Burton, 2024-11 Two Trips to Gorilla Land and the Cataracts of the Congo Vol I by Richard F. Burton is an enthralling travel narrative that recounts Burton's explorations of Central Africa in the 19th century. Known for his daring expeditions and vast knowledge, Burton offers a detailed account of his two journeys to the Congo region, a largely unexplored area at the time. In this first volume, Burton describes his experiences in what he terms Gorilla Land, a dense and untamed wilderness near the Congo River. His observations of the local wildlife, including gorillas, are interwoven with his encounters with indigenous tribes and the challenges of navigating Africa's rugged terrain. Burton's keen interest in anthropology and natural history is evident throughout as he documents the customs of the native people and the unique flora and fauna he encounters. This book combines adventure with intellectual curiosity, offering readers a glimpse into the spirit of 19th-century exploration as well as Burton's distinctive perspective on the unknown and the exotic world of Africa. **Two Trips to Gorilla Land and the Cataracts of the Congo**, Sir Richard Francis Burton, 2023-09-12 Reproduction of the original. The publishing house Megali specialises in reproducing historical works in large print to make reading easier for people with impaired vision. Two Trips to Gorilla Land and the Cataracts of the Congo Vol I & Vol II Sir Richard Francis Burton, 2019-01-11 Excerpt: The notes which form the ground work of these volumes have long been kept in the obscurity of manuscript; my studies of South America, of Syria and Palestine, of Iceland and of Istria left me scant time for

the labour of preparation Leisure and opportunity have now offered themselves and I avail myself of them in the hope that the publication will be found useful to more than one class of readers The many who take an interest in the life of barbarous peoples may not be displeased to hear more about the F n and the few who would try a fall with Mister Gorilla can learn from me how to equip themselves whence to set out and whither to go for the best chance Travelling with M Paul B du Chaillu s First Expedition in my hand I jealously looked into every statement and his numerous friends will be pleased to see how many of his assertions are confirmed by my experience
