Trade Tastes Commodity And Culture Exchange To 1750:

Trading Tastes Erik Gilbert, Jonathan T. Reynolds, 2006 This book examines the general patterns and impact of transcontinental and transoceanic trade from antiquity to the present through its analysis of the production and long distance trade of four commodities spice or spices salt sugar and silk from ancient times to about 1750 C E In their introductions and in the primary sources that they have selected for the reader s analysis the authors demonstrate that until the revolution in long distance communication that began not much more than a century and a half ago trade was probably the single most important vehicle for disseminating ideas and other cultural elements from one people to another Back cover

Tastes of the Empire Jillian Azevedo, 2017-09-25 During the 17th century England saw foreign foods made increasingly available to consumers and featured in recipe books medical manuals treatises travel narratives and even in plays Yet the public s fascination with these foods went beyond just eating them Through exotic presentations in popular culture they were able to mentally partake of products for which they may not have had access This book examines the body and mind consumerism of the early British Empire

The Organization of Ancient Economies Kenneth Hirth, 2020-09-17 This is the first book written that examines ancient and premodern economies from a comparative and cross cultural perspective

The Millennium Maritime Trade Revolution, 700-1700 Nick Collins, 2025-08-05 This book explains how and why and how destructive continental influences destroyed Asia s maritime supremacy Following the series first book *How Maritime Trade and the Indian Subcontinent Shaped the World* this book continues to demonstrate how maritime trade has been the key driver of the world s wealth creation economic and intellectual progress The story begins where the first book ends when following Roman Empire collapse 7th century European maritime trade almost ceased creating population collapse and poverty the Dark Ages In 700 stuttering hesitant recovery was evident with new ports but Viking and Muslim maritime raiding neutered recovery until the 11th century In Asia by contrast short and long haul trade thrived and accelerated from east Africa and the Persian Gulf all the way to China encouraging Southeast Asian state formation The book tells the story of slowly rising gradually accelerating European maritime trade which until the 15th century was overshadowed by far more voluminous Asian trade in much larger more complex ships traded by more sophisticated commercial entities contributing to innovative tolerant wealth creating maritime societies In Europe Mediterranean maritime trade made most progress from about 1000 to 1450 But by 1700 north Europeans dominated Atlantic American and Mediterranean trade and were penetrating sophisticated Asian maritime networks a complete reversal This book explains how and why and how destructive continental influences destroyed Asia s maritime supremacy As in the first book Nick Collins finds similar patterns maritime inquisitiveness invention problem solving and toleration and continental political suppression of those maritime traits most dramatically in China but destructively everywhere allowing the millennium maritime trade revolution

The Eighteenth Century John Obert Voll, 2025 The eighteenth century was a time of major global transitions Movements of religious and intellectual revival challenged established ideas European colonies emerged in the Western hemisphere global trade expanded and political revolutions and revolts in America France Russia and Haiti started to reshape political life At the beginning of the century power and wealth were roughly balanced among the major regions of the world By its end this balance was upset by the emergence of European imperial nation states and Western European industrial societies whose evolution was enabled by modern processes of industrialization globalization and empires John O Voll highlights key events and individuals in that transformation from Emperor Kangxi's meeting with Jesuits and Catherine the Great's imperial expansion of Russia Jonathan

Edwards Great Awakening and Muhammad ibn Abd al Wahhab's Islam reform movement to Mulla Abdul Ghafur's trade in cotton Richard Arkwright's textile factories and Isaac Newton's and Immanuel Kant's contributions to the Enlightenment and modern science This book shows that the eighteenth century was a time of transition to modernity a time when the impact of the first globalization was being felt around the world Old ways of life disappeared as new ways of organizing human activities emerged

Cypria Alex Christofi, 2024-05-09 A WATERSTONES BOOK OF THE YEAR 2024 A brilliant exploration of Cyprus's long history of cultural resilience Superbly composed Guardian Poetic Compelling New Statesman One of National Geographic's Summer Reads 2024 Think of a place where you can stand at the intersection of Christian and Arab cultures at the crossroads of the British Ottoman Byzantine Roman and Egyptian empires a place marked by the struggle between fascism and communism and where the capital city is divided in half as a result of bloody conflict where the ancient olive trees of Homer's time exist alongside the undersea cables which link up the world's internet In Cypria named after a lost Cypriot epic which was the prequel to The Odyssey British Cypriot writer Alex Christofi writes a deeply personal lyrical history of the island of Cyprus from the era of goddesses and mythical beasts to the present day This sprawling evocative and poetic book begins with the legend of the cyclops and the storytelling at the heart of the Mediterranean culture Christofi travels to salt lakes crusader castles mosques and the eerie town deserted at the start of the 1974 war He retells the particularly bloody history of Cyprus during the twentieth century and considers his own identity as traveler and returner as Odysseus was Written in sensitive witty and beautifully rendered prose with a novelist's flair and eye for detail Cypria combines the political cultural and geographical history of Cyprus with reflections on time place and belonging

Eastward of Good Hope Dane A. Morrison, 2021-11-30 How did news from the East carried in ship logs and mariners reports journals and correspondence shape early Americans understanding of the world as a map of dangerous and incoherent sites Winner of the John Lyman

Book Award by the North American Society for Oceanic History Freed from restrictions of British mercantilism in the years following the War of Independence Yankee merchants embarked on numerous voyages of commerce and discovery into distant seas Through the news from the East carried in mariners reports ship logs journals and correspondence Americans at home imagined the world as a map of dangerous and deranged places This was a world that was profoundly disordered hobbled by tyranny and oppression or steeped in chaos and anarchy often deadly always uncertain unpredictable and unstable yet amenable to American influence Focusing on four representative arenas the Ottoman Empire China India and the Great South Sea collectively the East Indies Oceania and the American continent's Northwest coast Eastward of Good Hope recasts the relationship between America and the world by examining the early years of the republic when its national character was particularly pliable and its foundational posture in the world was forming Drawing on recent scholarship in global ethnohistory Dane A Morrison recounts how reports of cannibal encounters shipboard massacres shipwrecks tropical fever and other tragedies in distant seas led Americans to imagine each region as a distinct set of threats to their republic He also demonstrates how the concept of justification through self doubt allowed for aggressive expansionism and for the foundations of imperialism to develop Morrison reconsiders American ideas about the world through three questions How did British Americans imagine the world before independence allowed them to travel Eastward of Good Hope What were the signal encounters that filled the public sphere in their early years of global encounter And finally how did Americans' contacts with other peoples inflect their ideas about the world and their place in it Written in a lively engaging style Eastward of Good Hope will appeal to scholars and the general public alike

The Global Atlantic Christoph Strobel, 2015-02-11 The Global Atlantic provides a concise lively overview of the complex and diverse history of the greater Atlantic region from 1400 to 1900 During this period the lands around the Atlantic basin Europe Africa and the Americas became deeply interconnected in networks of trade cultural exchange and geopolitics that reshaped these regions and the world beyond In this accessible and engaging text Christoph Strobel integrates the Atlantic into world history showing that the Atlantic oceanic system was always interlinked with the rest of globe From the Mediterranean origins of slave worked sugar plantations to the Chinese demand for silver from American mines The Global Atlantic discusses key examples of these connections with clarity enabling students to understand how existing ideas and incentives shaped the emerging Global Atlantic and how these Atlantic systems in turn created the world we live in today

Recent Themes in the History of Africa and the Atlantic World Donald A. Yerxa, 2008 Described as the New York Review of Books for history Historically Speaking has emerged as one of the most distinctive historical publications in recent years actively seeking out contributions from a pantheon of leading voices in historical discourse This collection of articles and forums by prominent historians explores the relationship of Africa to world history maps the current state of the burgeoning field of Atlantic history and debates the accuracy of Olaudah Equiano's seminal narrative The standard approach of world historians often compresses the African past into interpretive frameworks that leave Africans without a history of their own Joseph C Miller makes the case here for an alternative approach a multicentric world history that gives voice to the various ways Africans experienced the past and an impressive array of Africanist and world historians respond The volume also assesses the state of the field of Atlantic history and includes a spirited forum on Vincent Carretta's provocative thesis that Olaudah Equiano author of the most important account available of the horrific Middle Passage was actually born in South Carolina and not Africa

History Without Borders Geoffrey C. Gunn, 2011-08-01 Astride the historical maritime silk routes linking India to China premodern East and Southeast Asia can be viewed as a global region in the making over a long period Intense Asian commerce in spices silks and ceramics placed the region in the forefront of global economic history prior to the age of imperialism Alongside the correlated silver trade among Japanese Europeans Muslims and others China's age old tributary trade networks provided the essential stability and continuity enabling a brilliant age of commerce Though national perspectives stubbornly dominate the writing of Asian history even powerful state centric narratives have to be re examined with respect to shifting identities and contested boundaries This book situates itself in a new genre of writing on borderland zones between nations especially prior to the emergence of the modern nation state It highlights the role of civilization that

developed along with global trade in rare and everyday Asian commodities raising a range of questions regarding unequal development intraregional knowledge advances the origins of globalization and the emergence of new Asian hybridities beyond and within the conventional boundaries of the nation state Chapters range over the intra Asian trade in silver and ceramics the Chinese junk trade the rise of European trading companies as well as diasporic communities including the historic Japan towns of Southeast Asia and many types of technology exchanges While some readers will be drawn to thematic elements this book can be read as the narrative history of the making of a coherent East Southeast Asian world long before the modern period
