

The background of the book cover is a photograph of a landscape at sunset or sunrise. On the left, a large, dark, gnarled tree trunk stands in the foreground. In the middle ground, a path leads towards a row of four standing stones (menhirs) silhouetted against a bright, orange and yellow sky. The overall mood is mystical and ancient.

Determining what actually constitutes a new or alternative religion is a subject of constant debate. Questions arise as to a new faith's legitimacy, beliefs, methods of conversion, and other facets of a religious movement's viability and place in a given culture. How a religion gains recognition by the mainstream, which often labels such new movements as cults, is fraught with difficulty, tension, and fear.
