A Little Bit of Ivey Lorelei Branam, 2012-12-17 Call me Ivey Mae I am middle aged I am staying married I don't want any sort of implant and there isn't a cougar bone in my body I have six children including a set of twins thirty pets and no we don't live on a farm or even reside in a rural area We live smack dab in suburbia but my husband thinks pets are family and should not be separated from each other Rodents and rabbits don't understand about incest It took nine rabbits and 13 guinea pigs before I declared Family my ass and separated the boys from the girls My mother lives right next door and doesn't like animals I know hilarious Mother is an elderly widow woman still a lady to her fingertips and a very involved neighbor Her favorite pastimes include arguing ordering from QVC exchanging packages with QVC returning things to department stores calling the police and keeping tabs on Casey Anthony and Scott Peterson Don't for one minute think that being related to her will protect you when it comes to calling the police or returning a gift In fact we relations tend to get bumped to the front of the line Well I'm always at the front of the line I have a reserved parking place But it doesn't take much to get the second spot on the mad as a wet hen list behind me You can always get a headstart by simply agreeing with me about anything When mother and I are going at it you should just stay quiet or you will be in hot water too Mother is also enjoying riding in the I am old and can do whatever I want boat Eating Sunday supper at her house now gives me cause for concern because she refuses to acknowledge food expiration dates and is known to nap for hours in between food shopping and putting cold food away She also chooses to ignore all painted lane lines and stops her vehicle whenever and wherever she wants She will fight you if you are foolish enough to tell her otherwise You can't make this stuff up although she'd probably tell you that I am Our lives would make for a lucrative and real entertaining reality show except my hot flashes could in no way take the intense heat from stage lighting and I have enough trouble staying on my feet without all the wires and cumbersome equipment Besides our commotion would run off the TV crew
