Girl Next Door Jared Reck,2017 Equal parts hilarious and heartbreaking this unrequited love story will appeal to fans of Jennifer Niven John Green and Jesse Andrews Seriously how can you see a person nearly every day of your life and never

think a thing of it then all of a sudden one day it's different. You see that goofy grin a thousand times and just laugh. But goofy grin 1001 nearly stops your heart. Right. That sounds like a bad movie already. Matt Wainwright is constantly sabotaged by the overdramatic movie director in his head. He can't tell his best friend Tabby how he really feels about her; he implodes on the JV basketball team and the only place he feels normal is in Mr. Ellis's English class discussing the greatest fart scenes in literature and writing poems about pissed-off candy cane lumberjacks. If this were a movie, everything would work out perfectly. Tabby would discover that Matt's madly in love with her, he'd overcome with emotion and fall into her arms. Maybe in the rain. But that's not how it works. Matt watches Tabby get swept away by senior basketball star and all-around great guy Liam Branson. Losing Tabby to Branson is bad enough, but screwing up and losing her as a friend is even worse. After a tragic accident, Matt finds himself left on the sidelines, on the verge of spiraling out of control and losing everything that matters to him. From debut author Jared Reck comes a fiercely funny and heart-wrenching novel about love, longing, and what happens when life, as you know it, changes in an instant. This story broke my heart and made me laugh and gave me hope, and really, what more can you ask of a book than that? I loved it, and I have a feeling you will too. Jennifer E. Smith, author of *Windfall* and *The Statistical Probability of Love at First Sight*. In the blink of an eye, *A Short History of the Girl Next Door* goes from hilarious to haunting to harrowing to heartbreaking to hopeful and back. Jeff Zentner, award-winning author of *The Serpent King* and *Goodbye Days*. Sharp, smart, and unforgettable. Kate Hattemer, critically acclaimed author of *The Vigilante Poets of Selwyn Academy* and *The Land of 10,000 Madonnas*. A powerful novel about first love, the intimacy of childhood friendships, and moving forward from loss. Publishers Weekly: Pair this with other novels that explore loss from a male perspective, such as Jeff Zentner's *Goodbye Days* or Adam Silvera's *History Is All You Left Me*. Booklist: Reck gives subtlety and depth to Matt so he's believable as a flawed guy negotiating his way through his feelings for Tabby as well as his social status in school, his ideas of masculinity, and his insecurities. The Bulletin: Recommend this to readers who enjoyed Steven Levenson's *Dear Evan Hansen*. VOYA: *My Seventh-Grade Life in Tights*. Brooks Benjamin, 2016-04-12. The perfect book for kids who are fans of *Dancing with the Stars*. Juniors' Football hero Ninja freestyler. It's seventh grade. Anything is possible. All Dillon wants is to be a real dancer. And if he wins a summer scholarship at Dance Splosion, he's on his way. The problem? His dad wants him to play football. And Dillon's freestyle crew, the Dizzee Freeks, says that dance studios are for sellouts. His friends want Dillon to kill it at the audition so he can turn around and tell the studio just how wrong their rules and creativity-strangling ways are. At first, Dillon's willing to go along with his crew's plan, even convincing one of the snobbiest girls at school to work with him on his technique. But as Dillon's dancing improves, he wonders: what if studios aren't the enemy? And what if he actually has a shot at winning the scholarship? Dillon's life is about to get crazy on and off the dance floor. In this kid-friendly, humorous debut by Brooks Benjamin, I couldn't stop smiling. Equal parts hilarious and heartwarming, Dillon's journey to find his people and his place in the world will charm everyone lucky enough to come along for the ride. Jessica Cluess, author of *A Shadow Bright* and

Burning A rollicking big hearted breakdance of a book It s a story about friendship that s got all the moves humor both sly and slapstick a diverse cast of characters and a winning narrator who s trying to learn how to follow his heart find the beat and dance his pants right off Kate Hattemer author of The Vigilante Poets of Selwyn Academy
