **Architect and Engineer** ,1919 **Facilitating Software Architecture** Andrew Harmel-Law,2024-11-08 The software architect role is evolving As systems and their interactions with the teams that build run and evolve them become more complex it s often impossible for those playing the traditional architect roles to be everywhere they need to be There s simply too much architecture to be done and the situation has reached a breaking point There s a better way Author Andrew Harmel Law shows you how architects and development teams can collaborate to create and evolve more efficient architectures for their systems Techniques in this book will help you learn how to create a mindset that allows everyone to practice architecture and build the best systems they ve ever experienced With this book you will Understand the new dynamics that affect modern software delivery Learn a methodology that brings software architecture and development together Nurture the fundamental interplay of decisions advice architecture and feedback from running systems Initiate practices that maximize benefits and mitigate risks Create an approach tuned to architecture everyone s skills and your organization s culture *Architecture and Building* ,1896 *Architect and Engineer of California* ,1919 *Building* ,1900 *American Architect and the Architectural Review* ,1890 *The Architect and Contract Reporter* ,1915 *Perspecta* 47 James Andrachuk,Christos C.
