Miller,2023-01-24 Carrying around unforgiveness can cause destruction to you and those close to you You ve probably heard this saying a thousand times and if not today will be the first Hurting people hurt people And if you re not careful that same hurt can backfire causing you to repeat the same offense that caused your hurt Studies have shown that anger and bitterness can be a direct correlation with unresolved forgiveness Many mask their hurt in a variety of ways such as chemical abuse physical abuse or even career success to name a few It s easy for someone to say they will never forgive someone for certain pain caused to them but that can certainly change when faced with an unexpected tragedy So you should never say never when it

comes to a change of heart Why Because as the Bible says With God all things are possible In Change of Heart Calvin Hardy Jr a project development engineer refuses to forgive his father for hurting him and his mother after catching him with another woman when he was a teenager He ends up carrying this anger and bitterness into his own family until it backfires against him The trap is set by the devil he s lured into it with a bait chosen specifically for him and voila he falls right into it as the devil planned He makes an unwise and haste decision regarding a job opportunity without really discussing it with his loving wife Elaina causing him to be absent from an important football game for his son And to make matters worse an unthinkable traumatic event happens changing his and his family s lives forever Now Calvin Jr is faced with trying to figure out how to bring healing and reconciliation back to his family
