Trading Faces Dissociation A Common Solution To Avoiding Lifes Pain:

Return to Joy Bev DeSalvo, 2016 In Return to Joy Bev DeSalvo shares her own story of healing from past pain to draw other women along a journey toward intimacy with their Savior The road to healing is arduous and long But when we bow our pain in worship this broken road leads to the heart of God where all masks are removed and divine comfort can be experienced On this journey understanding the true nature of the Father Son and Holy Spirit brings healing and restoration to all father relational and mother wounds Learning to aggressively fight against Satan who is devious but not creative replaces his evil lies with the truth of God so that they no longer define the person Recognizing that God is always with me leads to a place of rest where there is no fear of being rejected or abandoned As a result of these new insights the reader can finally return to joy and experience emotional and spiritual balance Out of the overflow of intimate worship God becomes their refuge provider and protector enabling them to move toward others in forgiveness and true community Includes a ten week Bible study

Trading Faces Quinn Schipper, 2020-04-24 Trading Faces simplifies the understanding of dissociation and addresses it from a spiritual perspective Author Quinn Schipper defines dissociation as a common relational disorder distinguished from psychiatry's definition of a rare virtually incurable mental disorder Schipper proposes that dissociation is surprisingly common a phenomenon most people encounter within themselves or others on a spectrum from mild to complex The good news is that with Jesus there is hope and healing for those who are dissociated something most therapies typically cannot and do not offer Trading Faces addresses bewildering behaviors people experience in themselves and others It illuminates pathways to inner healing that are potentially more thorough than traditional therapy options Readers value real life examples and stories Practical steps for responsibly dialoguing with dissociation bring about the renewal of the mind restoration of the soul and redemption of losses incurred by dissociation Trading Faces is completely revised for this its fifteenth anniversary edition 2020 In 2020 author Quinn Schipper assumed all publishing rights from the original publisher New Forums Press
