Haunting Dream Joyce and Jim Lavene, 2012-12-04 The mayor of Duck North Carolina Dae O'Donnell is a woman with a gift for finding lost things Sometimes it leads her to lost keys or earrings and sometimes it leads her to murder When her boyfriend Kevin's ex-fiance Ann arrives in Duck looking for a second chance Dae suddenly finds herself facing certain heartache And while her romantic life is in shambles she's even more concerned by the sudden change in her gift After touching a medallion owned by a local named Chuck Sparks Dae is shocked when her vision reveals his murder and a cry for help Dae doesn't know what to make of the dead man's plea to Help her until she has another vision about a kidnapped girl Chuck's daughter Betsy With a child missing the FBI steps in to take over the case But Dae can't ignore her visions of Betsy or the fact that Kevin's psychic ex-fiance might be the only person who can help find her **Make Mine a Mystery** Gary

Warren Niebuhr, 2003-04-30 Presents a comprehensive guide for mystery and detective fiction compiling over 2,500 titles from more than 200 authors and including plot overviews a history of the genre and a discussion on collection development

The Gay Detective Novel Judith A. Markowitz, 2015-02-16 Gertrude Stein called it the only really modern novel form that has come into existence yet the mystery genre was a century old before it featured its first gay main character in a novel Since then gay and lesbian detective fiction has been one of the fastest growing segments of the genre It incorporates gay and lesbian cultural elements and offers crossover appeal Its authors call upon a century of development in the mystery genre while providing new more accurate images of lesbians and gay men than generally found in mainstream literature and popular media This groundbreaking study of gay and lesbian detective fiction examines mystery series and historically significant stand-alone novels published since the early 1960s Part I is an overview that describes how these novels make gay and lesbian life visible and forge new powerful images It also examines how they fit into the larger history of mystery fiction The series analyses in Part II are grouped according to the type of main character police officer private investigator amateur sleuth etc Each section discusses main and secondary characters of that type characteristic themes for the group and more The analyses of individual series cover main characters themes plot points and other elements Comments from authors interviewed for this book play a central role in those analyses Part III lists series spanning themes e.g. homophobia the closet

gay marriage and the novels and series that address each of those themes **Women's Studies Index, 1998** G. K. Hall and Co. Staff, GK Hall, 1999 Year Book, Trotting and Pacing United States Trotting Association, 1965 The Advocate, 1998-10-13 The Advocate is a lesbian gay bisexual transgender LGBT monthly newsmagazine Established in 1967 it is the oldest continuing LGBT publication in the United States *Wicked Games* Lily Harper Hart, 2020-07-05 Ivy Morgan knew she was in for a world of hurt when she was sentenced to community service She had no idea just how bad things were going to be though On her first day of picking up trash along the roadside one of her crew members stumbles over a body and it happens to belong to someone she knows Sasha Carmichael was described as a good girl and nobody can figure out how she ended up alone in the woods so close to a road and help and abandoned When Jack Harker and his partner start digging down though some dark possibilities come to the surface It seems Sasha had ties to more than one person on Ivy's work crew which means Shadow Lake's favorite witch is working with a killer Finding the guilty party is difficult especially given the way her crew chief is watching her If Ivy sticks even one toe out of line her community service could be extended That means her wedding is on the brink and her honeymoon might be lost Jack isn't about to let either of those scenarios happen It's going to take both of them working together to solve the crime and even then nothing is guaranteed Hang on to your hats because murder has come to Shadow Lake and this killer might not be done by a long shot *What Do I Read Next?*, 2000
