

TROOP LEADER'S MANUAL

Being at the front line of program delivery, Troop Leaders determine the outcome of the Boy Scouting program. Trained Troop Leaders are expected to have that positive attitude, skills, and dedication to the task of developing boys to be responsible citizens. The management of the troop and the application of the patrol system should therefore highlight the Troop Leader's job.

Through the years, we have heard testimonies of former Scouts who have attributed their success in life with the training they received from their Troop Leaders. With this big responsibility, it is very essential that Troop Leaders are regularly updated of program development; hence this revised *Troop Leader's Manual*.

This Manual is an essential companion of the Troop Leader. It provides important recommendations as to how a troop of boys should be organized and trained in the Scout Method for self-reliance and community service while adhering to the Scout Motto, "*Laging Handa.*"

All Rights Reserved. No part of this book may be reproduced in any form without permission in writing from the Boy Scouts of the Philippines.

PREFACE

This Troop Leader's Manual first published in 1977 as Manual for Scoutmasters has, through the years, passed the continuing review of Scout youth program professionals and high caliber volunteers. It was reviewed and updated in 1995 and published as Troop Leader's Manual.

This Manual is an essential companion of the Troop Leader. It provides important recommendations as to how a troop of boys should be organized and trained in the Scout Method for self-reliance and community service while adhering to the Scout Motto, "*Laging Handa.*"

Together with this manual, we recommend the *Handbook for Boys* for the specific requirements for advancement and explanations of the Ideals of Scouting and related concerns and Volume One of *Adult Resources Policy (ARP)* for Institution and Unit Level.

The successful implementation of the Boy Scout Program is very much dependent on the Troop Leader, his assistants and the logistics support of the Institutional Scouting Committee (ISC) formerly the Troop Committee.

Trained Troop Leaders are expected to have that positive attitude, skills, and dedication to the task of developing boys to be responsible citizens. The management of the troop and the application of the patrol system should therefore highlight the troop Leader's job.

Being at the front line of program delivery, Troop Leaders determine the outcome of the program. Through the years, we have heard testimonies of former Scouts who have attributed their success in life with the training they received from their Troop Leaders. With this big responsibility, it is very essential that Troop Leaders are regularly updated of program development; hence this revised Troop Leader's Manual.

With this handy manual as ready reference during troop meetings, the boys are assured of the development expected of them after graduating from the program.
