Treating Sexual Offenders An Integrated Approach Practical Clinical Guidebooks

Paul M. G. Emmelkamp, Ellen Vedel

Treating Sexual Offenders An Integrated Approach Practical Clinical Guidebooks:

Treating Sexual Offenders William L. Marshall, 2006 First Published in 2006 Routledge is an imprint of Taylor Francis an informa company Specialized Cognitive Behavior Therapy for Obsessive Compulsive Disorder Debbie Sookman, 2015-09-16 Specialized Cognitive Behavior Therapy for Obsessive Compulsive Disorder is an expert clinician guide for administration of evidence based specialized cognitive behavior therapy CBT for obsessive compulsive disorder and its subtypes This book focuses on strategies to identify and resolve complex and varied reasons for resistance to CBT and to optimize symptom remission generalize improvement and forestall relapse during treatment for OCD The interventions discussed build upon and elaborate the clinical and research work of other OCD experts clinicians and researchers in the field of cognitive therapy and are based on the author s own research and clinical experience as an internationally known expert treating thousands of OCD patients Criteria are outlined for symptom recovery and for treatment resistance in the context of optimal evidence based specialized CBT delivery Featuring treatment models and illustrative case studies this book is a necessary addition to the library of mental health professionals who work with patients suffering from OCD

Evidence-Based Treatments for Alcohol and Drug Abuse Paul M. G. Emmelkamp, Ellen Vedel, 2012-10-12 Evidence Based Treatments for Alcohol and Drug Abuse encompasses the developments in the field over the last decade blending theory techniques and clinical flexibility Research in the past decade has shown that substance abuse and substance dependence are treatable The field has witnessed the introduction of evidence based psychological and specific pharmacological treatments Unfortunately many of the empirical supported therapies for addictions are still not widely applied by practitioners The third volume in the Practical Clinical Guidebooks Series PCG Evidence Based Treatments for Alcohol and Drug Abuse defines the characteristics classification and prevalence of substance use disorders and provides the clinician with practical guidelines applicable across a variety of treatment settings and patient groups Drawing on the recent research in the field the authors provide the practicing clinician and student with an up to date understanding of the epidemiology etiology course and prognosis of substance abuse disorders that would be relevant to clinical practice In addition to describing phenomenology and etiology the book provides a comprehensive guide to the assessment and treatment of DSM IV TR substance abuse disorders SUDs including abuse and dependence of alcohol stimulants opiates hallucinogens cannabis marijuana sedative and party drugs **Cognitive Behavioral Therapy for Social Anxiety Disorder** Stefan G.

Hofmann, Michael W. Otto, 2017-12-14 Cognitive Behavioral Therapy CBT has proven to be the most effective form of treatment for social anxiety disorder This revision of a highly regarded treatment manual presents an original treatment approach that includes specifically designed interventions to strengthen the relevant CBT strategies This extensively revised volume builds upon empirical research to address the psychopathology and heterogeneity of social anxiety disorder creating a series of specific interventions with numerous case examples and four new chapters on working with patients on

medication cultural factors individual therapy and monitoring on track outcomes **Cognitive-Behavioral Treatment for Generalized Anxiety Disorder** Melisa Robichaud, Michel J. Dugas, 2012-10-12 By focusing on the cognitive behavioral model and treatment options Dugas and Robichaud present a detailed analysis of the etiology assessment and treatment of Generalized Anxiety Disorder GAD Cognitive Behavioral Treatment for Generalized Anxiety Disorder From Science to Practice provides a review of the empirical support for the different models of GAD It includes a detailed description of the assessment and step by step treatment of GAD including many examples of therapist client dialogue data on treatment efficacy in individual and group therapy and concludes with a description of maintenance and follow up strategies

Medical and Health Care Books and Serials in Print ,1997 Treatment of High-Risk Sexual Offenders Jeffrey Abracen, Jan Looman, 2015-10-08 Treatment of High Risk Sexual Offenders addresses concrete management strategies from initial intake to community treatment programs and describes a detailed program for high risk offenders which has been developed tested and refined for over 15 years Provides a thorough review of contemporary theory and research relating to complex challenging populations and translates it into a comprehensive system of assessment and treatment for high risk sexual offenders Offers detailed coverage of setting and staff requirements the importance of the therapeutic alliance and how to balance individual therapy with group components in order to develop social and self management skills Builds on the principle of integrative care drawing on the established Risk Need Responsivity RNR model for offender assessment and rehabilitation but adding new components of CBT and motivational interviewing Includes a complete assessment battery and strategies for managing serious mental illness and comorbidity *Current Catalog* ,1991 First multi year cumulation covers six years 1965 70 **Subject Guide to Books in Print** ,1997 *Understanding, Assessing, and Rehabilitating Juvenile Sexual Offenders* Phil Rich, 2011-01-13 Praise for Understanding Assessing and Rehabilitating Juvenile Sexual Offenders Second Edition The Second Edition of Understanding Assessing and Rehabilitating Juvenile Sexual Offenders showcases Phil Rich s experience and mastery of the research and clinical literature In my view this is an excellent therapy book and like its predecessor will help practitioners to work effectively and ethically with juvenile offenders It is destined to become a classic Tony Ward PhD DipClinPsy Victoria University of Wellington Wellington New Zealand Phil Rich is considered one of the world s leading authorities on how best to understand assess and treat juvenile sexual offenders and this Second Edition of his excellent text shows why he is held in such high regard All theoreticians researchers and practitioners whose work brings them in contact with juvenile sexual offenders should definitely read this remarkable book W L Marshall OC FRSC PhD Director Rockwood Psychological Services Ontario Canada Phil Rich s book Understanding Assessing and Rehabilitating Juvenile Sexual Offenders Second Edition offers new and thought provoking ideas updates and information especially on developmental pathways This book is one of the few publications on juvenile sexual offending that offers something new and revealing to the field Robert E Longo LPC NCC ACS BCIA EEG BCN Serendipity Healing Arts Lexington North Carolina Phil

Rich masterfully fills the gap in the juvenile sexual offender treatment literature with a book that is neither introductory nor narrowly specialized Seasoned veterans will appreciate his thoughtful and studied approach Newcomers will find this book a vital go to resource David Prescott LICSW Clinical Director Becket Family of Services Falmouth Maine Mind blowingly brilliant Rich by name and rich in depth detail description and debate An instant classic Understanding Assessing and Rehabilitating Juvenile Sexual Offenders Second Edition is both comprehensive and challenging with its material and messages yet reassuringly accessible and practical Martin C Calder Calder Social Work Training and Consultancy Leigh Lancashire UK THE LANDMARK TEXT FOR WORKING WITH JUVENILE SEXUAL OFFENDERS AND UNDERSTANDING SEXUALLY ABUSIVE BEHAVIOR IN CHILDREN AND ADOLESCENTS NOW FULLY REVISED Thoroughly revised the Second Edition of Understanding Assessing and Rehabilitating Juvenile Sexual Offenders guides mental health professionals through the breadth of assessment and intervention methods available for working with this special population providing a succinct yet complete survey of the field the etiological development of sexually abusive behavior in juveniles and a reliable resource for assessment treatment and rehabilitation Medical Books and Serials in Print ,1983 Treating Youth Who Sexually Abuse Stephen Lundrigan,2014-01-14 A comprehensive program of treatment for adolescent sex offenders Covering every phase from assessment to relapse prevention this valuable book offers specific suggestions and backs them with the latest research as well as years of clinical experience Treating Youth Who Sexually Abuse An Integrated Multicomponent Approach is a training tool reference book and field manual for the use of therapists administrators and everyone involved with the assessment treatment and placement of sexually abusive youth Beginning with a broad view of the continuum of programs available and the structure of the service delivery system that provides treatment Treating Youth Who Sexually Abuse continues with specifics of program policy and design in both outpatient and inpatient settings From choice of client to aftercare the book covers the specifics of pretreatment various modalities of therapy inpatient and outpatient programs and relapse prevention programs The foundations of program structure and the specific components such as family therapy group therapy milieu treatment are integrated to make a powerful flexible and above all effective treatment tool Treating Youth Who Sexually Abuse offers practical advice and help for therapists and administrators including ready to use treatment materials reproducible group curricula sample schedules for full day treatment and afterschool programs discussions of staff training and administrative concerns information on liability issues ideas for coordinating care with other treatment providers Treating Youth Who Sexually Abuse An Integrated Multicomponent Approach is an essential training tool for students a field manual for professionals and a reference book for everyone interested in sex offence specific treatment for youth With case studies diagnostic criteria helpful tables and diagrams listings of organizations in the field and Web addresses this volume deserves a permanent place on your professional bookshelf **Resources in Education** ,1995

legal practice Barbara K. Schwartz, Henry R. Cellini, 1995 **Treating Sex Offenders** Letitia C Pallone, William E Prendergast, 2014-01-21 Gain important new insights into religious personnel who molest children Treating Sex Offenders A Guide to Clinical Practice with Adults Clerics Children and Adolescents Second Edition updates the groundbreaking original with new material that integrates adolescent and adult sex offenders emphasizing similarities and differences in personality type behavior and treatment Author William Prendergast draws on four decades experience in working in the diagnosis and treatment of habitual sex offenders to present a straightforward look at what makes them tick This vital new edition includes appropriate additions and changes to treatment techniques progress reports on case study subjects reader feedback on the original book and perhaps most important new information on religious personnel who molest children Treating Sex Offenders provides training in clear language for those working with sexual offenders and explanations in simple terms for those suffering as a result of their actions The book parallels workshops and courses conducted by the author detailing how to identify major characteristics and traits of offenders different types of offenders child and adolescent offenders how to recognize warning signs of deviant behavior and how to apply specific treatment techniques that really work Individual aspects of the makeup and treatment of the compulsive adult and adolescent sex offender are addressed through factors traits treatment and candid cases studies Treating Sex Offenders addresses the most vital issues involving sexual pathology including inadequate personality theory sexual performance problems imprinting self confrontation sex as the chosen deviation the five c s of sex offender treatment and much more Treating Sex Offenders A Guide to Clinical Practice with Adults Clerics Children and Adolescents Second Edition is an essential resource for psychiatrists psychologists social workers counselors and those in the criminal justice field who deal with sex offenders on a daily basis Family members involved in the lives of sex offenders and survivors of sexual abuse or assault will find the case studies enlightening in making sense of a tragic situation **Identifying and Treating Youth Who Sexually Offend** Kristina Crumpton Franey, 2013-01-11 What factors contribute to the making of a youthful sexual offender This book is designed to assist professionals working with youth who sexually offend A distinguished panel of experts discusses the latest research and provides theory techniques and practical guidelines for the assessment and treatment of this challenging population Identifying and Treating Youth Who Sexually Offend Current Approaches Techniques and Research lays an essential foundation with a theoretical overview that frames the subject in a clear easy to follow style This section includes a comprehensive overview of the controversies definitions and salient characteristics of youth who sexually offend that that provides an understanding of the factors believed to be related to sex offending among youth as well as an up to date review of current theory an examination of an etiological model that is frequently applied to adult sex offenders is it applicable for use with youthful offenders The second section of Identifying and Treating Youth Who Sexually Offend tackles the challenges professionals face when conducting assessments of sexually abusive youth This section is designed to help the clinicians of today and tomorrow become better

equipped to handle the daunting task of assessment from choosing assessment tools to decreasing denial with specific interviewing techniques Readers will learn how to distinguish subtypes among this population with a research review and comparative descriptions of clinical and empirical typologies as well as discussion of the Trauma Outcome Process model and practical examples for clinicians how to predict the rate of re offense among youth who sexually offend with a review of five risk assessment methods and four scales plus directions for using them includes the Juvenile Sex Offender Assessment Protocol JSOAP the Protective Factors Scale PFS and the Estimate of Risk of Adolescent Sex Offender Recidivism ERASOR the nuts and bolts of the interviewing and clinical assessment phase of treatment a look at effective interviewing strategies the process of change and the stages of change model the importance of family therapy in the treatment of these youth ways to include parents in relapse prevention planning and ways to handle treatment providers misconceptions and concerns about including family therapy in this type of treatment cognitive behavioral treatment models for use in outpatient settings with treatment strategies directed toward various individual or family clinical targets including psychological dysfunctions sexual deviance adolescent development and adaptive skills and parent family relationships an integrated holistic experiential approach to treatment complete with sample exercises and a discussion of the pros and cons of many current treatment modalities a multi family group therapy MFGT approach with a look at this powerful intervention mode s advantages including economic benefits family to family support and mentoring community based resourcefulness and accelerated catalyzing of emotions and directions for how to establish a MFGT format for treatment current practices in residential treatment for adolescent sex offenders policies testing and assessment procedures therapeutic approaches used number of males and females in treatment etc The final section of Identifying and Treating Youth Who Sexually Offend explores what happens to youth who sexually offend after they leave treatment This includes a survey of the literature on recidivism an evaluation of the effectiveness of treatment of 644 juvenile sex offenders through the meta analysis of 10 studies with encouraging results a look at the life experiences of a sample

Vocational Rehabilitation Index ,1977

Treating the Sexual Offender Barry Maletzky, Kevin B. McGovern, 1991 Treating the Sexual Offender offers the most widely used and thoroughly researched methods for treating individuals who have committed sexual crimes or have manifested deviant sexual behaviors Mirroring clinical experience this practical volume focuses on the pedophile exhibitionist and rapist However the more unusual maladaptive sexual approach disorders and their management are examined as well including voyeurism fetishism public masturbation frotteurism bestiality and hypersexuality Clear detailed descriptions of treatment techniques are provided along with extensive case examples The text can be regarded as a compendium of behavioral approaches in an overall treatment plan for the offender Techniques are covered in sufficient detail so that the practitioner reading the account will be able to employ any specific technique in his or her own practice Also presented are treatment and follow up data generated by a large sexual abuse outpatient clinic in the treatment of more

than 5 000 sexual offenders Written in a topical and accessible fashion Treating the Sexual Offender allows readers to directly apply the methods as described or discover within them ideas to serve as a springboard in designing treatment program variations As such it is an excellent resource for psychologists mental health professionals psychiatrists social workers and others working with sexual offenders Maletzky s book comprises a comprehensive and exceptionally detailed account of behavioral approaches and treatments of sexual offenders that both researcher and clinician will benefit from reading Archives of Sexual Behavior Those who work with sex offenders will find it useful to compare their methods and results with those presented in the book Anyone who is considering setting up a new service will find this and the appendices which include lists and descriptions of equipment invaluable International Review of Psychiatry I can recommend this book as essential reading for those working directly with adolescent and adult sexual offenders because of its exposition of both controversial and acceptable behavioural techniques It will also be a useful reference text in units undertaking specialist work with sexual offenders Child Abuse Review This book can be thoroughly recommended because it does give a good overview of the treatments that are available and it does provide a practical almost cookbook approach to the treatment of a group of patients who are so often neglected and labelled simply as untreatable It would be well worth the low cost of purchase to have this book sitting firmly on the therapist s shelf to remind him or her that sexual offenders are indeed patients who require careful treatment and that there are techniques available even though success rates are limited and frustrations in the clinic are frequent British Journal of Psychiatry I am thoroughly familiar with Maletzky s work and can attest to its high quality He is an excellent clinician who really knows this area very well Michel Hersen University of Pittsburgh The book is well organized and exceptionally clearly written Likely to appeal to professionals who treat sexual deviants Maletzky has something to say to these professionals and he says it very clearly Vernon L Quinsey Queen s University This manual is as complete as any published thus far on applications of behavioral conditioning to reduce deviant sexual arousal and reconditioning procedures to increase appropriate arousal in the sex offender client Maletzky describes more than 20 separate modalities in enough detail that an experienced clinician can use this as a how to book in many cases Case studies examples are liberally used to illustrate the finer points of case management and technique selection for the many problems that sex offender clients present to the clinician Violence Update Newsletter The book does provide insight into understanding the personality dynamics of the abuser for the non clinician population As abusive sexual behavior has become a recognized national tragedy during the last several years this text offers some insight on how to suppress this behavior Journal of Applied Rehabilitation Counseling Details of assessment and treatment are given Useful case illustrations are given throughout the book helping the reader to understand precisely what is done in using a particular technique The book also has many useful appendices including history and data forms Therapists having to deal with sexual offenders and other paraphiliacs will find much in this very readable book much that will be of practical use Books such as this which

provide ideas and details on how to implement therapy will be particularly welcome by practitioners in this field Behavior Research Therapy *Cognitive Behavioural Treatment of Sexual Offenders* William L. Marshall, Dana Anderson, Yolanda Fernandez, 1999-12-16 Cognitive Behavioural Treatment of Sexual Offenders William L Marshall Dana Anderson and Yolanda Fernandez Queen s University Ontario Canada and Bath Institution Sexual Offender s Program Ontario Canada Sexual offending is an extensive problem in our societies causing untold harm to many innocent victims Sexual offenders typically have a personal history of abuse of various kinds and it seems that most of them would prefer to live offence free lives It takes courage for these offenders to face their own problems and to deal with the consequences of their actions on their victims the victim s families and their own families and friends This book describes a treatment program which presses these offenders into facing the facts and taking responsibility for their actions in a firm and supportive manner The book s aim is to present what is currently known about the treatment of sexual offenders from both a practical and an empirical perspective The authors describe the features that are assumed to need change and appraise the evidence in support of these assumptions The authors present an approach to treatment which is unique and the evidence for effective treatment outcome generally from Correctional Services of Canada programs is among the most convincing available Each treatment component is described and the available evidence is outlined to support the value of each component Finally the authors consider overall evaluations of treatment outcome All professionals involved in the treatment of sexual offenders will find this book essential for its comprehensive review of the development and implementation of sexual offender treatment evidence based approach to selecting clients for treatment and to selection of treatment components practical detailed and research based guidance on conducting and monitoring treatment unique approach to treatment supported by good outcome evidence This book is published in the Wiley Series in Forensic Clinical Psychology Series Editors Clive R Hollin and Mary McMurran both of the Centre for Applied Psychology The University of Leicester UK
