Beautifully Broken: My Journey

to a Mended Heart Rhonda Marie Stalb, 2017-04-29 Beautifully Broken My Journey to a Mended Heart is a shocking memoir of Rhonda Marie Stalb's rocky road to peace and joy. It is a journey of adversity and healing. This poignant story shows vividly how God is very aware of our hurts. We see how God is with us every step of the way through the pain, trials, and losses. In her story, Rhonda makes it very evident that our pain can lead us to people who can be the hands and feet of Jesus Christ to help us along the road to healing. God doesn't waste our pain because He transforms the shattered pieces of life into a beautiful masterpiece. It is only by being Beautifully Broken that Rhonda has learned to minister to those who have the same hurts, fears, and dreams. Her goal is to help people who are on a similar road to find their way to being Beautifully Broken.

Helping Those Experiencing Loss Robert J. Grover Professor Emeritus, Susan G. Fowler, 2011-07-13 This book provides a guide for grieving youth and adults as well as extensive descriptive lists of recommended professional literature resources. Grief caused by loss is both a very common human experience and a highly individualized one. For example, children experience a number of losses that are unique to their young age, such as sibling and parent death, adoption, or divorce, and should be given special consideration by professionals and parents helping them in these situations. For gay, lesbian, or cohabiting heterosexual couples that suffer the loss of a partner, societal standards often deny the survivors in these relationships the right to grieve. *Helping Those Experiencing Loss: A Guide to Grieving Resources* is a book like no other, supplying compassionate information for navigating the emotional distress that every man and woman will experience in their lifetime, as well as a comprehensive guide to the literature of bereavement and grieving. It explains the grieving process, interpreting the results of research on the topic in plain language, and addressing specific groups: children, young adults, parents who have lost a child, adults who have lost spouses, and the aging population.

Understanding Addiction and Recovery Through a Child's Eyes Jerry Moe, 2010-01-01 Addiction is one of the biggest dilemmas of the 21st century. Jerry Moe, an addiction professional and National Director of Children's Programs at the Betty Ford Center, has spent more than twenty years treating people and families in recovery. In his latest book, Moe has assembled a rich and wide-reaching collection of poignant stories and humorous anecdotes about children and teens who are navigating their way through the healing process. Whether as victims of parents going through the drug addiction recovery or as addicts themselves, Moe shows how youths can cope through simple techniques and tools he's learned from years of experience, as one of the key and nationally known professionals in addiction.

Culture Changers Tina Webb, 2021-01-05 Tragedy propelled an African American homemaker to desperately seek God for answers. What will it take to free the world from brokenness? She came to understand that when people learn how the curse of sin weaves through families, neighborhoods, and society, they can begin the process of uprooting it. Like the author, many of us are just regular people living our lives daily impacted by personal pain and societal brokenness. We're provoked by the divine words: "Thy will be done on earth as it is in heaven." But how do we bring spiritual, emotional, and relational healing to our family and community? Issues like addiction, fear, and economic hardship can

keep entire families in bondage Tina Webb shares that when we embrace a lifestyle geared toward spiritual emotional and relational health we will have the tools we need to walk alongside people as they learn to break free from the issues that keep them broken

Stories of Transformative Justice Ruth Morris, 2000 Can justice be healing Can crime victims find a new peace through transformative processes that include victims offenders and community in creative solutions that enable all to grow We can turn irritation into iridescence find ways to take the hard blows of life and use the very power of our pain to grow from the experience and create new hope beyond crime or other trauma Forgiveness is an untapped force in our revenge oriented culture These stories show that forgiveness is not condoning or forgetting or failing to set limits Forgiveness is recognizing and acknowledging all that was wrong but refusing to be destroyed by it and refusing to be drawn into a cycle of hatred and bitterness We can change our criminal justice system to include transformative methods We can change our world to one with greater social and economic justice For readers who yearn for realistic hope in these troubled times this is a must read

Suffering and Persecution Myrto Theocharous, 2024-09-17 God s love in Jesus Christ for the salvation and recreation of all things is still the hope of the world This Christian affirmation is the reality that holds all things and holds all things together Yet in today s world it is easy to understand why the church is in pain and declining in its Christian and moral influence Rethinking Church in the 21st Century is the culmination of three years of exploration into the condition of the church around the world today Bringing together a diverse community of Christian voices these essays offer reflections and admonitions to ignite the hearts of pastors and leaders during the dynamic vulnerable and hopeful times we face In this first volume scholars and church leaders from across the globe respond to writings on suffering and persecution The authors examine the universal themes of suffering and address topics such as violence natural disasters and persecution through contextually rooted lenses The resulting essays are an authentic richly diverse collection that offers fresh perspectives for the church to reflect on together

Between Grief and Nothing Lisa C. Hickman, 2025-01-07 In 1962 William Faulkner left his homestead in Oxford Mississippi to travel to the nearby Byhalia sanatorium for alcoholism rehabilitation Mere hours later the usual recovery he sought turned tragic This book traces the sequence of events leading to his initial hospitalization exploring facets of his

emotional instability mental health and various addictions It reveals how Faulkner s fervent passions shaped both his life and his art brilliance and madness emerged in equal measure as the author s substance abuse shaped his reality Beneath the scholarly facade depicted in photographs was a troubled man entangled in a complex marriage seeking solace through serial sexual and romantic affairs perilous pastimes and the pervasive culture of alcohol abuse The ultimate truth surrounding Faulkner s final decline gradually emerges as this book examines previously undisclosed medical details such as patient records administered medications and financial statements Interviews with close associates at the Leonard Wright Sanatorium the sight of his unexpected death provide further insights The text reveals a culture ill prepared to address mental health crises and identifies the habitual forces that hastened the demise of one of America s most celebrated authors
