Trails Of Hope And Terror Testimonies On Immigration:

Trails of Hope and Terror Miguel A. De La Torre, 2009 A conversation on the challenges of immigration that includes the voices of recent immigrants the documented and undocumented A combination of analysis story and artistic expression opens up the complexities of immigration for undergraduates and for all Christians De la Torre's goal is to initiate a civil conversation that can replace the politics of fear that now dominates discussions of immigration **Trails of Hope and Terror** Miguel A. De La Torre, 2009 A conversation on the challenges of immigration that includes the voices of recent immigrants the documented and undocumented A combination of analysis story and artistic expression opens up the complexities of immigration for undergraduates and for all Christians De la Torre's goal is to initiate a civil conversation that can replace the politics of fear that now dominates discussions of immigration **Desperately Seeking Asylum** Helen T. Boursier, 2019-11-19 Told through heart wrenching testimonies photographs and artwork of refugees fleeing their homelands **Desperately Seeking Asylum** describes firsthand accounts of the harrowing and dangerous journey immigrants are willing to endure knowing that they might not even make it onto US soil **Desperately Seeking Asylum** prioritizes the testimonies of refugee families and unaccompanied children who are seeking asylum in the United States from Central America primarily Guatemala El Salvador and Honduras Their desperate and heart wrenching stories disclose why they fled their homelands their experiences along the treacherous overland journey and the harsh reality of how the United States treats these families and children upon arrival to the United States It critiques US complicity to the violence they are fleeing and discloses how national leadership shapes US immigration policies and practices including the blatant documented violations against asylum seekers at the US Mexico border Most notably it offers transparency on US immigration practices at the US Mexico border which violate existing US and international laws that are intended to protect asylum seekers including the current official practice of blocking bridges with turnbacks to prevent inadmissibles from applying for asylum in the United States It explains protections mandated by US law for unaccompanied children who are in US custody and discloses violations which keep these children detained excessive lengths of time in substandard for profit facilities which are overseen by the government and funded by taxpayers Boursier also deconstructs the complicated asylum process including examining the credible fear for asylum procedure showing how technical terms and language are used to justify injustice at the border **Desperately Seeking Asylum** offers hope for a new vision with alternative options and practical actions which assist migrants through humanitarian aid on both sides of the border The witness for compassionate and responsible response by people of conscious becomes an antidote to injustice against asylum seekers Instead of the current administration manipulating US laws to support its ulterior motives and political agenda Boursier asks readers to hold US elected officials accountable to the same Rule of Law that the United States demands of refugees Ultimately Boursier suggests a spectrum of options for practical ways to make the political personal through public witness and civic engagement to transform the broken immigration

process for refugees who are desperately seeking asylum **Dear White Christians** Jennifer Harvey, 2020-07-14 If reconciliation is the takeaway point for the civil rights story we usually tell then the takeaway point for the more complex more truthful civil rights story contained in *Dear White Christians* is reparations from the preface to the second edition With the troubling and painful events of the last several years from the killing of numerous unarmed Black men and women at the hands of police to the rallying of white supremacists in Charlottesville it is clearer than ever that the reconciliation paradigm long favored by white Christians has failed to heal the deep racial wounds in the church and American society In this provocative book originally published in 2014 Jennifer Harvey argues for a radical shift away from the well meaning but feeble longing for reconciliation toward a robustly biblical call for reparations Now in its second edition with a new preface addressing the explosive changes in American culture and politics since 2014 as well as an appendix that explores what a reparations paradigm can actually look like *Dear White Christians* calls justice committed Christians to do the gospel inspired work of opposing racist social structures around them Harvey's message is historically and scripturally rooted making it ideal for facilitating the difficult but important discussions about race that are so desperately needed in churches and faith centered classrooms across the country **The Making of Modern Immigration** Patrick J. Hayes, 2012-02-13 Combining the insight of two dozen expert contributors to examine key figures events and policies over 200 years of U S immigration history this work illuminates the foundations of the ethnic and socioeconomic makeup of our nation The two volume *The Making of Modern Immigration An Encyclopedia of People and Ideas* is organized around a series of four dozen in depth essays on specific aspects of American immigration history since the founding of the Republic This encyclopedia addresses the major historical themes and contemporary research trends related to U S immigration canvassing all the major policy endeavors on immigration in the last two centuries In addition to documenting immigration policy the contributors devote extensive attention to the historiography of immigration supplementing theories with cutting edge sociological data Not content with providing a comprehensive overview of immigration history however the work also offers probing investigations of key figures behind the ideas that have shaped the nation's self understanding Taken as a whole this seminal work lifts out the personalities and policies that surround the composition of America's national identity illuminating the past as a series of lessons for the future *Hispanic American Religious Cultures* Miguel A. De La Torre, 2009-09-10 This encyclopedia is the first comprehensive survey of Hispanic American religiosity contextualizing the roles of Latino and Latina Americans within U S religious culture Spanning two volumes *Hispanic American Religious Cultures* encompasses the full diversity of faiths and spiritual beliefs practiced among Hispanic Americans It is the first comprehensive work to provide historic contexts for the many religious identities expressed among Hispanic Americans The entries of this encyclopedia cover a range of spiritual affiliations including Christian religious expressions world faiths and indigenous practices Coverage includes historical development current practices and key individuals while additional essays look at issues across various traditions By

examining the distinctive Hispanic interpretations of religious traditions Hispanic American Religious Cultures explores the history of Latino and Latina Americans and the impact of living in the United States on their culture *Religion in the Age of Obama* Juan M. Floyd-Thomas, Anthony B. Pinn, 2018-08-23 This is the first book to focus on the significance of religion during President Obama's years in the White House Addressing issues ranging from identity politics immigration income inequality Islamophobia and international affairs Religion in the Age of Obama explores the religious and moral underpinnings of the Obama presidency and subsequent debates regarding his tenure in the White House It provides an analysis of Obama's beliefs and their relationship to his vision of public life as well as the way in which the general ethos of religion and non religion has shifted over the past decade in the United States under his presidency Topics include how Obama has employed religious rhetoric in response to both international and domestic events his attempt to inhabit a kind of Blackness that comforts and reassures rather than challenges White America the limits of Christian hospitality within U S immigration policy and the racialization of Islam in the U S national imagination Religion in the Age of Obama shows that the years of the Obama presidency served as a watershed moment of significant reorganization of the role of religion in national public life It is a timely contribution to debates on religion race and public life in the United States *Religious Ethics and Migration* Ilse Ahn, 2013-11-12 What does it mean to provide justice for undocumented workers who have been living among us without proper legal documentation How can we do justice to the undocumented migrants who have been doing the low skilled low paid jobs unwanted by citizens Why should we even try to do justice for people who violate the laws of the society Religious Ethics and Migration Doing Justice to Undocumented Workers addresses these questions from a distinctive religious ethical perspective the Christian theology of forgiveness and radical hospitality In answering these questions the author employs in depth interdisciplinary dialogues with other relevant disciplines such as immigration history global economics political science legal philosophy and social theory He argues that the political appropriation of a Christian theology of forgiveness and the radical hospitality modeled after it are the most practical and justifiable solutions to the current immigration crisis in North America Critical and interdisciplinary in its approach this book offers a unique comprehensive and balanced perspective regarding the urgent immigration crisis Kids in Cages Emily Ruehs-Navarro, Lina Caswell Muñoz, Sarah Diaz, 2024-11-05 This book provides an interdisciplinary perspective of child migrant detention by bringing together voices from the legal realm the academic world and the on the ground experiences of activists and practitioners The chapters explore the harms of detention while also looking at survival in and resistance to this violent institution **Christianities in Migration** Peter C. Phan, Elaine Padilla, 2016-04-29 This book migrates through continents regions nations and villages in order to tell the stories of diverse kinds of nomadic dwellers It departs from Africa en routes itself toward Asia Oceania Europe and culminates in the Americas with the territories of Latin America Canada and the United States The volume travels through worn out pathways of migration that continue to be threaded upon today and

theologically reflects on a wide range of migratory aims that result also in diverse forms of indigenization of Christianity Among the main issues being considered are How have globalization and migration affected the theological self understanding of Christianity In light of globalization and migration how is the evangelizing mission of Christianity to be understood and carried out What ecclesiastical reforms if any are required to enable the church to meet present day challenges

Healing the Wounds of the Displaced Francisco Zamora Avila,2025 This book invites readers into a new model of ministry on the margins Zamora brings lived experience and a pastoral heart to bear in this unique window into the stress trauma and gifts of undocumented immigrant communities He integrates theology psychology and practical approaches to develop a new ecclesiology for the immigrant church

cognate disciplines in theological education and religious studies Latina Evangélicas Loida Martell-Otero, Zaida Maldonado Pérez, Elizabeth Conde-Frazier, 2013-01-15 *Latina Evangelicas A Theological Survey from the Margins* is a constructive and postcolonial examination of the theology of Protestant Latinas who reside in the United States. Written by three Latinas who have pastored and who teach in Latina o communities, the book seeks to expand beyond Latina feminist and mujerista voices to include those whose perspectives have not yet been heard. It thus introduces an important theological perspective to a wider audience and provides an important resource that has been lacking for evangelicas/os and other marginalized groups who study in various theological programs. Key terminology such as evangelica is defined throughout and a glossary is included for non Spanish speaking readers. Each chapter considers theological themes important to the Latina Protestant worshipping community beginning with a constructive discussion of the doctrine of the Holy Spirit and followed by the doctrines of salvation and Jesus Christ, the Trinity, the church, Scripture, and the last things/eschatology. Given that one of the characteristics of Latina o theologies is their dialogical and collaborative nature, the book concludes with a conversation among the three authors about the theological thinking that took place in its composition. Study questions are included at the end of each chapter **The Wiley Blackwell Companion to Latinoax Theology** Orlando O.

Espin, 2023-04-03 The new edition of the standard resource for those teaching or learning Latinoax theology. Now in its second edition, *The Wiley Blackwell Companion to Latinoax Theology* remains the most up to date, fully ecumenical collection of scholarship in the field. Bringing together contributions by a diverse panel of established scholars and newer voices within various theological disciplines, this comprehensive volume challenges Western readings of Christianity and offers fresh insights into theological truth from varied cultural and ethnic perspectives. The Companion addresses a wide range of Latinoax contexts while highlighting the thought of female, male, and LGBTQ Latinoax scholars in theology, introducing readers to this significant movement. Each chapter provides the historical background of a particular topic, explores its treatment by Latinoax theologians, discusses the current state of the topic, and offers the unique perspective of internationally recognized authors. The revised second edition incorporates recent developments within Latinoax studies, featuring new and expanded chapters that reflect numerous traditions of thought, up to date sources, and methodologies diverse intra Latinoax communities and contemporary Latinoax theologies and theologians. This invaluable and unique companion provides a systematic account of the past, present, and future of Latinoax theology. Features new essays by the most influential voices in the field, incorporating recent research from Catholic, Protestant, and Evangelical scholars. Addresses the Latinoax experience of alienation and marginalization. Represents the wide range of ecclesial and theological traditions. Discusses Latinoax in timely contexts such as politics, immigration, feminism, gender, queer theory, and social and economic justice. Edited by one of the world's leading Latino theologians. *The Wiley Blackwell Companion to Latinoax Theology, Second Edition* is an indispensable resource for academic scholars, undergraduate and graduate students, and instructors in universities and

seminaries covering courses in theology political thought Latinox studies religion in the United States and related topics

Blade Runner 2049 and Philosophy Robin Bunce, Trip McCrossin, 2019-08-20 Blade Runner 2049 is a 2017 sequel to the 1982 movie Blade Runner about a world in which some human looking replicants have become dangerous so that other human looking replicants as well as humans have the job of hunting down the dangerous models and retiring destroying them Both films have been widely hailed as among the greatest science fiction movies of all time and Ridley Scott director of the original Blade Runner has announced that there will be a third Blade Runner movie Blade Runner 2049 and Philosophy is a collection of entertaining articles on both Blade Runner movies and on the spin off short films and Blade Runner novels by twenty philosophers representing diverse backgrounds and philosophical perspectives Among the issues addressed in the book What does Blade Runner 2049 tell us about the interactions of state power and corporate power Can machines ever become truly conscious or will they always lack some essential human qualities The most popular theory of personhood says that a person is defined by their memories so what happens when memories can be manufactured and inserted at will We already interact with non human decision makers via the Internet When embodied AI becomes reality how can we know what is human and what is simulation Does it matter Do AI endowed human looking replicants have civil and political rights or can they be destroyed whenever real humans decide they are inconvenient The blade runner Deckard Harrison Ford appears in both movies and is generally assumed to be human but some claim he may be a replicant What s the evidence on both sides Is Niander Wallace the mad scientist cum evil corporate CEO in Blade Runner 2049 himself a replicant What motivates him What are the impacts of decision making AI entities on the world of business Both Blade Runner and Blade Runner 2049 have been praised for their hauntingly beautiful depictions of a bleak future but the two futures are very different and the 2019 future imagined in the original Blade Runner is considerably different from the actual world of 2019 How have our expectations and visions of the future changed between the two movies The dream maker character Ana Stelline in Blade Runner 2049 has a small but pivotal role What are the implications of a person whose dedicated mission and task is to invent and install false memories What are the social and psychological implications of human AI sexual relations **Across**

Borders Joerg Rieger, 2013-06-20 While work in theology and religious studies by scholars in Latin America and by Latino a scholars in the United States has made substantial contributions to the current scholarship in the field there are few projects where scholars from these various contexts are working together Across Borders Latin Perspectives in the Americas Reshaping Religion Theology and Life is unique as it brings leading scholars from both worlds into the conversation The chapters of this book deal with the complexities of solidarity the intersections of the popular and the religious the example of Afro Cubanisms the meaning of popular liberation struggles Hispanic identity formation at the U S border and the unique promise of studying religion and theology in the tensions between North and South in the Americas *Jesus the Refugee* D. Glenn Butner, 2023 The book argues that the holy family has a limited set of legal options for protection but under current

law is unlikely to receive any Along with the basics of modern refugee law and processes Butner raises ethical challenges to the refugee system indicting our moral failures and daring us to make amends Doing Christian Ethics from the Margins Miguel A. De La Torre, 2014-04-30 Miguel De La Torre opens up Christian ethics to the rich diversity found among those who are often excluded from academic and Eurocentric ethical considerations This book seeks to help students realize that because the gospel message itself was proclaimed to the marginalized peoples of Judea the people who occupy the same disenfranchised spaces in our contemporary cultures are the ones who hold the interpretive key to understanding that gospel message The binding effects of power and privilege institutional or not can be overcome by a justice based ethics that avails itself of the perspectives and experiences of those on the margins Provided by publisher **Missional Fidelity of MoveIn** Micah Kim, 2023-03-06 How can the church go beyond mere social services to having an incarnational evangelistic impact on unreached urban immigrants This work explores how MoveIn a global prayer movement of regular lay Christians has become a model for how the church can authentically and radically share the gospel with unreached neighbors
