Traditional Textiles Of Central Asia:

Traditional Textiles of Central Asia Janet Harvey, *Silk and Cotton* Susan Meller, 2019-12-03 The traditional textiles of Central Asia are unknown treasures Straddling the legendary Silk Road this vast region stretches from Russia in the west to China in the east Whether nomadic or sedentary its peoples created textiles for every aspect of their way of life from ceremonial objects marking rites of passage to everyday garments to practical items for the home There were suzanis for the marriage bed prayer mats patchwork quilts bridal ensembles bags for tea scissors and mirrors lovingly embroidered hats and bibs and robes of every color and pattern Author Susan Meller has spent years assembling the 590 textiles illustrated in this book She documents their history use and meaning through archival photographs and fascinating travelers narratives spanning many centuries Her book will be a revelation to designers collectors students of Central Asia and travelers to the region *Silk and Cotton* is destined to become a classic History of civilizations of Central Asia Adle, Chahryar, Baipakov, Karl M., Habib, Irfan, UNESCO, 2003-12-31 The period treated in this volume is highlighted by the slow retreat of nomadism and the progressive increase of sedentary polities owing to a fundamental change in military technology Furthermore this period certainly saw a growing contrast in the pace of economic and cultural progress between Central Asia and Europe The internal growth of the European economies and the influx of silver from the New World gave Atlantic Europe an increasingly important position in world trade and caused a major shift in inland Asian trade Thus 1850 marks the end of the total sway of pre modern culture as the extension of colonial dominance was accompanied by the influx of modern ideas **Culture and Customs of the Central Asian Republics** Rafis Abazov, 2006-12-30 The Central Asian Republics of Kazakhstan Kyrgyzstan Turkmenistan Tajikistan and Uzbekistan won their independence from the Soviet Union in 1991 Now they are emerging from the shadow of dominance and are subjects of intense interest from the West The modern culture and customs of the various peoples in these geopolitical hotspots straddling the far reaches of Europe into Asia are revealed to a general audience for the first time This will be the must have volume for a broad authoritative overview of these traditional civilizations as they cope with globalization Silk Mary Schoeser, 2007-01-01 Geschiedenis van zijde wat betreft teelt en toepassing in kleding en andere producten daarnaast komen verschillende modeontwerpers aan bod alsmede de toekomst van deze stof

Textiles as National Heritage: Identities, Politics and Material Culture Gabriele Mentges, Lola Shamukhitdinova, 2017 The edited volume discusses the role of textile heritage in relation to the dynamics of nation building cultural identity politics economy and the globalization of markets It was sparked by a research project investigating the role of textiles textile design and contemporary fashion in the post Soviet societies of Central Asia and also includes perspectives on similar developments in Algeria and Peru in order to question dichotomous narrations of modernity relations between textile cultures and heritage building cultural property and the concept of cultural heritage Thus this book intends to stimulate the ongoing debate about textile culture as national heritage or as means of nation branding **Central Asia: A**

Schoeser, 2022-10-06 The history of textiles more than that of any other artefact is a history of human ingenuity From the very earliest needles of 50 000 years ago to the smart textiles of today textiles have been fundamental to human existence and enjoyed prized and valued by every culture Silks from China cottons from India tapestries from Flanders dyes from South America the appeal of different weaves colours and patterns was long a motivation for trade the exchange of ideas and sometimes even war Mary Schoeser's groundbreaking book now revised and updated to incorporate new research presents a chronological survey of textiles around the world from prehistory to the present It explores how they are made what they are made from how they function in society and the ways in which they are valued and given meaning as well as reflecting on the environmental challenges they present today World Textiles offers an invaluable introduction to this vast and fascinating subject for makers designers textile and fashion professionals collectors and students alike *Modernity of Tradition*

Gabriele Mentges, Lola Shamukhitdinova, 2013 Usually advertising formulas which fix Uzbekistan in a transfigured oriental past of long ago perfect for the travel industry prefer to forget that there is also a modern Uzbekistan in which as some

researchers suggest a new Silk Road is beginning to evolve The present volume intends to provide an initial insight into these evolving connections and processes on the one hand to present the textile facets that they encompass and on the other hand to show how from the perspective of Uzbek researchers the problem and the current status of textile research and of textile revitalisation are developing

Islamicate Textiles Faegheh Shirazi, 2023-04-06 Textiles and clothing are interwoven with Islamic culture In *Islamicate Textiles* readers are taken on a journey from Central Asia to Tanzania to uncover the central roles that textiles play within Muslim majority communities This thematically arranged book sheds light on the traditions rituals and religious practices of these regions and the ways in which each one incorporates materials and clothing Drawing on examples including Iranian lion carpets and Arabic keffiyeh Faegheh Shirazi frames these textiles and totemic items as important cultural signifiers that together form a dynamic and fascinating material culture Like a developing language this culture expands bends and develops to suit the needs of new generations and groups across the world The political significance of Islamicate textiles is also explored Faegheh Shirazi's writing reveals the fraught relationship between the East with its sought after materials and much valued textiles and the European countries that purchased and repurposed these goods and lays bare the historical and contemporary connections between textiles colonialism immigration and economics Dr Shirazi also discusses gender and how textiles and clothing are intimately linked with sexuality and gender identity
