REPORTS OF MY DEATH HAVE BEEN GREATLY EXAGGERATED. The People's Republic of Haven made a tiny mistake when it announced the execution of Honor Harrington. It seemed safe enough. After all, they knew she was already dead. Unfortunately, they were wrong. Now Honor has escaped from the prison planet called Hell and returned to the Manticoran Alliance with a few friends. Almost half a million of them, to be precise, including some who know what really happened when the Committee of Public Safety seized power in the PRH. Honor's return from the dead comes at a critical time, providing a huge, much-needed lift for the Allies' morale for the war is rapidly entering a decisive phase. Both sides believe that victory lies within their grasp at last, but dangers no one could foresee await them: both New weapons, new strategies, new tactics, spies, diplomacy and assassination. All are coming into deadly focus, and Honor Harrington, the woman the newsies call the Salamander, once more finds herself at the heart of them all. But this time, the furnace may be too furious for even a salamander to survive.

In just a few short years, David Weber has shot to the forefront of science fiction. The core of his work is Honor Harrington, the toughest, smartest starship captain in the galaxy. Now Weber invites you to join him and his invitees as they explore Honor's universe. *The Host and His Guests*. David Weber himself is on board, first telling how young Honor Harrington and her treecat, Nimitz, faced the impossible task of rescuing the victims of an avalanche in a sub-zero blizzard, then revealing a chapter in the history of the telepathic treecats when a young human who bonded with a treecat was a Very Important Person. Specifically, she was a Manticoran crown princess and the heir to the throne of the empire. Roland Green offers a hard-hitting account of what happened when Manticores and the People's Republic of Haven went eyeball to eyeball over a strategically vital planet. Linda Evans looks at life among the treecats before Honor. Jane Lindskold tells how Honor's monarch, Elizabeth III, had to learn the hard way what monarchy is all about.
