Treat Me Like A Dog The Shih Tzu Chronicles:

The Dog Trainer's Resource 2 Mychelle Blake, 2008-07 When the first volume of The Dog Trainer's Resource was published in 2007 it became a resounding success among professional dog trainers and behaviorists. It also introduced a new generation of dog trainers to the profession and started them on the road to success with information from experts in the field. This new volume The Dog Trainer's Resource 2 contains more cutting edge information collected from dog training's most influential magazine The APDT Chronicle of the Dog published by the Association of Pet Dog Trainers. Subjects covered in this book range from puppy training and socialization to working with veterinarians and how to run the business end of the leash. A special emphasis in this volume is on behavior problems including how to diagnose problem behaviors, training and management strategies. It includes detailed case studies that give the reader insights from experts. Both new and seasoned dog trainers will benefit from the 73 articles written by 43 authors. **Pure-bred Dogs, American Kennel Gazette**, 1976

The Oxford Encyclopedic English Dictionary Joyce Hawkins, 1991 This is a new all in one reference book providing within a single volume a comprehensive dictionary of current English and all the information of a concise world encyclopedia. It contains over 200,000 dictionary definitions and 10,000 encyclopedic entries, chronology of world events, 16 pages of color maps and 100 pages of extra encyclopedic information. **The Canine Chronicles - Book 1** Christine Ferley, Dr. Christine Ferley D.C., 2018-04-29 The Canine Chronicles are a series of books geared to help shape children's views of themselves and how they relate to others around them. The inspiration for writing these books came from my late uncle Michael Landon who was well known for his writing and acting. His television shows encouraged people to treat each other with respect and dignity and not with hatred or judgment. I want to follow in his footsteps and help the children of the world become more loving and caring for one another. Book 1 Shih Tzu P.D. is about a small dog named Chanel who shows that she can do everything the bigger dogs can do. She proves that size does not matter if you put your mind to something anything is possible. Each of the upcoming books will teach other vital lessons such as not bullying, not being mean just because someone is different from you, and forgiveness. In this book you will meet Timmy, Chanel's best friend and companion. You will also meet the dogs that both belittle but also rally for Chanel. The basis for this story comes from a joke I played on my mother with my real life Chanel years ago when Chanel was still with me. I realized if I could convince my mother that my Shih Tzu got into the K-9 police department I probably needed to write this down. This story shows courage in the face of diversity and I believe our children need to learn more about relating to each other and themselves especially during our current times.

American Book Publishing Record Cumulative, 1950-1977: Title index R.R. Bowker Company.
