TRIATHLON. LOVING IT IS EASY was written by a man who has lived and breathed sports all his life and triathlon for the last 15 years. As a member of his country's national team he has competed in numerous triathlon events throughout Europe. Christos's book was the first of its kind written in Greek. Now in its revised 3rd edition, it has created a craze for triathlon throughout the Greek world.

Apart from a wealth of athletic and scientific information, Christos shares his personal experiences with a sense of humor and honesty rarely seen in sports books. Christos is not an author; he is a triathlete. Who better to guide you in your exciting journey than a fellow sports enthusiast?

Many congratulations for your amazing book. I particularly enjoyed your style, as well as the way you present various issues and topics. I am very glad to see just how many people have benefited from this book and to see how successful it has been in bringing so many new people closer to our favorite sport. **Well done!**
