Turtle Croakies Sam Cheever, 2020-10-27 A frog a cat and a hobgoblin walk into a bar in the Jurassic period Nope not kidding Okay maybe it wasn't really a bar But it was definitely the local drinking establishment For dinosaurs My old mentor Alice Parker is back and she's brought a problem with her A big one One that's already testing the sprite's ability to keep it in lettuce and strawberries It turns out that Alice has been on the run for a minute trying to protect a magical tortoise from a dangerous sorceress who wants it for herself You might be wondering why anybody would want to steal a tortoise Well if you had the chance to travel through time at the push of a button or rather the press of a turtle's shell would you take it Yeah me neither I have enough trouble dealing with this time and world But clearly we aren't all diabolical magic users bent on our own empowerment I mean the possibilities for evil are unending if one can time hop at will Luckily I have two cats two frogs and a hobgoblin to help me stave off the latest crisis The only question is what am I going to do with a former KoA who was as ineffectual at the Keeper's job as the goddess's torn pantyhose are at holding water The only thing she'd been worse at was training me And more importantly now that she's here how am I going to get rid of her Holy turtle trousers this Keeper gig gets more challenging by the day or the millennia
