What motivates you Wicca should never be something you take time out of your regular life to practice The point of a spiritual path such as Wicca is to incorporate your spiritual practice into your daily life without fuss or drama Your spirituality should inform your thoughts opinions and action in daily life as well as in ritual Practicing Wicca every moment of the day should make your life more harmonious not more complicated As organized religions gained more of a stronghold in the world the witch was often associated with unrighteousness evil and heathenism Missionaries could more easily convert impressionable people by accusing the witches of doing evil As modern science came into being there was even more reason to fear the people who lived their lives healing with herbs and praying to the full moon And unfortunately many of these beliefs still linger today in modern times This is part of the reason that the practice is referred to as Wicca and not witchcraft because witches have long had a bad name There are a lot of beliefs about Witches and Pagans Some people are simply misinformed and others just don t want to hear the truth but I m not here to preach on who s right or wrong I m simply here to tell you about Wicca
