Learning for Leadership Yael Hellman,2014-05-07 If you are tasked with developing effective leaders teaching just isn't going to be enough Teaching leadership can be one of the most fulfilling as well as challenging tasks of a trainer Learning for Leadership builds on foundational learning and development concepts and practices to help trainers and facilitators develop programs that meet these challenges and turn learners into leaders Yael Hellman illustrates how a truly facilitative classroom is structured and she shows why it is the best environment to learn leadership skills The author does so through the lens of group dynamics and her own experience facilitating leadership courses for the Los Angeles Police Department The facilitative approach invites learners to practice leadership by being accountable for reaching learning objectives taking initiative to solve problems and nurturing their own ideas rather than leaning on authority This book includes everything you need to develop a facilitative leadership development course including icebreakers or warm ups to focus learners on the session's agenda interactive instruction models to help them master content ideas for group work including collective projects experiential exercises or games and joint activities that immediately apply new material wrap ups to summarize one session and link it to an upcoming one Facilitation integrates techniques from many adult learning approaches to produce creative transformative practical learning and leaders who are prepared to lead

Extension Service Circular ,1928 *The Student Leadership Training Manual for Youth Workers* Dennis Tiger McLuen,Chuck Wysong,2010-12-21 As profound as relevant as funny as you are teenagers still listen to each other more than to an adult youth worker You may grimace but you can't deny it students talking to each other usually means more to them than adults talking to them The Student Leadership Training Manual helps you equip your senior highers for leading their peers and taking charge of as much of the ministry as they want or are able helping and evangelizing their peers organizing ministry teams planning and executing their own youth ministry programming Here are 31 training sessions for discipling student leaders in a small group setting sessions that start in the Bible and reach deep into teenagers experience ready for you to implement a clear and effective program that trains your students for higher levels of

leadership regardless of where they are now Plus 24 pages just for you a veritable primer on how to cultivate student leadership The role of adults Authority vs responsibility Setting student leaders up for success Teaching students not just the whats but the whys and hows Helping them discover their spiritual giftedness Perfect for youth workers CE directors associate pastors and small group leaders anyone who works with a youth group s core kids **The Pilgrim Training Course for Teachers** ,1917 **A Coach's Guide to Developing Exemplary Leaders** James M. Kouzes, Barry Z. Posner, Elaine Biech, 2010-06-17 Kouzes and Posner s bestselling *The Leadership Challenge* has been the most trusted source for becoming a better leader for millions of executives This new guide from Kouzes and Posner written in conjunction with coaching experts Elaine Biech provides practical information and tools for integrating *The Practices of Exemplary Leadership* into a coaching practice or program Filled with best practices and success stories as well as worksheets and checklists this comprehensive resource enables coaches to quickly and easily adapt their coaching regimen to include *The Leadership Challenge* and the *Leadership Practices Inventory LPI* **Extended Education - Leadership in Practice** Jennifer Cartmel, Patricia Schuler , Helene Elvstrand, 2025-11-03 In many parts of the world various forms of extended education are emerging to respond to parents care needs before and after the school day as well as to enhance learning and provide children with meaningful leisure time Despite this growing field research is still limited In this Research Topic we want to bring together researchers from different parts of the world to contribute to research based knowledge about these educational offers and settings The extended education sector is expanding and is under increasing pressure to deliver quality services for children youth and families it is essential to ensure that the leadership is in place to ensure effectiveness of services working in tune with all stakeholders in a synergistic way The previous discourse on *Extended Education* discusses the diversity within these educational offers and activities while highlighting the existence of shared values and structural similarities that help establish a common understanding of what *Extended Education* entails This implies that while these programs may vary significantly across different contexts and countries there are fundamental principles or characteristics that are widely recognized and agreed upon Moving forward the Research Topic suggests the importance of focusing on specific topics within *Extended Education* One such topic highlighted is leadership which plays a crucial role in shaping the nature and relevance of extended educational activities Leadership in *Extended Education* is depicted as operating at the nexus of various stakeholders including families schools and the broader community It emphasizes that effective leadership in this context involves understanding and responding to the diverse needs of children parents and other members of the community Essentially leaders in *Extended Education* must navigate the complexities of multiple stakeholders and their varying needs to ensure that educational activities are well designed and successfully implemented We aspire to publish 10 12 articles focusing on leadership in extended education encompassing various facets of leading within this domain Firstly our attention will be directed towards the formulation of policies surrounding leadership providing

a foundational framework for leaders Secondly we will explore different styles of leadership with a particular emphasis on collaborative approaches deemed pertinent in this context Confidence and trust in leadership emerge as especially crucial within extended education given the intricate interplay between families and schools Moreover we aim to delve into the theme of children and parents as leaders within extended education amplifying their voices and acknowledging their role in shaping extended educational activities Their input and influence are instrumental in defining the landscape of extended education initiatives Extension service circulars ,1926 **Military Leadership Lessons for Public Service** Charles Szypszak,2016-10-03 Military veterans have had some of the most intensive leadership training available Many return to their communities seeking to apply what they have learned Those who enter the world of public affairs where colleagues are increasingly less likely to have served in the military may encounter a popular misconception that military leadership is all about exercising authority and giving orders In fact military leadership is based on interpersonal dynamics often learned through trying circumstances Effective management of civil emergencies as shown by 9 11 and Hurricane Katrina calls for the same official demeanor decisiveness and trustworthiness as does combat Good leadership is fundamentally the same in ordinary day to day challenges as well This book describes how the principles and methods of military leadership are effective for public service Instructors considering this book for use in a course may request an examination copy here
