Trail Of The Apache And Other Stories:

Trail of the Apache and Other Stories Elmore Leonard, 2009-10-06 The New York Times bestselling Grand Master of suspense deftly displays the other side of his genius with seven classic western tales of destiny and fatal decision and trust as essential to survival as it is hard earned Trust was rare and precious in the wide open towns that sprung up like weeds on America's frontier with hustlers and hucksters arriving in droves by horse coach wagon and rail and gunmen working both sides of the law all too eager to end a man's life with a well placed bullet In these classic tales that span more than five decades including the first story he ever published The Trail of the Apache Elmore Leonard once again demonstrates the superb talent for language and gripping narrative that have made him one of the most acclaimed and influential writers of our time

Perspectives on Elmore Leonard Andrew J. Rausch, 2022-05-20 American crime novelist Elmore Leonard 1925-2013 has a voice that is original and immediately recognizable This collection of original interviews with fellow authors filmmakers collaborators and critics covers all things Leonard from analyses of characterization and dialogue in his writing to his many screen adaptations What makes Leonard's work more cinematic than that of other talented contemporaries is his deceptively simplistic method of description that still manages to paint a vivid picture in the reader's mind The unique perspectives in this collection discuss many of Leonard's 44 novels including those that have been adapted to television and motion pictures like *Get Shorty* *Out of Sight* and *Jackie Brown*
