Translated Christianities Nahuatl And Maya Religious Texts Latin American Originals

Pablo García Loaeza, Victoria L. Garrett

Translated Christianities Nahuatl And Maya Religious Texts Latin American Originals:

Translated Christianities Mark Z. Christensen, 2014-05-15 Beginning in the sixteenth century ecclesiastics and others created religious texts written in the native languages of the Nahuatl and Yucatec Maya. These texts played an important role in the evangelization of central Mexico and Yucatan. Translated Christianities is the first book to provide readers with English translations of a variety of Nahuatl and Maya religious texts. It pulls Nahuatl and Maya sermons, catechisms, and confessional manuals out of relative obscurity and presents them to the reader in a way that illustrates similarities, differences, and trends in religious text production throughout the colonial period. The texts included in this work are diverse. Their authors range from Spanish ecclesiastics to native assistants, from Catholics to Methodists, and from sixteenth-century Nahuas to nineteenth-century Maya. Although translated from its native language into English, each text illustrates the impact of European and native cultures on its content. Medieval tales popular in Europe are transformed to accommodate a New World native audience; biblical figures assume native identities; and texts admonishing Christian behavior are tailored to meet the demands of a colonial native population. Moreover, the book provides the first translation and analysis of a Methodist catechism written in Yucatec Maya to convert the Maya of Belize and Yucatan. Ultimately, readers are offered an uncommon opportunity to read for themselves the translated Christianities that Nahuatl and Maya texts contained.

Decolonial Christianities Raimundo Barreto, Roberto Sirvent, 2019-11-11 What does it mean to theorize Christianity in light of the decolonial turn? This volume invites distinguished Latinx and Latin American scholars to a conversation that engages the rich theoretical contributions of the decolonial turn while relocating Indigenous Afro-Latin American Latinx and other often marginalized practices and hermeneutical perspectives to the center stage of religious discourse in the Americas. Keeping in mind that all religions Christianity included are cultured and avoiding the abstract references to Christianity common to the modern Eurocentric hegemonic project, the contributors favor embodied religious practices that emerge in concrete contexts and communities. Featuring essays from scholars such as Sylvia Marcos, Enrique Dussel, and Luis Rivera Pagán, this volume represents a major step to bring Christian theology into the conversation with decolonial theory.

Healing Like Our Ancestors Edward Anthony Polanco, 2024 This book explores how sixteenth and seventeenth-century Spanish settlers attempted to uproot Indigenous Nahuatl healing practices in the process of creating and protecting the settler colony of New Spain. By using primary sources written in Spanish and Nahuatl, this book shows how Nahuatl people understood their healers and the ways in which they survived but were altered by Spanish attacks.

Pentecostal Orthodoxy Emilio Alvarez, 2022-09-06 In this manifesto of sorts, Bishop Emilio Alvarez introduces the phenomenon of Pentecostals returning to the ancient creedal Christian faith and extends the project of paleo-orthodox ressourcement to include orthodox expressions within Pentecostalism, particularly in his own Afro-Latino Pentecostal movement.

To the Shores of Chile Mark Meuwese, 2019-07-15 To the Shores of Chile presents the remarkable story of an expedition that took place in Latin America during the height of the Dutch Empire.

Skillfully translated by Mark Meuwese this captivating work sheds light on Dutch imperialism and the complicated relationships between Native peoples and European colonizers In 1643 the Dutch West India Company launched an expedition to the coast of southern Chile With plans to set up a permanent outpost that they hoped would generate enormous revenues in gold and weaken the position of their Spanish rivals a naval squadron of five vessels and six hundred and fifty soldiers sailors and craftsmen set sail under the direction of Hendrick Brouwer In the end lack of cooperation from the native Mapuche stymied the expedition However an account of the enterprise based on the journals and logbooks was published in Amsterdam in 1646 to capitalize on the public fascination with dangerous adventures of Europeans in exotic places and to serve as a political pamphlet in support of the renewal of the West India Company s charter To the Shores of Chile makes this account available for the first time in English and sheds light on both Dutch expansionism and the military and diplomatic power of indigenous people in South America It will be particularly valuable to ethnohistorians scholars of failed colonies and those interested in maritime and Dutch colonial history

The Native Conquistador Amber Brian, Bradley Benton, Pablo García Loaeza, 2015-06-18 For many years scholars of the conquest worked to shift focus away from the Spanish perspective and bring attention to the often ignored voices and viewpoints of the Indians But recent work that highlights the Indian conquistadors has forced scholars to reexamine the simple categories of conqueror and subject and to acknowledge the seemingly contradictory roles assumed by native peoples who chose to fight alongside the Spaniards against other native groups The Native Conquistador a translation of the Thirteenth Relation written by don Fernando de Alva Ixtlilxochitl in the early seventeenth century narrates the conquest of Mexico from Hernando Cort s s arrival in 1519 through his expedition into Central America in 1524 The protagonist of the story however is not the Spanish conquistador but Alva Ixtlilxochitl s great great grandfather the native prince Ixtlilxochitl of Tetzaco This account reveals the complex political dynamics that motivated Ixtlilxochitl s decisive alliance with Cort s Moreover the dynamic plotline propelled by the feats of Prince Ixtlilxochitl has made this a compelling story for centuries and one that will captivate students and scholars today

The History of the New World Girolamo Benzoni, 2017-02-15 The History of the New World is an abridged unique English translation of sixteenth century Italian merchant Girolamo Benzoni s popular account of his adventures in the Americas and the Spanish colonies First published in Venice in 1565 Benzoni s book was an immediate best seller and available in at least five languages before the end of the century It spanned the years 1541 56 providing detailed descriptions of native flora and fauna exciting narration of harrowing exploits and a surprisingly critical perspective on the expanding Spanish Empire s methods of conquest and governance in which Benzoni highlighted the struggles of indigenous peoples This edition follows the three book structure of the original account but focuses on Benzoni s own experiences omitting episodes to which he was not a witness and excising repetition and hyperbolic hearsay The first English language version published since 1847 this volume includes an informative introduction and annotations that situate Benzoni and his fascinating writings in the larger

context of Spanish colonial conquest Perfect for classroom use this is a lively vivid firsthand account of the adventure and wonder of the New World *To Heaven or to Hell* David Thomas Orique, O.P.,2018-03-22 This volume is the first complete English translation and annotated study of Bartolom de Las Casas s important and provocative 1552 treatise commonly known as the Confesionario or Avisos y reglas A text that generated controversy like Las Casas s more famous Brev sima relaci n the Confesionario outlined a strikingly novel and arguably harsh use of confession for those administering the sacrament to conquistadores encomenderos slaveholders settlers and others who had harmed the indigenous people thus using magisterial authority and jurisdictional power to promote restitution David Orique addresses how from 1516 to 1547 Las Casas subscribed to and wrote about the theory and practice of the doctrine of restitution He then presents the specific historical context of the development of the initial manuscript of the Confesionario in 1547 as Doce reglas Twelve Rules which later became the augmented Confesionario manuscript Orique s commentary on the 1552 Confesionario treatise highlights how Las Casas s Argumento and its approval by theologians legitimates his work Orique outlines the various guidelines proposed to confessors to identify investigate and seek restitution from offending Spaniards based on their possessions and circumstances He also explores Las Casas s use of the Thomistic tripartite scheme of divine natural and human law With insightful analysis and commentary accompanied by an eminently readable translation *To Heaven or to Hell* will be especially useful to students and scholars of Latin American colonial history early modern religion and Catholic studies **Violent First Contact in Venezuela** Peter Hess,2021-12-15 Published in 1557 Nikolaus Federmann s *Indianische Historia* is a fascinating narrative describing the German military commander s incursion into what is now Venezuela Designed not only for classroom use but also for the use of scholars this English translation is accompanied by a critical introduction that contextualizes Federmann s firsthand account within the broader Spanish colonial system Having gained the rights to colonize Venezuela from the Spanish Crown in 1528 the Welser merchant house of Augsburg Germany sent mercenaries settlers and miners to set up colonial structures The venture never turned a profit and operations ceased in 1546 after two Welser officials were murdered Federmann s text gives an account of his foray into the interior of Venezuela in 1530-31 It describes violent first contact with Indigenous peoples as well as Federmann s communication strategies how he managed to prevail in hostile terrain and how he related to other agents of the conquests It also documents his unwavering belief in the intrinsic preeminence of European Christians and ultimately in the righteousness of his mission The only detailed record of this incursion Federmann s text adds a unique and important perspective to our understanding of first colonial contact on the Caribbean coast of South America It provides insight into the first contact dynamic the techniques of subjugation and dominance and the web of diverging interests among stakeholders This volume will be a valuable resource for courses and for scholarship on conquest and colonialism in Latin America *The Improbable Conquest* Pablo García Loaeza,Victoria L. Garrett,2015-01-14 The Improbable Conquest offers translations of a series of little known letters from the

chaotic Spanish conquest of the Rio de la Plata region uncovering a rich and understudied historical resource These letters were written by a wide variety of individuals including clergy military officers and the region's first governor Pedro de Mendoza There is also an exceptional contribution from Isabel de Guevara one of the few women involved in the conquest to have recorded her experiences Writing about the conditions of settlements and expeditions these individuals vividly expose the less glamorous side of the conquest narrating in detail various misfortunes infighting corruption and complaints Their letters further reveal the colony's fraught relationship with the native peoples it sought to colonize giving insight into the complexities of the conquest and the colonization process Pablo Garc a Loaeza and Victoria Garrett provide an introduction to the history of the region and the conquest's key players as well as a timeline and a glossary explaining difficult and archaic Spanish terms

Translated Christianities Nahuatl And Maya Religious Texts Latin American Originals Book Review: Unveiling the Power of Words

Translated Christianities Nahuatl And Maya Religious Texts Latin American Originals Introduction

In today's digital age, the availability of Translated Christianities Nahuatl And Maya Religious Texts Latin American Originals books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Translated Christianities Nahuatl And Maya Religious Texts Latin American Originals books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Translated Christianities Nahuatl And Maya Religious Texts Latin American Originals books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Translated Christianities Nahuatl And Maya Religious Texts Latin American Originals versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Translated Christianities Nahuatl And Maya Religious Texts Latin American Originals books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for

textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Translated Christianities Nahuatl And Maya Religious Texts Latin American Originals books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Translated Christianities Nahuatl And Maya Religious Texts Latin American Originals books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Translated Christianities Nahuatl And Maya Religious Texts Latin American Originals books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Translated Christianities Nahuatl And Maya Religious Texts Latin American Originals books and manuals for download and embark on your journey of knowledge?
