Education Policy Outlook 2021 Shaping Responsive and Resilient Education in a Changing World OECD,2021-11-22

Education systems operate in a world that is constantly evolving towards new equilibria yet short term crises may disrupt accelerate or divert longer term evolutions This Framework for Responsiveness and Resilience in Education Policy aims to support policy makers to balance the urgent challenge of building eco systems that adapt in the face of disruption and change resilience and the important challenge of navigating the ongoing evolution from industrial to post industrial societies and economies responsiveness **The Good Retirement Guide 2014** Frances Kay,Allan Esler Smith,2014-01-03

Retirement is a time of opportunity Without the routine demands of working life new ambitions can be realized and experiences enjoyed Yet with so much to consider people are often unsure how best to plan for their future Furthermore with rising retirement ages the closure of many final salary pension schemes poor annuity rates and uncertainty regarding universal benefits the scope for concern and confusion is even greater The Good Retirement Guide is essential reading for all those looking forward to making the most of their retirement and offers clear and concise suggestions and advice on a broad range of retirement related subjects including finance investments pensions annuities benefits and tax housing health holidays starting a business and looking after elderly parents This fully updated edition for 2014 also includes a new chapter on how to protect yourself from scams online and offline **Holidays in the Danger Zone** Debbie Lisle,2016-07-15

Holidays in the Danger Zone exposes the mundane and everyday interactions between two seemingly opposed worlds warfare and tourism Debbie Lisle shows how a tourist sensibility shapes the behavior of soldiers in war especially the experiences of Western military forces in exotic settings This includes not only R R but also how battlefields become landscapes of leisure and tourism She further explores how a military sensibility shapes the development of tourism in the postwar context from Dark Tourism engaging with displays of conflict and atrocity to exhibitions of conflict in museums and at memorial sites as well as advertising film journals guidebooks blogs and photography Focused on how war and tourism reinforce prevailing modes of domination Holidays in the Danger Zone critically examines the long historical arc of the war tourism nexus from nineteenth century imperialism to World War I and World War II from the Cold War to globalization and the War on Terror *Holiday Hunger in the UK* Michael A. Long,Margaret Anne Defeyter,Paul B. Stretesky,2021-08-03

This timely and much needed book focuses on the phenomenon often referred to as holiday hunger in the United Kingdom The book begins by outlining the history and scope of holiday hunger the condition that occurs when a child s household is or will become food insecure during the summer holidays The decline of the UK welfare state and the rise of neoliberalism have created a situation where up to three million children in the UK face food insecurity during the summer months when there are extra financial pressures on the working poor and when free school meals are not available This book details the level of childhood and household food insecurity in the UK and describes one of the main responses to holiday hunger holiday clubs

These clubs are locally organised and funded and provide a place for children to go to eat nutritious meals for free during the school holidays Highlighting the benefits of holiday clubs that often extend beyond food provision this book also discusses the challenges that they face now and in the future The book concludes with recommendations for food insecurity policy and the role of government in fighting holiday hunger This book will be of great interest to students and scholars of food and

Short-Term Load Forecasting using Machine Learning Methods Sylwia Henselmeyer, 2024-10-08 Maintaining the balance between generation and consumption is at the heart of electricity grid operation A disruption to this balance can lead to grid overloads outages system damage rising electricity costs or wasted electricity For this reason accurate forecasting of load behavior is crucial In this work two classes of ML based algorithms were used for load forecasting the Hidden Markov Models HMMs and the Deep Neural Networks DNNs both of which provide stable and more accurate results than the considered benchmark methods HMMs could be successfully used as a stand alone predictor with a training based on Maximum Likelihood Estimation MLE in combination with a clustering of the training data and an optimized Viterbi algorithm which are the main differences to other HMM related load forecasting approaches in the literature Adaptive online training was developed for DNNs to minimize training times and create forecasting models that can be deployed faster and updated as often as necessary to account for the increasing dynamics in power grids related to the growing share of installed renewables In addition the flexible and powerful encoder decoder architecture was used which helped to minimize the forecast error compared to simpler DNN architectures such as Convolutional Neural Networks CNNs Recurrent Neural Networks RNNs Long Short Term Memory networks LSTMs and others

Language Learning Zoltán Dörnyei, Alastair Henry, Christine Muir, 2015-08-20 Building on Zoltán Dörnyei's authoritative work in the field of learner motivation this book introduces a new conceptualization Directed Motivational Currents DMCs and sets out the defining aspects of what they are what they are not and how they are related to language learning motivation Going beyond focused behavior in a single activity DMCs concern intensive long term motivation The distinctive feature of the theory is that it views motivation not simply as a springboard for action but also as a uniquely self renewing and sustainable process It is this energizing capacity which distinguishes DMCs from almost every other motivational construct described in the research literature Motivational Currents in Language Learning offers new insights valuable both to motivation researchers and classroom practitioners The accessible style along with plentiful illustrations and practical suggestions for promoting sustained learning invite readers to think about motivation in a different way Highly relevant for language teachers teachers in training teacher educators and researchers in TESOL and applied linguistics the book explains how the DMC construct can be integrated into course structures and teaching methodologies and encourages teachers to try out novel methods for harnessing motivational power in classroom settings *Handbook of Research on Blended Learning Pedagogies and Professional Development in Higher Education* Keengwe, Jared, 2018-07-20 Online and blended courses are becoming increasingly prevalent in higher education settings and the pressures to incorporate these environments highlights the increased demand to serve a generation that prefers learning through experience or through interacting with learning tools Challenges arise in assisting instructors in facilitating and designing blended learning environments that will provide effective learning for all students The Handbook of Research on Blended Learning Pedagogies and Professional Development in Higher Education is a critical research publication that delves into the importance of effective professional development for educators planning and teaching online or blended courses It also establishes the benefits of technology mediated learning environments over traditional learning methods Highlighting a wide array of topics such as online learning environments active learning model and educational development this publication explores technology based teaching methods in higher education This book is targeted toward educators educational administrators academicians researchers and professionals within the realm of higher education Statistical News, 2018 **Buried** Ken Wylie, 2014 On January 20 2003 at 10 45 a m a massive avalanche released from Tumbledown Mountain in the Selkirk Range of British Columbia Tonnes of snow carried 13 members of two guided backcountry skiing groups down the 37 degree incline of a run called La Traviata and buried them After a frantic hour of digging by remaining group members an unthinkable outcome became reality Seven people were dead The tragedy made international news splashing photos of the seven dead Canadian and US skiers on television screens and the pages of newspapers The official analysis did not specifically note guide error as a contributing factor in the accident This interpretation has been insufficient for some of the victims families the public and some members of the guiding community Why did the guiding team seemingly ignore a particularly troublesome snowpack

Why were two groups travelling so close together Were the guides adhering to best practices for terrain selection and snow stability evaluation What motivated them to go there Buried is the assistant guide s story It renders an answerable truth about what happened by delving deep into the human factors that played into putting people in harm s way The story begins buried metres deep in snow and through care filled reflection emerges slowly like spring after a long winter nurturing a hopeful courageous dialogue for all who make journeys through the mountains of their life The story illustrates the peace that comes from accountability and the growth that results from understanding

History Quest Shand Stringham, 2014 In a top secret research facility buried deep beneath Carlisle Barracks Pennsylvania a Department of Defense project has developed the ability to travel through time The project s primary purpose is to set up a defensive posture against a hostile power that could also develop time travel and use it against the United States Colonel Barton Stauffer is assigned to lead an elite team on a parallel mission one sent in pursuit of humanity s lost history In their quest to recover lost knowledge about man s past they make startling discoveries that will challenge their dedication to the mission Current understanding of the history of mankind is filled of holes gaps and distortions Some of the most important elements of the human experience have been deliberately excised from history History is written by the victors and this elite team has been sent to correct the damage The true history of conquered peoples has been pillaged and rewritten time and time again While the team s fundamental mission is to explore the past and develop an undistorted understanding of human history they may also come to the conclusion that what lies hidden in the past is sometimes best left unexamined The team faces a gut wrenching dilemma as it attempts to balance the noble purposes of their history quest with the painful discovery of proof of mankind s past inhumanity to man
