El talento secreto

Hay una cebra. La cebra es verde y amarilla. La cebra tiene dos brazos y dos piernas. La cebra se llama Julio. Julio tiene un talento especial. El talento especial de Julio es un secreto. Nadie sabe del secreto especial de Julio.

Julio trabaja para una persona famosa que tiene un talento especial también. La persona famosa no es un secreto. La persona famosa es Bruno Mars. El talento especial de Bruno Mars es cantar. Julio trabaja para Bruno Mars. El talento especial de Julio es cantar.

Julio conduce el carro para Bruno. Cada día, Julio y Bruno siempre escuchan música en el carro. Normalmente, Bruno escoge la música. Un día, Julio escoge la música.

Tprs Stories For Spanish:

Mystery Stories to Learn Spanish & English Mayela Hess, 2008-12-18 The mystery story technique has ten steps follow them and enjoy the trip Your classes will enjoy and learn a great deal by telling these Mystery Stories to their classmates The students will improve their writing reading and oral skills not only in the foreign language they are learning but also in their own native tongue Pick up this book and prepare yourself to take a trip with your students in a mysterious and exciting engaging style that will illuminate the way you teach a foreign language Fluency Through TPR Storytelling Blaine Ray, Contee Seely, 1998 This work discusses the success some teachers have had with TPR Total Physical Response storytelling in helping their students achieve fluency in a foreign language *Comprehension Strategies in the Acquiring of a Second Language* Harris Winitz, 2020-10-08 This book provides a critical analysis and account of the development of the Comprehension Approach as a method for language learning The author draws on interrelated sub fields including linguistic theory child language acquisition and educational technology to examine how a comprehension based strategy could have pedagogical potential for adult second language learning While second language pedagogy has to date been dominated by production models this book takes another look at the Comprehension Approach as a possible alternative presenting results from both child first language and adult second language contexts It will be of interest to psycholinguistics and applied linguistics scholars particularly those with an interest in second language teaching and learning **Conference proceedings. ICT for language learning** Pixel, 2013 Teaching Proficiency Through Reading and Storytelling (TPRS) Karen Lichtman, 2018-06-12 This module introduces Teaching Proficiency through Reading and Storytelling TPRS an input based language teaching method TPRS provides a framework for teaching classes completely in the target language even those at the beginner level Through the steps of establishing meaning creating a story that is acted out live in class and reading students understand and use the target language to communicate right away Research shows that over time TPRS creates fluent speakers who excel both on traditional tests and more importantly in real life situations This is a valuable resource on TPRS for world language teachers language teacher educators and second language researchers *The Power of Story* Joan Wink Ph.D., 2017-11-07 Through this book readers will discover that stories can move the human heart and head in ways that research cannot Stories bring together readers writers librarians teachers students and families in the libraries of today and will continue to do so tomorrow Written for all those lovers of literacy this book links libraries and literacies through the power of stories The book is not filled with data in the form of pie charts graphs and tables Rather the truth of the research is grounded in authentic stories that reflect not only the interpretation of data but also the transformative nature of literacies and libraries The author s primary goal is that readers will come to value and use storytelling in their own professional and personal lives to explain and expand on complex concepts and to make information more accessible for all The book begins by presenting anecdotes and the author s personal story to lay the foundation for

what literacies are and what literacy is not An activity Spiral of Literacy allows readers to reflect on their own literacies Chapters that follow each begin with a story that sets the theoretical foundation Each chapter concludes with an action section that demonstrates how to turn theory to practice whether you are in a library a classroom or at home A final chapter envisions what libraries might look like in 10 years through interviews with librarians teachers and others interested in literacy
