The Instant Speaker Christian Semlitsch,2018-03-27 The Instant Speaker will empower you to be able to empower your audience It is like a speakers handbook designed to provide you the most important information that enables you to spread your message to control a room and to make the best impact possible on your audience It is not providing content but structure It is providing precious information that can be mission critical for speakers who are on stage Information that will save you thousands of Euro s or Dollars when you consider them This book is the missing link for most speakers helping you to avoid loss and frustration where you should be able to impact your audience earn what you are worth and fulfill you with joy when standing in front of any audience When you have in mind and apply what the author is providing to you you are prepared to potentially succeed and to spread your message

On the Origins of Speaking Lord Walsingham,2016-10-22 This is a serious book examining the original sounds and meanings of languages right back to the Stone Age up until now believed to be impossible But it can also be seen as tracing the overwhelming sexual orientation of human thinking for the last six hundred thousand years or more when we were only hominids squatting round the camp fires at the mouths of our caves to keep the sabre toothed tigers out It was here that our original bare bottomed language committees first got to grips with meanings and their audible representation The committees were convened as a result of the taming of fire the high tech of the day It was a cosy environment in a cold and hostile world and the unaccustomed warmth led to an outburst of amorous inclinations and the need to express them in words Ka they thought echoic of the strike of flint on flint and so striking and so the tenderising of raw meat for which they had already been making hand axes for at least half a million years It is from ka ka for tenderising with a hand axe that our cooking comes The flame did it for you Flint knapping left a lot of debetage or waste flakes whence ka ka also came to mean waste including today human waste Metaphor led to odd bedfellows All this evidence is decoded from an exhaustive forty year research into over a hundred languages many of them dead ones where like flies in amber our original Lithic Stone Age language roots are still embedded There is nothing salacious in the tale It simply tells it as it is and was and it is not going to go away This short version is abstracted from a major work of over 600 pages and there is nothing in it which the ordinary man in the street and his sister can not easily follow It ranks quite highly in the order of useless information but it has its indirect usage If you understand how all our languages have actually come about the product of human whimsy you will be that much less likely to believe some of the sillier alternative views put

forward by ideologically inclined placemen Lastly how has Lithic Language been cracked The answer lies in semantic triangulation Believe it or not all our languages today over 6000 bear traces of the original meanings given to the sounds as we first learned to articulate them and it is possible to work backwards using the current meanings in numerous languages to home in on the original source meanings which are common to the current ones Then we can see if they make sense as a first guess by our Stone Age hominid forebears of what they thought of as the natural meanings of the sounds They didn't do thinking very much That is how they all guessed the same or nearly the same So we are probably on the right track language was all spun by human whimsy over a few hundred millennia from only a baker's dozen original articulated sounds The English language alone reached a million words last year A Unified Theory of Syntactic Categories Joseph E. Transformational Speaking: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the fascinating narratives that have captivated audiences this year. Transformational Speaking : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Transformational Speaking : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and gripping novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
