The Tomb of King Tutankhamen Michael Woods,Mary B. Woods,2007-12-15 Learn about this royal treasure that was buried for 3 000 years before its discovery by British archaeologist Howard Carter in 1922 *The Tomb of Tutankhamun Vol. III* Howard Carter,2014-11-20 Your journey through the discovery of Tutankhamun cannot be complete without Volume III In this third and final volume of Howard Carter s classic work on his historic discovery of the tomb of Tutankhamun he gets down to the details of the objects contained in the Treasury and the Annexe Neither of these chambers had escaped the attentions of the tomb robbers who had entered the tomb in antiquity As Carter describes both rooms had objects that suffered at the hands of the robbers and probably the officials charged with resealing the tomb Nevertheless with his usual style Carter treats the objects and the science of the discovery with sensitivity and detail One is a little tempted to wonder in places such as the description of desert plants whether he was trying to fill a contractual length for the book But even here Carter shows an extraordinary breadth of knowledge that makes the reading interesting A specific example is Carter s very good detective work on determining the likely source of moisture that permeated the tomb infrequently during the more than 3 000 years during which it was sealed Carter s understanding of the geology of the Valley of the Kings and his very intimate knowledge of the state of the tombs that intersect the same stony hillock as the tomb of Tutankhamun gave him particular advantage in this analysis Thus he tells a very interesting tale about an otherwise dull subject i e rainfall and ground seepage

Howard Carter's book is as relevant today as when it was first published. His long and remarkable career in Egypt added much to our understanding of Egyptian history and burial culture. For the first time this entire series is available for Kindle. These rare and fascinating books are now affordable and you can take them with you anywhere. For the first time this long out of print volume is available as an affordable well formatted book for e readers and smartphones. The Tomb of Tutankhamun: Volume 1 Howard Carter, 2014-10-23 The discovery of the resting place of the great Egyptian King Tutankhamun Tut ankh Amen in November 1922 by Howard Carter and the fifth Earl of Carnarvon was the greatest archaeological find the world had ever seen. Despite its plundering by thieves in antiquity the burial of the king lay intact with its nest of coffins and funerary shrines surrounded by a mass of burial equipment arranged in three peripheral chambers. Published in 1923 this is the first volume of Carter's trilogy describing the years of frustration in search of the burial site, the triumph of its eventual discovery and the long painstaking process of exploring and cataloguing its treasures. Containing over 100 images from the site itself this volume also includes Carter's short article 'The Tomb of the Bird' which inadvertently spawned the legend of the great curse of Tutankhamun's tomb.

Tutankhamun's Funeral Herbert E. Winlock, Metropolitan Museum of Art (New York, N.Y.), 2010 In 1907 more than a decade before the discovery of Tutankhamun's tomb archaeologists unearthed remains from the mummification and funeral of the pharaoh who ruled ancient Egypt in the 14th century B.C. Now in the collection of The Metropolitan Museum of Art these materials provide physical evidence of burial rites of the now legendary king who is making headlines once again after new scientific investigations to determine the cause of his early death. Tutankhamun's Funeral includes a classic text written in 1941 by Herbert E. Winlock, one of the early 20th century's leading Egyptologists featuring in depth analysis of the objects and their significance. In addition an introduction and appendix by Dorothea Arnold update the findings with recent scholarship. The book is illustrated throughout with new color photography as well as many historical images and drawings.

The Curse of King Tut William W. Lane, 2007 Shortly after the ancient tomb of Egypt's King Tutankhamun was opened in 1922 the English lord who had financed the discovery died.
