Why I Hate The Republicans:

Why You're Wrong About the Right S. E. Cupp, Brett Joshpe, 2009-12-01 And on your right ladies and gentlemen please observe The Conservative Conservitus Americanus This fascinating species in habits vast territories across middle America but rarely reveals itself in coastal urban areas It is commonly believed to be uptight humorless and devoid of compassion and is often characterized as racist homophobic and highly eco unfriendly Primary behaviors include unnecessary warmongering tax cutting and gun collecting For decades conservatives have proven to be hopelessly un hip and their mating habits dull They are highly feared and often despised for so few know and understand their true nature Get ready to meet the conservative next door or in the office down the hall the person you never thought in a million years was one of them Lively witty and thought provoking Why You re Wrong About the Right blows the lid off the stereotypes that have long been associated with the American Right and reveals the face of today s conservatives an intellectually and philosophically diverse new breed of young outgoing smart friendly professionals who live and work among liberals everywhere Themselves closet conservatives in Leftoid Land aka Manhattan S E Cupp and Brett Joshpe inject their own unique and colorful points of view into an honest dialogue on conservative ideas in American life and popular culture and draw from interviews with a roster of renowned writers and political personalities including Tony Stewart Tucker Carlson Brian C Anderson Laura Ingraham Pat Toomey David Horowitz Ted Hayes and many more Undercover conservatives reveal your true colors with pride Liberals hug a conservative today And whichever side you find yourself on you ll be engaged surprised and happily re educated when you discover Why You re Wrong About the Right [Why I Hate Republicans](#) Bud Meyers, 2011-09-12 At the height of the Great Depression in 1933 nearly 25% of the U S work force was unemployed almost 13 million people Today in 2011 nearly 10% of the U S work force is unemployed over 14 million people and another 14 million are trying to survive on part time low paying jobs They re called the under employed Millions aren t even included in the U 3 unemployment rate We have approximately 16% of the participating work force that are jobless in America Millions more are trying to survive on no income at all By the end of this year there could be almost 10 million desperate Americans struggling to pay their rent They re called the 99ers or exhaustees those who have exhausted all their unemployment benefits Now the Republicans have been busy trying to cut or reduce unemployment benefits food stamps Medicaid Medicare and Social Security and they couldn t wait it had to be done right now in the middle of The Great Recession with so many people out of work So then how will the 99ers survive After the economy tanked in 2008 I was laid off from my job and never found gainful employment again And like most other conservative Republicans such as Glenn Beck Rush Limbaugh Sean Hannity and Bill O Reilly I too had blamed the Democrats and then later Obama Of course back then I would have blamed Obama for my headache not realizing at the time that it was the constant ranting and raving on Fox News that was giving me my headache The Republicans today especially the radical Tea Party Patriots aren t uniters but dividers and they are ripping this

nation apart doing the exact opposite of what Lincoln would do The Tea Party today reminds me more of the old Southern Dixicrats And it s become all too apparent to anyone in 2011 that ALL the Republicans only represent the very wealthy and the largest of multi national corporations not the common citizen the small business owner or worker Democrats represent real people I finally opened my eyes after 30 years of being a Republican For ten years I too once watched Fox News and also believed everything they told me The title of this book doesn t refer to ALL Republican voters but primarily to the GOP leadership and their enablers As for the book s cover many people might think it depicts my rage and murderous desires to kill Republicans But after reading the book you decide who s stabbing who in the back The title of the painting is aptly named Treachery and it is apropos in that I had felt totally betrayed by the political party I once affiliated with And it common knowledge that Fox News promotes the Republican s agenda and their presidential candidates and is NOT a genuine news channel just because sometimes they report the news sports and weather The day that Glenn Beck accused me of being a socialist and un American and of just wanting a government hand out was the very last straw for me It was then that I had had enough of him the Republicans Fox News and the Tea Party I ve learned that after being a devout Republican all my working life it wasn t the Democrats but the Republicans who had been destroying the middle class and this economy and they almost destroyed me too That s why I hate Republicans and the Fox News Channel

Facts and Falsehoods Concerning the War on the South, 1861-1865 Elizabeth Avery Meriwether,1904 *Facts and Falsehoods Concerning the War on the South 1861-1865* George Edmonds,1904 **Why Democrat?** Rashad L Jackson,2022-10-17 Black people may disagree on many things but on one subject we are astoundingly unified which political party to vote for Black Americans overwhelmingly vote for Democrats Why Do Democrats care more for Black people than Republicans Have Democrats fixed the problems facing Black communities Have liberal policies lifted inner city Blacks out of poverty or made the problems worse With candor and well researched thoughtfulness this book examines many of the issues most important to Black communities asking the question why Democrat In addition what does the Bible have to say about topics such as Abortion Illegal immigration Taxes Gun control The destruction of the family You may or may not agree with all this book s conclusions but one thing is certain Read with an open mind and you will find yourself asking why Democrat Why I Hate Republicans Will Macphate,2011-03-12 A political guide of reasons not to like Republicans For anyone unsure of how to vote or what the pros and cons of the political party s are this is a must read It gives a good insight into what the Republicans stand for

American Economist ,1912 *Feminists Say the Darndest Things* Mike S. Adams,2007 In this book Adams lampooned liberals campus radicalism and the academic left At the outset of his second jaunt across the campus the highly opinionated professor of criminal justice at the University of North Carolina Wilmington explains his reason for targeting feminists I want to find out why they hate us Unleashing salvos of sarcasm he collects his correspondence addressed to feminist students professors activists and administrators including some letters never mailed probably for the best Claiming that feminist

scholar is an oxymoron Adams asserts that feminists have no sense of humor are the biggest censors on college campuses lack the courage to act as individuals engage in widespread academic and personal dishonesty and attempt to solve problems by changing society rather than their own behavior Publisher s description **13 1/2 Reasons Why NOT To Be A Liberal**

Judd Dunning,2020-11-10 THE DEFINITIVE GUIDE TO WINNING AN ARGUMENT WITH A LIBERAL Antifa leftists may still burn this book but more than a few center left individuals will read 13 1 2 Reasons Why NOT to Be a Liberal and develop a new respectful understanding of conservatism Dinesh D Souza Although conservatives outnumber liberals in 44 out of 50 states it s a situation conservatives know very well in today s contentious political environment Conservatives often find themselves in discussions with liberals who relentlessly hammer conservatives with insults accusations and unfounded assumptions about conservatism The question is What is a proud and informed conservative to do The answer is 13 1 2 Reasons Why NOT to be a Liberal And How To Enlighten Others the conservative playbook to persuasive facts and arguments that detail the policies accomplishments and often ignored compassionate nature of the conservative philosophy Presented in an easy to access format Judd Dunning s ideological treatise will empower readers not only to hold their own in an argument with a liberal but also to change hearts and minds or at worst preserve a few more mutually respectful relationships with more ease clarity and dignity Both a current and timeless conservative philosophical and argumentative manifesto made for conservative right leaning independent libertarian or on the fence Americans who are both passionate about politics and love being Americans If you can t achieve a win win civil discussion with a liberal at least you can use 13 1 2 Reasons Why NOT to be a Liberal to land some clear intelligent blows You will no longer serve as a liberal s doormat You can maintain your pride and then move on to someone who really wants to both talk and listen A Freethinker probably a conservative *Ideological Violence* Tygrrrr Express,2010-04-07 Ideological Violence is dedicated to the enraged mobs who try to destroy everything that is decent and right with this world through any means necessary Islamofascist Jihadists use bombs So have many environmentalists animal rights activists college professors college protesters community organizers and other leftist organizations that truly believe in forcing their world view on innocent Americans trying to live their lives in peace and quiet Hollywood sanitizes violence when committed by third world genocidal lunatics while glorifying violence against CPAs wearing red and blue diagonal neckties The author s Judaism has shown him a plethora of liberal Jews that shrug off Osama Bin Laden wielding a bomb and preaching Jihad but froth at the mouth over Pat Robertson wielding a book and preaching love thy neighbor His goal is to end ideological violence and force liberals to confront their own pathological demons and stop blaming conservatives for their own failures Once they realize that we are human beings we can come together and work on solutions to benefit the world If the left insists on war war is what they will get and they will be crushed If this makes him a hero to conservatives resulting in him being sandwiched between a pair of hot Republican Jewish brunettes who fan him and drop grapes into his mouth all the better **8 Reasons Why I am No Longer A Democrat!** Dr. Glenn

Pinckney Sr,2016-11-21 This book is written in this manner size and style to easily show the biblical relevance of our civic actions as well as improving our daily relationship with our Lord My utmost desire is that Born Again Believers embrace the truth of Christ like living not religiously but in reality A reality that transcends tradition customs and we ve always done it this way kind of thinking I grew up in the South where traditions and customs run deep However God s Word inspired me to think about many of these customs For example many Southern Black people regardless of academic achievements pronounces the word ask as axe without thinking about why Also many vote for Democrats their entire lives without any regard to the Democratic Party s Platform the Candidate s stand on abortion homosexuality lesbianism or any other social issues Yet on Sundays they will worship and praise God Then on Tuesdays they will vote in direct contradiction to the very God they worshipped and praised just a few days before We simply vote as Democrats as if it s in our DNA not giving thought to how our vote will enable the enemy of our soul to move against our beliefs our church even our Salvation Is that biblically correct Well as Believers in Jesus the Redeemer of mankind our DNA has been transformed Shouldn t we reflect that change in our daily lives as well as in our civic responses to social issues in our community and our country It is my prayer that the reader will get answers to these and other questions that confront a child of God traveling through this journey of life with the Savior **American Economist and Tariff League Bulletin** ,1912 How to Kill a Black Man Earl Buckingham

American Credo Michael Foley,2007-09-13 American society may be hostile to the thought of ideologies but it possesses a sophisticated but little understood ability to engage in deep conflicts over political ideas while at the same time reducing adversarial positions to legitimate derivatives of American history and development The study asks how this occurs how the sources traditions and usages of core ideas and their derivative compounds animate political discourse and structure the basis of political conflict and how it is possible to sustain a high incidence of competitive value laden argument and principled political conflict within a stable political order The fundamental aim of this study is to examine the traditions and usages of American political ideas within the arena of practical politics By locating them in their respective contexts it will be possible to assess both their changing meanings and their shifting relationships to one another In surveying America's core ideas both in isolation and in combination the book facilitates an informed awareness of their political and cultural leverage as forms of persuasion and sources of legitimacy American Credo roots the examination of American political ideas firmly in the milieu of social drives political movements and contemporary issues within which the ideas themselves are embedded This not only allows the study to investigate the interior properties and traditional priorities of America's key values but permits the theoretical implications and practical consequences of these ideas to be traced and evaluated By marshalling a wide variety of evidence from different disciplines and perspectives and by employing innovative principles of organisation the study offers clarity and depth in support of an inventive explanatory scheme It concludes with a review of the current and likely future challenges to the protocols and conventions surrounding the matrix of ideational coexistence
