Transnational France The Modern History Of A Universal Nation:

Transnational France Tyler Stovall, 2015-02-17 By extending his view beyond the metropole Stovall brings a transnational perspective to the history of modern France since the Revolution including French colonies in the mix

Transnational France TYLER. STOVALL, Taylor & Francis Group, 2019-07-10 *Transnational France* Tyler Stovall, 2022-02-25 Now in its second edition Tyler Stovall's *Transnational France* takes a transnational approach to the history of modern France that draws the reader into a key aspect of France's political culture universalism Beginning with the French Revolution and its aftermath Stovall traces French history right up to the present day and examines France's relations with three other areas of the world Europe the United States and France's colonial empire The book shines a light onto both French identity and the history of the world more broadly which allows the reader to engage with French history in a much wider context This new edition features an additional chapter on France in the twenty first century that offers an analysis of current events and issues as seen through historical perspective Issues addressed include anti-Semitism Islamophobia and the gilets jaunes as well as the impact of Brexit the maturation of the National Front under Marine LePen and the administration of Emmanuel Macron Giving a global view of France's history this is the perfect volume for students of modern France and French history courses

The Colonial Politics of Global Health Jessica Lynne Pearson, 2018-09-10 Jessica Lynne Pearson explores the collision between imperial and international visions of health and development in French Africa as postwar decolonization movements gained strength The consequences of putting politics above public health continue to play out in constraints placed on international health organizations half a century later

Europeans Are Lovin' It? Coca-Cola, McDonald's and Responses to American Global Businesses in Italy and France, 1886-2015 Giulia Crisanti, 2023-09-25 From the French origin of Coca Cola to McDonald's sponsorship of the 2015 Milan Expo the book presents the first comparative history of these multinational corporations in two Western European countries addressing some compelling questions to what extent our increasingly globalized world is persistently shaped by forms of American hegemony and what are some of the forces that have been most effective at challenging the relationship between Americanization and globalization Through the local history of global companies the book tells a new story about not only the influence of American businesses in Europe but also the influence of European governments and societies on those American businesses and their adaptability

Race and Theatre in France, 2025-08-26 These well researched essays speak to the situation of African descended artists on the French stage especially in prestigious government subsidized theatres Through documentation historical analysis close attention to productions and witnessing by Black French speaking artists Chalaye uncovers and critiques the unacknowledged racialization and racism that have circumscribed the careers of Black actors She ascribes responsibility for this frustrating situation in large part to the lingering impact of the colonial empire on the French imaginary one that sees otherness in French people perceived as non white She calls for a recognition of how race and racial

tropes have operated in French theatre and she advocates exploding the concept of race while creating a theatre that represents the multicultural country that France has become A translator's preface examines the concepts of race nation and theatre as they operate in France and in the Anglo American sphere inviting readers to compare the impact of multiculturalism with the notion of the universal human Sylvie Chalaye is the foremost French scholar of theatre in French by African and African descended artists She is professor of theatre at the University of Paris III Sorbonne Nouvelle co founder of the journal *Africultures* and director of the Research Laboratory SeFeA Recent publications include *Scènes et d'ours d'Afrique Les Aventuriers de la coopération théâtrale de Jean Marie Serreau Christian Schiaretti Passages 2022* and with Judith G Miller *Contemporary Francophone African Plays An Anthology* Bucknell 2024 Her book *Race et théâtre en France un impens politique* won the Prix Andr Malraux in 2020

Paris in Modern Times Casey Harison, 2019-10-17 Drawing upon a vast body of historical scholarship Casey Harison's *Paris in Modern Times* provides the first detailed academic history of Paris in the modern age Chronologically surveying Paris's history from the Old Regime of the late 18th century through to the present day this book explores the social economic political and cultural developments that come together to tell the story of this iconic city Each chapter has an introduction and illuminating sidebars that touch upon the ways in which Parisian history has intersected with wider changes in France and beyond The text which also includes a wealth of images maps and a further reading section takes the opportunity to place Paris and its history in a broader French Atlantic and global historical context in order to cover an essential aspect of what has been such an important city the world over *Paris in Modern Times* is vital reading for anyone seeking to know more about the history of Paris or the history of France since the French Revolution

Citizenship and Antisemitism in French Colonial Algeria, 1870-1962 Sophie B. Roberts, 2017-12-28 Professor Roberts examines the relationship between antisemitism and the practices of citizenship in a colonial context She focuses on the experience of Algerian Jews and their evolving identity as citizens as they competed with the other populations in the colony including newly naturalised non French settlers and Algerian Muslims for control over the scarce resources of the colonial state The author argues that this resulted in antisemitic violence and hotly contested debates over the nature of French identity and rights of citizenship Tracing the ambiguities and tensions that Algerian Jews faced the book shows that antisemitism was not coherent or stable but changed in response to influences within Algeria and from metropolitan France Europe and the Middle East Written for a wide audience this title contributes to several fields including Jewish history colonial and empire studies antisemitism within municipal politics and citizenship and adds to current debates on transnationalism and globalization

White Freedom Tyler Stovall, 2022-08-23 The racist legacy behind the Western idea of freedom The era of the Enlightenment which gave rise to our modern conceptions of freedom and democracy was also the height of the trans Atlantic slave trade America a nation founded on the principle of liberty is also a nation built on African slavery Native American genocide and systematic racial discrimination *White Freedom* traces the complex relationship

between freedom and race from the eighteenth century to today revealing how being free has meant being white Tyler Stovall explores the intertwined histories of racism and freedom in France and the United States the two leading nations that have claimed liberty as the heart of their national identities He explores how French and American thinkers defined freedom in racial terms and conceived of liberty as an aspect and privilege of whiteness He discusses how the Statue of Liberty a gift from France to the United States and perhaps the most famous symbol of freedom on Earth promised both freedom and whiteness to European immigrants Taking readers from the Age of Revolution to today Stovall challenges the notion that racism is somehow a paradox or contradiction within the democratic tradition demonstrating how white identity is intrinsic to Western ideas about liberty Throughout the history of modern Western liberal democracy freedom has long been white freedom A major work of scholarship that is certain to draw a wide readership and transform contemporary debates *White Freedom* provides vital new perspectives on the inherent racism behind our most cherished beliefs about freedom liberty and human rights

Routledge Handbook of Francophone Africa Tony Chafer, Margaret A. Majumdar, 2023-11-02 The Routledge Handbook of Francophone Africa brings together a multidisciplinary team of international experts to reflect on the history politics societies and cultures of French speaking parts of Africa Consisting of approximately 35% of Africa's territory Francophone Africa is a shifting concept with its roots in French and Belgian colonial rule This handbook develops and problematizes the term with thematic sections covering Colonial and post colonial ties between France and sub Saharan Africa Belgium Belgian colonialism and Africa The Maghreb African Francophones in France Francophone African literature and film Francophone and Anglophone Africa Beyond national boundaries and colonial partners The chapters demonstrate the evolution of Francophone Africa into a multi dimensional construct with both a material and an imagined reality Materially it defines a regional territorial space that coexists with other conceptualisations of African space and borders Conceptually Francophone Africa constitutes a shared linguistic and cultural space within which collective memories are shared not least through their connection to the French imperial imagination Overall the Handbook demonstrates that as global power structures and relations evolve African agency is increasingly assertive in shaping French African relations Bringing this important debate together into a single volume this Handbook will be an essential resource for students and scholars interested in Francophone Africa
