Why We Never Danced The Charleston:

Why We Never Danced the Charleston Harlan Greene, 2005-06-01 The cult classic novel set in the gay underground of 1920s Charleston with a new afterword by the Lambda Literary Award winning author South Carolina 1920s For those young men and women fortunate enough to come from the right families life in Charleston was a party one where the latest craze was a strange new dance called The Charleston But some young men were forced to seek their romances in the shadows where judgment and the law have trouble identifying exactly who is who Decades later whispers emerge of something baffling and tragic that happened back then As an old man confronts those demanding the truth a story of love betrayal and the deadly consequences of repression unfolds A cult favorite by the author of *What the Dead Remember* and *The German Officer's Boy* Harlan Greene's debut novel is restored to print with a new afterword revealing the facts upon which it is based

Nelson, 1993-01-26 Publication of this sourcebook on important gay American fiction writers grants legitimacy and recognition to this rapidly emerging area of literary studies Though wary of canon formation in this groundbreaking work editor Nelson has selected fifty seven writers whose works have received serious critical acclaim and or have won large audiences or in a few cases are worthy of greater attention Included are representative writers of detective fiction and science fiction but not authors of erotic fiction or pulp novels Also excluded are a few novelists whose expressed wishes for privacy were respected Writers and their works are examined in the gay literary context and a majority of the contributing essayists are themselves gay male scholars and writers who bring with them a level of personal and political sensitivity that is generally lacking in non gay assessments of this literature Each entry begins with biographical information proceeds to an interpretive summary of major works and themes provides an overview of critical reception accorded the author and concludes with bibliographies of primary and secondary materials In a lively and perceptive introductory essay Bredbeck inquires into what we mean by gay literature and the inherent tensions in these terms Conceding the impossibility of speaking conclusively of gay literature he nevertheless stresses the importance of the task and ends with a survey of critical studies of the gay male novel and works of gay male criticism **Wallflowers** Temple Bailey, 1927 [Lovers and Beloveds](#) Gary Richards, 2007-05-01 A challenge to traditional criticism this engaging study demonstrates that issues of sexuality and same sex desire in particular were of central importance in the literary production of the Southern Renaissance Especially during the end of that period approximately the 1940s and 1950s the national literary establishment tacitly designated the South as an allowable setting for fictionalized deviancy thus permitting southern writers tremendous freedom to explore sexual otherness In *Lovers and*

Beloveds Gary Richards draws on contemporary theories of sexuality in reading the fiction of six writers of the era who accepted that potentially pejorative characterization as an opportunity Truman Capote William Goyen Harper Lee Carson McCullers Lillian Smith and Richard Wright Richards skillfully juxtaposes forgotten texts by those writers with canonical works to identify the complex narratives of same sex desire In their novels and stories the authors consistently reimagine gender roles centralize homoeroticism and probe its relationship with class race biological sex and southern identity This is the first book to assess the significance of same sex desire in a broad range of southern texts making a crucial contribution to the study of both literature and sexuality *Journal of Popular Literature* ,1987 **Good Housekeeping** ,1926 Jim Kobak's Kirkus Reviews ,1991 *American Bookseller* ,1985 Boys of Life Paul Elliott Russell,1992 In this powerful novel the acclaimed author of *The Salt Point* portrays a coming of age overshadowed by an ominous infatuation with a dangerous man Owen Kentucky just isn't big enough for Tony Blair Bored with small town life already a problem drinker at 17 Tony is restless ideal prey for Carlos Reichart a Warhol esque filmmaker **Untold Millions** Laura Zimetkin Hobson,1982 **AB Bookman's Weekly** ,1994 Psychoanalysis and Contemporary Thought ,1994 *Bitter Sweet* Noel Coward,1929 City of the Silent Ted Phillips,2010 A guide to more than two hundred of the most famous infamous and influential individuals now interred in the iconic Charleston landmark Charleston is a city of stories As in any city of historical significance some of its best stories now lie buried with its dead Ted Ashton Phillips Jr was custodian of many of the stories of those Charlestonians interred in Magnolia Cemetery the picturesque burial ground located along the Cooper River north of downtown Phillips's fascination with Magnolia began at the age of sixteen when he worked there as a groundskeeper and assistant gravedigger He followed his passion into the research represented in this collective biography of more than two hundred representative Charlestonians from many eras now buried among the thirty thousand permanent residents of Magnolia Cemetery Taking its title from the poem that William Gilmore Simms delivered at the 1850 consecration of the cemetery *City of the Silent* is a unique guide to some of the complex personalities who have contributed to the Holy City's rich culture The book includes entries on writers artists statesmen educators religious leaders scientists war heroes financiers captains of industry slave traders socialites criminals victims and others Some of these men and women are as distinguished as author Josephine Pinckney civil rights champion J Waties Waring and artist Alice Ravenel Huger Smith Others are as notorious as bootlegger Frank Rumpty Rattles Hogan adulterous killer Dr Thomas McDow and brothel keeper Belle Percival Most of Phillips's subjects achieved prominence while alive but a few are better known for their manner of death The members of the third and final crew of the Confederate submarine H L Hunley interred with great ceremony in 2004 after the discovery of their vessel in Charleston harbor are among the newest Magnolia residents depicted in the portrait gallery Each authoritative profile offers a vivid depiction of a memorable individual rendered in conversational tone with refreshing wit and apt anecdotes These artfully braided stories describe an intricate network of family ties civic institutions business enterprises and local
