

TRACING ESSAY PLAN/NOTES

Following and Tracing

- What has happened to the trust property?
- Two techniques for identifying trust property are following and tracing
- *Foskett v McKeown* 2000:
- '[Following and tracing] are both exercises in locating assets which are or may be taken to represent an asset belonging to the [the beneficiaries] and to which they assert ownership. The processes of following and tracing are, however, distinct. Following is the process of following the same asset as it moves from hand to hand. Tracing is the process of identifying a new asset as the substitute for the old.'

Tracing at common law:

- Shown in *Taylor v Plumer* 1815- 'It makes no difference in reason or law into what other form, different from the original, the change may have been made ... for the product or the substitute for the original thing still follows the nature of the thing itself as long as it can be ascertained to be such, and the right only ceases when the means of ascertainment fail, which is the case when the subject is turned into money, and mixed and confounded in a general mass of the same description' - Lord Ellenborough
- Cannot trace through a mixed fund: *Banque Belge Pour L'Etranger v Hambrouck* 1921
- Can't trace electronic transfers: *Agip (Africa) Ltd v Jackson* (1990)

Tracing and claiming at common law

- Limitation of common law remedies is that you don't have a proprietary remedy
- Personal remedies only: *Lipkin Gorman (a Firm) v Karpnale* (1992)-recognised a principle of unjust enrichment, case facts:
 - Money had and received (on facts of *Lipkin*; conversion available for personal property other than money)
 - Recognised principle of unjust enrichment
 - Recognised change of position defence
- Personal remedy vindicating a proprietary claim: *Jones (FC) & Sons v Jones* 1997

A new role for equitable tracing?

- '[T]racing in equity is (to say the least) a complicated subject and, although the ideal would be to have simple rules of general application, the fact is that the court's approach has, understandably and rightly been influenced by the context in which a tracing problem arises.
- Many of the earlier cases concerned fiduciaries who, without any fraudulent intention and in days when professional rules about segregation of clients' funds

Tracing The Essay Tracing The Essay:

Tracing the Essay G. Douglas Atkins, 2010-02-25 The essay as a notably hard form of writing to pin down has inspired some unflattering descriptions It is a greased pig for example or a pair of baggy pants into which nearly anything and everything can fit In *Tracing the Essay* G Douglas Atkins embraces the very qualities that have moved others to accord the essay second class citizenship in the world of letters Drawing from the work of Montaigne and Bacon and recent practitioners such as E B White and Cynthia Ozick Atkins shows what the essay means and how it comes to mean The essay related to assaying attempting mines experience for meaning which it then carefully weighs It is a via media creature says Atkins born of and embracing tension It exists in places between experience and meaning literature and philosophy self and other process and product form and formlessness Moreover as a literary form the essay is inseparable from a way of life requiring wisdom modesty and honesty The essay was historically notes Atkins the first form to take the experience of the individual and make it the stuff of literature Atkins also considers the essay's basis in Renaissance and Reformation thinking and its participation in voyages of exploration and discovery of that age Its concern is home cosmography to use a term from seventeenth century writer William Habington Responding to influential critiques of the essay's supposed self indulgence lack of irony and absence of form Atkins argues that the essay exhibits a certain sneakiness as it proceeds in through and by means of the small and the mundane toward the spiritual and the revelatory **The Essay At the Limits** Mario

Aquilina, 2021-04-08 In the hands of such writers as Rebecca Solnit Claudia Rankine David Shields Zadie Smith and many others the essay has re emerged as a powerful literary form for tackling a fractious 21st century culture *The Essay at the Limits* brings together leading scholars to explore the theory the poetics and the future of the form The book links the formal innovations and new voices that have emerged in the 21st century essay to the history and theory of the essay In so doing it surveys the essay from its origins to its relation to contemporary cultural forms from the novel to poetry film to music and from political articles to intimate lyrical expressions The book examines work by writers such as Theodor W Adorno Kwame Anthony Appiah Francis Bacon James Baldwin Roland Barthes Maurice Blanchot Ta Nehisi Coates Annie Dillard Brian Dillon Jean Genet William Hazlitt Samuel Johnson Karl Ove Knausgaard Ben Lerner Audre Lorde Oscar Wilde Michel de Montaigne Zadie Smith Rebecca Solnit Wallace Stevens Eliot Weinberger and Virginia Woolf Postmodernism: Foundational essays

Victor E. Taylor, Charles E. Winquist, 1998 **Alexander Pope's Catholic Vision** G. Atkins, 2013-04-26 A fresh look at the greatest poet of early eighteenth century England this highly readable book focuses on Pope's religious thinking and major poems G Douglas Atkins extends the argument that the Roman Catholic poet was no Deist closet or otherwise *Classic*

Essays in Early Rabbinic Culture and History Christine Hayes, 2018-04-17 This volume brings together a set of classic essays on early rabbinic history and culture seven of which have been translated into English especially for this publication The studies are presented in three sections according to theme 1 sources methods and meaning 2 tradition and self invention and

3 rabbinic contexts The first section contains essays that made a pioneering contribution to the identification of sources for the historical and cultural study of the rabbinic period articulated methodologies for the study of rabbinic history and culture or addressed historical topics that continue to engage scholars to the present day The second section contains pioneering contributions to our understanding of the culture of the sages whose sources we deploy for the purposes of historical reconstruction contributions which grappled with the riddle and rhythm of the rabbis emergence to authority or pierced the veil of their self presentation The essays in the third section made contributions of fundamental importance to our understanding of the broader cultural contexts of rabbinic sources identified patterns of rabbinic participation in prevailing cultural systems or sought to define with greater precision the social location of the rabbinic class within Jewish society of late antiquity The volume is introduced by a new essay from the editor summarizing the field and contextualizing the reprinted papers About the series Classic Essays in Jewish History Series Editor Kenneth Stow The 6000 year history of the Jewish peoples their faith and their culture is a subject of enormous importance not only to the rapidly growing body of students of Jewish studies itself but also to those working in the fields of Byzantine eastern Christian Islamic Mediterranean and European history Classic Essays in Jewish History is a library reference collection that makes available the most important articles and research papers on the development of Jewish communities across Europe and the Middle East By reprinting together in chronologically themed volumes material from a widespread range of sources many difficult to access especially those drawn from sources that may never be digitized this series constitutes a major new resource for libraries and scholars The articles are selected not only for their current role in breaking new ground but also for their place as seminal contributions to the formation of the field and their utility in providing access to the subject for students and specialists in other fields A number of articles not previously published in English will be specially translated for this series Classic Essays in Jewish History provides comprehensive coverage of its subject Each volume in the series focuses on a particular time period and is edited by an authority on that field The collection is planned to consist of 10 thematically ordered volumes each containing a specially written introduction to the subject a bibliographical guide and an index All volumes are hardcover and printed on acid free paper to suit library needs Subjects covered include The Biblical Period The Second Temple Period The Development of Jewish Culture in Spain Jewish Communities in Medieval Central Europe Jews in Medieval England and France Jews in Renaissance Europe Jews in Early Modern Europe Jews under Medieval Islam Jews in the Ottoman Empire and North Africa
