Trend Of China Cultural System Reform Chinese Edition:

Modern Development of China's Cultural Industry Yonglin Huang, 2025-11-13 This book primarily investigates the historical development fundamental theories and resource utilization of China's cultural industry as well as the role of technological innovation in promoting the cultural industry's growth. It specifically covers the historical choices and experiences of cultural industry development strategies since China's reform and opening up, the achievements and future strategies of policies on cultural industry since the 18th National Congress, the core elements of cultural industry development and their relationships, characteristics of cultural consumption and its guidance, the integration of culture and tourism, the relationship between folk cultural resources and cultural industry development, etc. The book systematically studies the development of modern technological innovation in the cultural industry and its significant impact on contemporary cultural industry development, providing an in-depth analysis of the positive role that technological innovation plays in advancing the cultural industry. The research presented in this book elucidates the historical context, experiences and issues of modern cultural industry development in China, expounds the fundamental relationships between cultural resources, technological innovation and cultural industry development, and provides theoretical support and practical guidance for promoting the high quality development of China's cultural industry. **Trends in China** Shanqin Zhan, 2014 **An**

Introductory Study on China's Cultural Transformation in Recent Times Yunzhi Geng, 2014-10-22 This book examines in detail the basic trajectory of the cultural transformation and brings to light the extrinsic conditions and intrinsic mechanisms involved. It focuses on the period from after the Opium Wars to the New Culture Movement, as the New Culture Movement can be considered a pivotal phase in the cultural transformation of modern day China. The New Culture Movement was a revolutionary eruption triggered by the accumulation of all the new qualitative cultural factors since the Opium Wars. Superficially the movement's goal seemed to be to overthrow the traditional culture. But in essence its true objective was to conduct an overall screening of that culture. The book elaborates a broad variety of points in this context, including the ideological and cultural evolution following the Opium Wars, the pressing challenges faced by Zhong Ti, the initial shaping of social public and cultural spaces, and major trends in ideological and cultural transformation at the end of the Qing Dynasty, the political disarray and conflicts between the new and old ideology in the first years of the Republic, the rise of the New Culture Movement, and the role of conservatism in the transition to a modern culture. *The Yearbook of China's Cultural Industries 2011* Liu Fei, Zheng Hong, Huang Lin, Cui Xuan, Chen Hu Yangyu, 2017-11-30 The Yearbook of China's Cultural Industries is a large comprehensive authoritative and informative annual which accurately records and reflects the annual development of cultural industries in China.
