Why Would A Loving God:

Why Would a Loving God... ? Thomas a Baldwin, Tony Baldwin, 2015-05-28 Why would God tell Israel to go into certain villages and kill every man woman and child Why is there a Hell Why is Hell Eternal How can we be sure of the truth of scripture How can the creation story be true Does the archeological record support the Bible or not Why is there evil in the world This book will help you know you can trust God s word as truth and teach it without compromise or apology to your children God is unchanging His word is unchanging In the midst of a changing world the one constant you can lean on the rock is God s word **Why Would a Loving God...Send Me to Hell?** Brian B. Keddy, 2009-03 Why would a loving God send me to Hell The title itself is found to be a very common question asked by millions of people from all over the world In fact you have probably heard or have even made the statement yourself and probably have done so more than once Why would a loving God send me to Hell The Lord impressed upon my heart to write this book and to give answers filled with enlightenment in regards to that very question because that statement is made by millions of people literally on a daily basis There are so many different ideas on how to attain Heaven and the righteousness of God Nevertheless many of the ideas presented seem reasonable and most acceptable but are they and will God truly accept what people think and desire There are some people who have gone so far as to question the reality of Hell and have even attempted to simply cast it out of their minds as a non reality Does that then mean Hell ceases to exist What is Hell and what is the divine purpose of Hell Again why would a loving God make and design Hell in the first place These are some of the questions that will be answered and the answers are most challenging and most sobering in so many ways that people will be blessed to be able to come into the knowledge of what is so commonly misunderstood namely Hell the place no one truly wants to exist In fact the answers are eye opening and will shock if not stun many people as to a Whoa and a Whata will send a person to Hell Why Would an All Loving God... ? J. Quinton Friberg, 2017-11-05 If God is all loving and all powerful why does evil suffering death and disease exist in the world If God loves everyone why does He command genocide in the Old Testament Why does He send people to hell eternally Why is slavery in the Bible These difficulties have led millions away from the faith and Christians must be prepared to answer these tough questions **Loving God** Dr. A. LaFountain, 2021-01-04 The single most important task for any Christian is to love God with all their heart with all their soul and with all their mind But what does loving with the mind look like How can we know if our soul love is real And how do we grow in our heart love In this practical and persuasive book Dr LaFountain breaks down these three very distinct types of love She presents each one on a continuum and provides psychological tools for the reader to self evaluate their placement along the continuum Biblical and psychological strategies are provided that help the reader navigate their heart soul and mind towards fully loving God Understanding the uniqueness of the three types of love and how to apply each to our relationship with God allows us to fulfill the first and greatest commandment of loving God Then perhaps when we finally meet God face to face we will hear Well done my good and

faithful servant A MUST READ for anyone serious about growing in their love of God Pastor Stephen Smickley Church Leadership Coach Dr A LaFountain is well placed to explore and develop the application of psychology to Christian behavior In this book she provides a step by step self help practice to guide her readers in fulfilling the primary goal of their religious faith It is a valuable resource inviting reflection change and personal development Dr Michelle Peoples Clinical Psychologist St John of Gods Dublin Ireland

Why Edward Sager,2018-08-14 Possibly one of the most wondered about Question ever is WHY If God is a loving God then WHY all the pain suffering and death and why do bad things happen to good people Biblical scholars have been puzzled over the big WHY s for centuries You might remember that Jesus chose to work with the lowly fishermen of His day instead of the so called biblically educated Since I m a lowly cabinetmaker of my day I heard and was open to listening to things that made sense where 2 2 4 I chose not to accept spiritual concepts based on just believe it by faith void of evidence If I understand correctly it s the Devil that would have us to believe that God the Father would burn and torture us as ONE that s full of vengeance over us breaking the rules But because Jesus agreed to take our place it s said He will now forgive us Humm what s that make the Father out to be if not unforgiving As for me I m going to believe Jesus when He told Philip If you have seen ME you have seen the Father In that statement from Jesus I see the good news of the gospel being that God the Father is just as gracious kind and loving as Jesus even pleading with us to run away from the Devil s picture of Him You ll soon discover a far more important and significant reason than punishment for all the bad and crazy things happening here on our little planet

If There Is a Loving God, Why Do Evil and Suffering Exist? Rodolfo Martin Vitangcol,2022-11-03 Man is intelligent so very intelligent Behold all the scientific and technological wonders man has made that are so breathtaking and mind boggling you would think they are magic Henceforth it baffles me no end to find that when man gets to be faced with the existence of EVIL SUFFERING in our world man is calling God for help as if man is too dumb to know the root and the solution to such a problem And that because such problem of evil and suffering exists how many so called INTELLIGENT MEN have quickly reached the conclusion There just cannot be a God Happy reading

The Process of Loving God Adekunle A. Adeniran,2019-01-11 Is your love for God really apparent to those around you Do you really love the Lord as you claim Or perhaps you do not know how to express genuine love for the One who loves you endlessly This book is here to help you in your pursuit of loving God

Why Does God Seem So Hidden? Joshua C. Waltman,2023-04-06 Why does God seem so hidden obscure and silent Why doesn t he make himself known in a more explicit way to those who dispute his existence This line of questioning presents a perplexing conundrum for Christian theologians On the one hand Christians affirm that God s revelation of himself is sufficient but on the other hand it appears that some genuine seekers remain unconvinced of his existence In recent decades philosopher J L Schellenberg has proposed an argument for atheism that attempts to exploit this apparent contradiction This book offers a new take by approaching the conversation using a Trinitarian theological lens The

character of Trinitarian love shapes the way God communicates in pursuit of relationships. Namely, God desires spiritually oriented communal divine human relationships, and this endeavor necessarily entails hiddenness. This work proposes five spiritual criteria that an individual must meet to be open to having a relationship with the triune God, and these are the criteria that atheists have failed to consider. Articulating these five is exactly what is needed to resolve the vexing theological puzzle of divine hiddenness.

God Created Evil, Why? Larry D. Robinson, 2022-08-01. God Created Evil. Why is a culmination of twenty-five years of study. Frustrated with traditional answers to sincere biblical questions that were not rooted in scriptural proof, the author set out to explore and illuminate truths that will help us all. Sincerity is no guarantee for truth. You can be sincere but be sincerely wrong. Many things in this book will probably surprise and enlighten you. We have veered too far off course. God Created Evil. Why is an attempt to get us back on the right track. Too many truths have been replaced with opinions masquerading as doctrine.

The Christians' God Does Not Exist! Yes, He/She Does! Prncell F. Johnson Jr., 2018-02-22. The Christians' God Does Not Exist. Yes, He/She Does. By Prncell F. Johnson Jr. Carl Sagan, popular astronomer, cosmologist, astrophysicist, and astrobiologist, wrote *We are Star Stuff*, which has taken its destiny into its own hands. The scientific community basically agrees that everything is made of atoms. Prncell F. Johnson Jr. says that they are all wrong. Johnson shows that the material universe, along with us mortals, is one big illusion. For all things are actually incorporeal spiritual, the manifestation of the spiritual being we Christians have come to call God. He says that the realization of and utilization of this fact will enable one to duplicate for himself the so-called miracles of Christ Jesus in degrees, thus proving the existence of this God and the non-existence of matter. Johnson's proof is based upon a law of physics that makes it all but impossible to refute, as the below reviews confirm.

How Could a Loving God ...? James R. Murphy, 2013-07-29. I had the privilege early in my writing career to work with a number of Christian ministries. I found the work both challenging and satisfying, delighted to play some small role in the work of transforming lives that was our common goal. And yet I would often find myself deeply troubled by what I saw. When confronted with personal disaster, and all disasters are personal for someone, the aware believer must sooner or

later ask himself or herself the question How could a loving God allow this In fact it is the question the unbelieving world throws in the face of the Church as an excuse to discount our claims It is an honest and disturbing question Standing in the midst of a developing world slum surrounded by cardboard and corrugated shanties my nose assaulted by open sewers body and throat covered with the fine dust of unpaved streets and watching nursing mothers with eyes devoid of hope I ask myself How could a loving God permit this Does He not hear their cry Standing on a now peaceful coastline littered with the evidence of a killer tsunami is not my God of love touched by the tragedy of whole villages drowned Lassoed to a halt by the desperate pleading gaze of a roomful of Romanian orphans overwhelmed by the need for love of just one much less a hundred does not the heart of my God break At home in Los Angeles walking down a skid row street on a balmy summer night the only shelter the climate itself does not my Lord remember having no place to lay his head How many times in the midst of doing what little I can have I cried out in anguish God it s too much How do You stand it How is it You do not rend the heavens and scatter the stars reaching out in your awesome power to feed the hungry heal the sick comfort the broken and console the lonely How can You possibly know all things and yet do nothing How is it that I being a man of dust with a heart of stone find myself brought to my knees in tears at the plight of my brothers and sisters while You who can do all things remain untouched Aloof Unmoved How do I answer the unbeliever who challenges my assertion that God is love that He knows all things and can do all things and has provided a way out of sin by the death of his Son What do I say when they look around at the world and say If this is what your God is like I want nothing to do with Him With what argument do I refute a child dying of diarrhea who could have been saved by clean water and a few pennies worth of salts When my own heart is pierced with impotent compassion how do I shield my God from the accusatory arrows of suffering For too many years the answer has been I don t know Someday I will For now I stand in faith believing in a God I cannot see and whom I do not understand but whom I know to be love Yes I ve heard the arguments about someday about sovereignty about predestination and sin and the arrogance of man to question the will and motivation of his Maker I ve staunchly defended in public while agonizing in private the answer to what in my opinion is one of the most troubling questions of our times For me the answer to the question How could a loving God has been a key that has opened a new phase in my relationship with a God who I am now persuaded in fact loves the world with a love more amazing than ever before I must warn you however the answer to the title question will usher you into a new responsibility as a child of God because we hold the key and as we discover it in our hand we are called to use it to unlock a new and powerful revelation of the love of God demonstrated to a hurting and unbelieving world We have been given a priceless gift and awesome accountability May the Spirit of God use this simple book written by a broken and unworthy messenger to challenge us all to walk worthy of the high calling of God in Messiah Yeshua

WHY DO HUMANS WORSHIP GODS? Wilberforce Reid,2021 This book was written from a layman s point of view with no bias toward religion or academia The human instinct to worship a superior being and the consequence of this attribute are

evaluated by the author Ever since humans have evolved to the level of consciousness where we started to ask ourselves the question Who am I we conceptualized a god who made it all happen These existential concepts that we have correctly or erroneously adopted come with confusion and contradictions Does an anthropomorphic god who is loving and caring allow or cause a tsunami or pandemic to kill millions of people Would the same loving and caring god allow one group of people to use his name to facilitate the dehumanization pillaging and mass killing of another group of people The answers to these questions are usually not objectively explored because of religious and cultural biases

Sinners in the Presence of a Loving God R. Zachary Manis, 2019-06-03 Why would a perfectly good and loving God consign anyone to eternal suffering in hell In *Sinners in the Presence of a Loving God* R Zachary Manis examines in detail the various facets of the problem of hell considers the reasons why the usual responses to the problem are unsatisfying and suggests how an adequate solution to the problem can be constructed Historically there are four standard explanations of the nature and purpose of hell traditionalism annihilationism the choice model and universalism In Manis s assessment all are deficient in some crucial respect The alternative view that he develops and defends the divine presence model stands within the tradition that understands hell to be a state of eternal conscious suffering but Manis contends avoids the worst problems of its competitors The key idea is that the suffering of hell is not the result of a divine act that aims to inflict it but rather is the way in which a sinful creature necessarily experiences the unmitigated presence of a holy God Heaven and hell are not two places to which the saved and damned are consigned respectively but rather are two radically different ways in which different persons will experience the same reality of God s omnipresence once the barrier of divine hiddenness is finally removed

Supreme God: Body, Will, Wisdom, and Work, The Call to Wonder R. C. Sproul, Jr., 2012 This book asks what it means when Jesus tells us to become like a child and it helps you recapture a childlike spirit From back cover *If There Is a Loving God Why Do Bad Things Happen?* Robert Gabriel, 2014-07-18 WHY DOES GOD ALLOW PAIN SUFFERING One of the most asked and longest running questions of all time is If there is a loving God then why do bad things happen Warning this book will provide some real answers to this question These answers will be actual factual information and not just some made up emotional responses So buckle up and please prepare yourself to read some things that you may have never heard or thought of before

Why Does God Allow Suffering? Robin Gill, 2015-12-10 Robin Gill sensitively examines the various explanations that theologians offer to the problem of why the world contains so much innocent suffering A book for all who want to believe in God but struggle to do so in the face of the pointless cruelty that appears to be built into God s creation
